Project Location – Specific: Ruocco Park, 585 Harbor Lane, San Diego, CA 92101
Project location – City: San Diego
Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is the annual San Diego Granfondo Bike Ride held by the Life Sports Foundation (Applicant) in the Spring in the city of San Diego, California. The proposed project is a one-day event with three (3) different bike ride routes, including the Piccolo, Medio and Granfondo Routes (35, 60, and 100 miles, respectively). The bike ride is to begin and end at Ruocco Park, and all event participants shall adhere to the rules of the road while riding. Event registration, water, and mechanical assistance will be available to event participants at Ruocco Park and along the bike routes. The bicyclists would depart in waves from Ruocco Park, with the three (3) routes running south along Harbor Drive, east towards Alpine, southwest towards Chula Vista, and returning along the Bayshore Bikeway towards the finish line. The event is anticipated to have approximately 1,200 attendees, and one (1) additional day is required for event set-up and breakdown. The awards ceremony following the bike ride would be held at Ruocco Park, and refreshments would be provided to the event participants and spectators. All event staging would be limited to Ruocco Park, and the public promenade shall not be blocked at any time. Parking would be available at nearby parking facilities and surface streets.

The three (3) bike ride routes include areas outside of the District's jurisdictional boundary. For the portion of the project in the District's jurisdiction, the event, as well as event set-up and breakdown, would be limited to the weekend, and there would be no road closures as a result of the proposed project.
