Project Title: Environmental Investigation Services
Project Location – Specific: San Diego, Coronado, National City, Chula Vista, and Imperial Beach, California
Project Location – City: San Diego, Coronado, National City, Chula Vista, and Imperial Beach, California
Project Location – County: San Diego County

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is agreement between the San Diego Unified Port District (District) and Kleinfelder, Inc., Ninyo & Moore Geotechnical & Environmental Sciences Consultants, and Wood Environment & Infrastructure Solutions, Inc. to provide on-call environmental investigation services to address environmental impairments related to pollution, sediment contamination, and hazardous materials in and around San Diego Bay. Consulting services are needed to complete major maintenance, capital improvement, environmental compliance projects, and to comply with regulatory requirements. Routine tasks under this agreement may include but are not limited to: investigations or corrective action work plans for soil, sediment or groundwater, at areas undergoing redevelopments, or under a regulatory order; investigations of public works and General Services project locations where the presence of subsurface contamination requires special conditions or alterations to projects to avoid delays and change-orders; baseline condition studies of properties for real estate acquisition or new leases; historical leasehold assessments based on prior use, development, and activities; tenant exit audits relating to lease terminations; storm water pollution impact and mitigation studies to address pollutants loading and water quality impairments; and assistance on, and oversight of, tenant-led environmental projects.

☐ Statutory Exemption. State code number:

Reason why project is exempt: The proposed project is determined to be Categorically Exempt pursuant to the CEQA Guidelines and the Sections of the District’s Guidelines for Compliance with CEQA as identified above. These are appropriate for the proposed project because it would involve no expansion of use beyond that previously existing and would not result in a significant cumulative impact due to the continuation of the existing use, would result in no permanent effects on the environment, would not involve the removal of mature, scenic trees, would be for the purpose of basic data collection and resource evaluation activities which would not result in a serious or major disturbance to an environmental resource, and would include actions taken by regulatory
agencies where the regulatory process involves procedures for protection of the environment. Sections 3.a (1), 3.d., 3.f., and 3.g. of the District’s CEQA Guidelines are as follows:

3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing.

AND/OR

3.d. Minor Alterations to Land (SG § 15304) (Class 4): Includes minor alterations in the condition of land, water and/or vegetation not involving removal of mature, scenic trees.

AND/OR

3.f. Information Collection (SG § 15306) (Class 6): Includes basic data collection, research, experimental management, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource. These may be for information gathering purposes, or as part of a study leading to an action which has not yet been approved, adopted or funded.

AND/OR

3.h. Actions by Regulatory Agency for Protection of the Environment (SG § 15308) (Class 8): Includes actions taken by regulatory agencies to assure the maintenance, restoration, enhancement, or protection of the environment where the regulatory process involves procedures for protection of the environment. Construction activities and relaxation of standards allowing environmental degradation are not included in this exemption.
