SUBJECT: SPORTFISHING

PURPOSE: To Establish A Policy to Permit Additional Use of Leased Premises for Sportfishing Operations of Six Passengers or Less

POLICY STATEMENT:

1. Port District leases for marinas do not presently permit the use of the premises for sportfishing purposes. This policy is intended to permit such lessees the additional use of the premises for charter sportfishing operations, limited to six (6) passengers or less, commonly called "Six Pac" operations. No other type of sportfishing operations shall be permitted from the leased premises nor shall the premises be used for any other uses or purposes except as provided in the master lease between the Port District and marina lessee. Said additional use shall be permitted conditioned upon lessee's strict compliance with the terms, covenants and conditions of the master lease and Article 4 - Section 4.37 of the San Diego Unified Port District Code entitled Regulation of Six Pac Charter Vessels.
