Project: Fence Replacement by San Diego Yacht Club at Shelter Island
Location: 1011 Anchorage Lane, San Diego, CA 92106
Parcel No.: 002-014
Project No.: 2020-084
Applicant: Brian Carlson, General Manager, San Diego Yacht Club, 1011 Anchorage Lane, San Diego, CA 92106
Date Approved: August 31, 2020

PROJECT DESCRIPTION

The proposed project would involve the replacement of an existing fence by San Diego Yacht Club (Applicant) in the City of San Diego, California. Work to specifically complete the proposed project would involve in-kind replacement of approximately 40 linear feet of eight (8)-foot tall galvanized chain-link fence. The new galvanized chain link fence will run approximately in the same location and direction along the marina’s northerly property line from the top of the earth and rock embankment down the slope, level off with the top extended above the water area, and terminate at the nearest edge of the marina’s northernmost dock fingers. Construction of the proposed project is anticipated to occur in September 2020 and would take approximately one (1) week to complete.

Due to its nature and limited scope, construction of the proposed project would generate a minor amount of vehicle trips and would require limited use of equipment. Therefore, significant impacts related to air quality, greenhouse gas emissions, and transportation and traffic are not anticipated to occur. Furthermore, the Applicant would be responsible for complying with all applicable federal, state, and local laws regarding construction demolition debris, hazards and hazardous materials, and stormwater.

The following categorical determinations are based on the project submittal and all project information known to the District as of the date of this determination.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

CATEGORICAL DETERMINATION

Categorical Exemptions: SG §15301, Class 1/Section 3.a: Existing Facilities; and SG §15302, Class 2/Section 3.b: Replacement or Reconstruction

3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing.

AND/OR

3.b. Replacement or Reconstruction (SG § 15302) (Class 2): Includes replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site and will have substantially the same purpose and capacity as the structure being replaced.

The proposed project is determined to be Categorically Exempt pursuant to the CEQA Guidelines and the Sections of the District’s Guidelines for Compliance with CEQA as identified above. These are appropriate for the proposed project because it consists of in-kind replacement of an existing chain-link fence and would involve no expansion of use beyond that previously existing, would not result in a significant cumulative impact due to the continuation of the existing use, would consist of the replacement of an existing facility, would be located on the same site as the structure replaced, and would have substantially the same purpose and capacity. The District has determined none of the six exceptions to the use of a categorical exemption apply to this project (CEQA Guidelines Section
Pursuant to CEQA Guidelines Section 15062, a 35-day statute of limitations for this CEQA exemption shall apply from the date a Notice of Exemption is posted with the San Diego County Clerk, or a 180-day statute of limitations for this CEQA exemption shall apply if no Notice of Exemption is filed.

**CALIFORNIA COASTAL ACT**

**PORT MASTER PLAN CONSISTENCY**

Planning District: 1 - Shelter Island/La Playa (Precise Plan Figure 4)

Land and Water Use Designations: Commercial Recreation; and Recreational Boat Berthing

The proposed project conforms to the certified Port Master Plan because it consists of in-kind replacement of an existing chain-link fence, consistent with the existing certified Land and Water use designations. The proposed project would not change the use of the site nor would it interrupt or expand the existing conforming use of the site.

**CATEGORICAL DETERMINATION**

Categorical Exclusions: Section 8.a: Existing Facilities; and Section 8.b: Replacement or Reconstruction

8.a. **Existing Facilities**: The operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing.

AND/OR

8.b. **Replacement or Reconstruction**: Replacement or reconstruction of existing structures and facilities where the new structure will be located essentially on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.

The proposed project is determined to be Categorically Excluded pursuant to the Sections of the District’s *Coastal Development Permit Regulations* as identified above. These are appropriate for the proposed project because it consists of in-kind replacement of an existing chain-link fence, would involve no expansion of use beyond that previously existing, would be located essentially on the same site as the structure replaced, and would have substantially the same purpose and capacity as the structure replaced.

Pursuant to California Coastal Act Section 30717, there is a 10-working-day period to appeal this “Coastal Act Categorical Determination of Exclusion” to the California Coastal Commission.
CALIFORNIA PUBLIC TRUST DOCTRINE

The proposed project complies with Section 87.(a)(6) of the Port Act, which allows for the establishment, improvement, and conduct of small boat harbors, marinas, aquatic playgrounds, and similar recreational facilities, and for the construction, reconstruction, repair, maintenance, and operation of all works, buildings, facilities, utilities, structures, and appliances incidental, necessary, or convenient for the promotion and accommodation of any of those uses, including, but not limited to, snack bars, cafes, restaurants, motels, launching ramps, and hoists, storage sheds, boat repair facilities with cranes and marine ways, administration buildings, public restrooms, bait and tackle shops, chandleries, boat sales establishments, service stations and fuel docks, yacht club buildings, parking areas, roadways, pedestrian ways, and landscaped areas. The Port Act was enacted by the California Legislature and is consistent with the Public Trust Doctrine. Consequently, the proposed project is consistent with the Public Trust Doctrine.
