

SECTION NO. 4.10 – TERMINAL OPERATOR DEFINED

A Terminal Operator shall be any person offering to perform for the general public the following services in connection with a common carrier by water in interstate or foreign commerce upon facilities of District facilities:

- (a) The handling, storing and/or delivering such merchandise and cargoes;
- (b) Such additional accessorial services as may be required in connection with such merchandise and cargoes, including but not limited to the loading, unloading, marking, labeling, and transferring.

(Enacted May 10, 1966 – Ordinance No. 227)

(Amended October 8, 2013 – Ordinance No. 2741)
