Project Title: Lease Amendments for Charter Vessel Operations at Various Marinas
 Project Applicant: Greg Boeh, Pier 32 Marina, 3201 Marina Way, Suite 206, National City, CA 91950, (619) 688-9217; Greg Boeh, Point Loma Marina, 4980 North Harbor Drive #101, San Diego, CA 92106, (619) 688-9217
 Project Location - Specific: Pier 32 Marina, 3201 Marina Way, Suite 206, National City, CA 91950 Point Loma Marina, 4980 North Harbor Drive #101, San Diego, CA 92106

Project location – City: National City; San Diego Project Location – County: San Diego

**Description of Nature, Purpose, and Beneficiaries of Project**: In May 2021, the District amended Port Code Section 4.37 (Charter Vessel Operations) to formalize a licensure process and limit the ability of charter vessels to use public docks. The proposed project is for lease amendments at Point Loma Marina in San Diego, California and Pier 32 Marina in National City, California. A Coastal Act Categorical Determination of Exclusion (Project No. 2021-109) was issued previously on September 22, 2021 for five marinas: the Sheraton San Diego Hotel and Marina, Safe Harbor Sunroad, Safe Harbor Cabrillo Isle, Shelter Cove Marina, and Marina Cortez. The lease amendments from Project No. 2021-109 have been completed. The proposed project contains the same scope and would authorize similar lease amendments for the Pier 32 Marina and Point Loma Marina as the previously approved Project No. 2021-109.

The existing leases for Pier 32 Marina and Point Loma Marina currently allow for charter uses, consistent with the intent of Port Code Section 4.37, but each currently has a maximum allowed number of charter vessels that may operate out of each marina. The lease amendments would: remove these maximums to make the charter provision in each lease consistent with the charter provision in other existing marina leases; make the leases consistent with current and historic charter practices; and, be in conformance with Port Code Section 4.37 (Charter Vessel Operations). Port Code Section 4.37 (Charter Vessel Operations) was adopted to ensure that charters were licensed, and to ensure that charter vessels did not over-utilize public docks, therefore maintaining availability of public docks for public use. These lease changes would allow charters to continue to utilize marina docks, thus implementing the purposes of Section 4.37 and preserving public docks for public use. No new physical development, construction, or increase in the size of the properties is proposed or authorized as part of the lease amendments. Additionally, no changes to the term or any other provisions of the lease are proposed.
