CEQA and COASTAL DETERMINATIONS  
and  
NOTICE OF APPROVAL

Project: Navy Bay Bridge Run Walk  
Location(s): 1 Park Boulevard, San Diego, CA 92101  
Coronado Tidelands Park, 2000 Mullinex Drive, Coronado, CA 92118  
Parcel No.(s): 019-044, 020-004, and 057-012  
Project No.: 2017-199  
Applicant: Irene Wells, Navy Region Southwest Morale, Welfare, & Recreation, 937 Harbor Drive,  
Room 500, Building 1, P.O. Box 28, San Diego, CA 92132  
Date Approved: December 20, 2017

Project Description

The proposed project is the Navy Bay Bridge Run Walk, which would take place around tidelands on Sunday, May 21, 2018. The District would provide sponsorship in the form of District funding and services for the proposed project, a 4-mile run/walk over the San Diego-Coronado Bay Bridge. The route would start at the intersection of One Park Boulevard and Harbor Drive near the San Diego Convention Center, would travel south along Harbor Drive to Cesar E. Chavez Parkway, would continue east to National Avenue, would cross over the Coronado Bay Bridge, and would end at Coronado Tidelands Park. There would be a post-race festival with live music, an awards ceremony, sponsor and vendor booths, and nutrition stations at Coronado Tidelands Park. The event has an expected attendance of approximately 10,000 people. The event would require the use of parking spaces at Coronado Tidelands Park on Sunday, May 21, 2018. Since the parking spaces would be reserved for a limited time period, the project would not result in significant impacts related to public parking. Parking would be available at the public parking facilities serving the Embarcadero and Coronado and on nearby surface streets.

The following categorical determinations are based on Navy Region Southwest Morale's project submittal and all project information known to the District as of the date of this determination.

**CEQA DETERMINATION**

Based upon the above description, the proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Sections 15304 (Minor Alterations to Land) and/or 15323 (Normal Operations of Facilities for Public Gatherings) and Section 3.d (6) of the District's *Guidelines for Compliance with CEQA* because it is a temporary event that would not involve the removal of mature, scenic trees, would not have any permanent effects on the environment, and would consist of the normal operations of existing facilities for public gatherings. Section 3.d. (6) of the District's CEQA Guidelines and CEQA Guidelines Section 15323 are as follows:

- 3.d. Minor Alterations to Land (SG § 15304) (Class 4): Includes minor alterations in the condition of land, water and/or vegetation not involving removal of mature, scenic trees, including, but not limited to:
- (6) Minor temporary use of land having negligible or no permanent effects on the environment.

AND/OR

Normal Operations of Facilities for Public Gatherings (SG § 15323) (Class 23): Consists of the normal operations of existing facilities for public gatherings for which the facilities were designed, where there is a past history of the facility being used for the same or similar kind of purpose. For the purposes of this section, "past history" shall mean that the same or similar kind of activity has been occurring for at least three years and that there is a reasonable expectation that the future occurrence of the activity would not represent a change in the operation of the facility. Facilities included within this exemption include, but are not limited to, racetracks, stadiums, convention centers, auditoriums, amphitheatres, planetariums, swimming pools, and amusement parks.

The Categorical Exemptions listed above are appropriate for the proposed project because it is a temporary event that would not involve the removal of mature, scenic trees, would not have any permanent effects on the

environment, and would consist of the normal operations of existing facilities for public gatherings. The District has determined none of the six exceptions to the use of a categorical exemption apply to this project (CEQA Guidelines Section 15300.2).

Pursuant to CEQA Guidelines Section 15062, a 35-day statute of limitations for this CEQA exemption shall apply from the date a Notice of Exemption is posted with the San Diego County Clerk, or a 180-day statute of limitations for this CEQA exemption shall apply if no Notice of Exemption is filed.

The proposed project complies with Section 87 of the Port Act, which allows for the construction, reconstruction, repair, maintenance, and operation of public buildings, public assembly and meeting places, convention centers, parks, playgrounds, bathhouses and bathing facilities, recreation and fishing piers, public recreation facilities, including, but not limited to, public golf courses, and for all works, buildings, facilities, utilities, structures, and appliances incidental, necessary, or convenient for the promotion and accommodation of any of those uses. The Port Act was enacted by the California Legislature and is consistent with the Public Trust Doctrine. Consequently, the proposed project is consistent with the Public Trust Doctrine.

## **CALIFORNIA COASTAL ACT**

### **PORT MASTER PLAN**

The portions of the proposed project located within the Coastal Development Permit (CDP) jurisdiction of the District are located within Planning District 3, Centre City Embarcadero, which is delineated on Precise Plan Map Figure 11 and Planning District 6, Coronado Bayfront, which is delineated on Precise Plan Map Figure 17 of the certified Port Master Plan. The Port Master Plan land use designations within the limits of this portion of the proposed project are Commercial Recreation, Park/Plaza, Promenade, and Street. The proposed project conforms to the certified Port Master Plan because it is a temporary event that would draw the public to the San Diego Bay thereby encouraging recreational opportunities and promoting public access along the waterfront.

### **CATEGORICAL DETERMINATION**

The above project proposes a temporary event that would not involve the removal of mature, scenic trees or have any permanent effects on the environment. This proposed project is consistent with the existing certified land use designations and is Categorically Excluded under Section 8.d (5) of the District's *Coastal Development Permit Regulations*, as follows:

- 8.d. Minor Alterations to Land: Minor public or private alterations in the condition of land, water, and/or vegetation which do not involve the removal of mature, scenic trees, including but not limited to:
- (5) Minor temporary uses of land and water having negligible or no permanent effects on the environment, including festivals, boating activities, parades, and running or bicycling events.

For the portion of the proposed project located outside of the District's CDP jurisdiction, additional approvals may be required from other agencies.

Pursuant to California Coastal Act Section 30717, there is a 10-working-day period to appeal this "Coastal Act Categorical Determination of Exclusion" to the California Coastal Commission.
