that deal included a promissory note issued by SDCCC that was secured by a Deed of Trust, which encumbered the ARC Lease; and

WHEREAS, on September 19, 2012, the BPC approved Amendment No. 1 to the ARC Lease, which allowed the transfer and assignment of the Expansion Option to the City and memorialized agreements between the SDCC and the City (District Document No. 59467); and

WHEREAS, on April 13, 2017, the District found FAL's application for the FAL Project complete and has been diligently and in good faith been processing FAL's Project in accordance with Paragraph 50(f) of the ARC Lease; and

WHEREAS, the City continues to pursue development of the SDCC Phase III Expansion and in anticipation of a citywide vote in November 2018 on a proposed special tax measure/initiative titled the "For a Better San Diego" that has

been launched by a coalition of business and labor organizations (Initiative and once placed on the ballot, Ballot Measure) desires to have control of the ARC Lease premises (excluding the Flag Lot) and Marina Landside Area; and

WHEREAS, the Ballot Measure proposes to increase the City's transient occupancy tax and dedicate the resulting increased tax revenues for specified public benefits, including financing construction of the SDCC Phase III Expansion and modernization of the SDCC; and

WHEREAS, if authorized by the BPC and conditioned on the City's approval of the same, the District, City and FAL would enter into a Purchase and Sale Agreement (PSA), which has been structured to allow for two alternative closings – Alternative A Closing and Alternative B Closing – dependent on the occurrence of certain conditions; and

WHEREAS, the Alternative A Closing includes two transactions: (1) the District would make a \$5 million released option payment (Released Initial Option Payment) and three approximate \$9.4 million option payments (District Option Payments) to FAL to purchase its interest in the ARC Lease and Marina Landside Area for a total purchase price of \$30 million and up to \$3.2 million in reimbursement to FAL for costs related to the FAL Project and (2) the City would make three option payments of approximately \$9.4 million each to acquire from the District the ARC Lease and Expansion Option, both with extended terms, for a total purchase price of up to \$28.2 million; and

WHEREAS, payment of each District Option Payment to FAL is contingent on the City making the corresponding City Option Payment first; and

WHEREAS, the passage of the Ballot Measure by voters and clean title are conditions precedent to the Alternative A Closing; and

WHEREAS, once all documents have been delivered by each party into escrow and once certain conditions have been met, the District would pay FAL the \$5 million Released Initial Option Payment, secured by a promissory note, (attached as Exhibit E of the PSA), issued by the City to the District (Promissory Note); and

WHEREAS, FAL will retain the Released Initial Option Payment even if the Alternative A Closing does not occur, as consideration for the deal structure and either giving up the FAL Project or putting it on hold pending the vote on the Ballot Measure; and

WHEREAS, in accordance with the Promissory Note and PSA, the City will deposit the \$5 million plus three (3) percent interest due under the Promissory Note in a separate escrow account, which shall be released to the District if the Alternatives A does not occur; and

WHEREAS, if the Alternative A Closing does not occur subject to the terms of the PSA and the PSA is not terminated for the reasons as specified therein, the Alternative B Closing will occur; and

WHEREAS, under the Alternative B Closing, FAL will (1) not sell its interest in the ARC Lease and Marina Landside Area, (2) keep the Released Initial Option Payment subject to the Promissory Note, and (3) retain any District Option Payments paid to FAL, if any; and

WHEREAS, the PSA, requires the District to pay the Released Initial Option Payment upon certain conditions precedent; and

WHEREAS, while the District currently expects to end Fiscal Year 2018 with unspent non-personnel appropriation which could be used to pay this amount, staff cannot be certain there will be \$5 million remaining unspent non-personnel appropriation at the close of the Fiscal year on June 30, and, therefore, the BPC adopted an ordinance amending the District's Fiscal Year 2018 budget, adding \$5 million to the non-personnel appropriation from previous years' unrestricted resources; and
