Project Title: Cleat Repairs by San Diego Unified Port District at B Street Cruise Ship Terminal

Project Location – Specific: 1140 N Harbor Dr, San Diego, CA 92101

Project location – City: San Diego

Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project would involve cleat repairs at B Street Pier by the San Diego Unified Port District (District) in the city of San Diego, California. Work to specifically complete the proposed project would involve the demolition and disposal of two (2) broken cleats located at the South and West ends of B Street Pier. The cleats would be replaced with two (2) new T-head bollards which would be installed by drilling holes (approximately 2-feet in depth) into the concrete to set the new anchor bolts in place. The anchor bolts would be cut to the appropriate length and set with high-strength epoxy adhesive. Once the anchor bolts and T-head bollards are in place, concrete dry pack would fill the bollard cavity and drilling holes from the anchor bolts. The new T-head bollards would be painted to match the existing.

Construction of the proposed project is anticipated to occur in approximately September 2023 and would take approximately 1-2 weeks to complete with ongoing maintenance as needed. Workers would require the temporary use of approximately one (1) parking stall to gain access to B Street Pier during construction, and there would be no impacts to cruise ship terminal operations.

Name of Public Agency Approving Project: San Diego Unified Port District (SDUPD)

Name of Person or Agency Carrying Out Project: Jesus Puebla, Capital Project Manager, Department of Engineering Construction, San Diego Unified Port District, 3165 Pacific Hwy, San Diego, California 92101; (619) 686-7208

Exempt Status: (Check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemptions: Existing Facilities (SG § 15301) (Class 1) and Replacement or Reconstruction (SG § 15302) (Class 2)**
- Statutory Exemption. State code number:

Reason Why Project is Exempt: The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Sections 15301 (Existing Facilities) and 15302 (Replacement or Reconstruction) and Sections 3.a.(1) and 3.b.(2) of the District's Guidelines for Compliance with CEQA because it would involve the repair and replacement of existing mooring facilities involving no expansion of use beyond that previously existing. Sections 3.a.(1) and 3.b.(2) of the District's CEQA Guidelines are as follows:

- 3.a. **Existing Facilities (SG § 15301) (Class 1):** Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including, but not limited to:

- (1) Repair, maintenance or minor alteration of existing mooring facilities, floats, piers, piles, wharves, bulkhead, revetment, buoys, or similar structures; marine terminal facilities; airport facilities; and commercial industrial, or recreational facilities.

AND/OR

- 3.b. Replacement or Reconstruction: Includes replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site and will have substantially the same purpose and capacity as the structure being replaced.
- (2) Replacement or reconstruction of marine terminal facilities, and marine-oriented commercial industrial, and public and commercial recreational facilities, including buildings, piers, piles, wharves, marine ways; railroads; airport facilities, runways, taxiways, aprons, and ancillary structures to those facilities; electrical and mechanical systems and equipment; where the new structure will be on essentially the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.
