

**RESOLUTION 2020-058**

**RESOLUTION WAIVING BOARD OF PORT COMMISSIONERS POLICY NO. 110 AUTHORIZING A PURCHASE ORDER WITH GIMMAL LLC FOR GIMMAL RECORDS MANAGEMENT SOFTWARE LICENSING AND SERVICE AGREEMENT FOR IMPLEMENTATION SERVICES FOR A PILOT PROJECT FROM 06/24/2020 THROUGH 06/30/2021 WITH A MAXIMUM EXPENDITURE AMOUNT OF \$114,551. THIS PILOT PROJECT MAY LEAD TO SIGNIFICANTLY LOWER RECURRING COSTS OF PORT-WIDE RECORDS MANAGEMENT. FUNDS REQUIRED FOR FY20 ARE BUDGETED AND FUNDS REQUIRED FOR FY21 ARE INCLUDED IN THE RECENTLY ADOPTED PRELIMINARY FY21 BUDGET. THIS EXPENDITURE IS CONSIDERED ESSENTIAL.**

**WHEREAS**, the San Diego Unified Port District (District) is a public corporation created by the legislature in 1962 pursuant to Harbors and Navigation Code Appendix 1, (Port Act); and

**WHEREAS**, the Board of Port Commissioners (BPC) adopted BPC Policy No. 110 to establish a policy governing the processing and administration of public projects, consulting and service agreements, the purchasing of supplies, materials, and equipment, and grants; and

**WHEREAS**, the District's current enterprise content and records management system is costly (approximately \$170,000 annually) and lacks widespread user adoption; and

**WHEREAS**, to address these challenges, the District completed a proof of concept to replace the current system with one that leverages a combined solution of 1) Microsoft's SharePoint Online platform and 2) Gimmel's Record Management System; and

**WHEREAS**, maintaining the current, less desirable system for the next five years will result in an approximate cost of \$850,000; and

**WHEREAS**, implementing and operating the new proposed system is expected to result in a savings of approximately \$390,000 over the same five-year period; and

**WHEREAS**, the proof of concept confirmed the technical capabilities of the Gimmel Record Management System and its ability to integrate with Microsoft SharePoint to fulfill the District's records retention and disposition requirements; and

2020-058

**WHEREAS**, due to the success of the proof of concept and the potential significant year-over-year cost reduction, staff recommends waiving BPC Policy No. 110 and authorizing a purchase order and service agreement with Gimmel LLC for a pilot project to help determine whether full implementation is recommended; and

**WHEREAS**, when added to the cost of proof of concept, these pilot project costs bring the total past the threshold allowed without Board authorization, and therefore, Board approval is being requested in accordance with BPC Policy No. 110.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Port Commissioners of the San Diego Unified Port District, that Board of Port Commissioners Policy No. 110 is hereby waived and that the Executive Director or her designated representative is hereby authorized to enter into a purchase order with Gimmel LLC for Gimmel Records Management software licensing and enter into a service agreement for implementation services for a pilot project with a maximum expenditure amount of \$114,551.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, San Diego Unified Port District (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
