Project Title: American Society of Hematology Foundation 5K/3K

Project Applicant: Andrew Elliott, Race Director, American Society of Hematology, 2021 L Street NW, Suite 900, Washington, DC 20036; (770) 533-3706

Project Location – Specific: Fifth Avenue Landing, 600 Convention Way, San Diego, CA 92101

Project location – City: San Diego

Project Location – County: *San Diego*

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is a 5K/3K run/walk event by the American Society of Hematology (ASH) Foundation (Applicant) in the city of San Diego, California. A Coastal Act Categorical Determination of Exclusion (Project No. 2023-116) was issued previously for the event on September 14, 2023. This amendment is necessary to update details associated with event staging, number of participants, and the turnaround location for the 5k. The proposed event is in coordination with the ASH Foundation's Annual Conference which takes place at the Hilton San Diego Bayfront Hotel. All event participants would begin and finish the race at Fifth Avenue Landing. Runners and walkers participating in the 5K would run north along the South Embarcadero promenade, pass through Embarcadero Marina Park North, continue north along the promenade, turn around at the U.S.S. San Diego Memorial, and finish the race by looping back along the promenade towards Fifth Avenue Landing. Similarly, the 3K route would run north along the South Embarcadero promenade, run around Embarcadero Marina Park North, and turn around towards Fifth Avenue Landing by crossing the pedestrian walk at Kettner Boulevard and following the South Embarcadero promenade south towards the finish line. There would be event security present at Kettner Boulevard to help runners/walkers safely cross the street and direct cars arriving and leaving the Embarcadero Marina Park North parking lot.

The proposed event, including set-up and breakdown, has a duration of approximately one-day and would take place in December. The 5K/3K is scheduled to occur in the early morning, and all runners/walkers are anticipated to complete the run/walk no later than approximately 9:00 a.m. The event attendance is anticipated to be approximately 2,000 people. Signage shall be placed near the start and finish line as well as along the South Embarcadero promenade to notify members of public a minimum of 72 hours in advance of the event. Temporary Course Way Finder signage and traffic cones would be installed in Embarcadero Marina Park North to direct runners and walkers during the event. During the event, the promenade shall remain open and available for public use, and no event staging shall be permitted on the promenade. Event staging would be located within the Fifth Avenue Landing Park and all staging activity would be consistent with the San Diego Unified Port District's Master Special Events Permit for the Fifth Avenue Landing, which was analyzed in a Coastal Act Categorical Determination of Exclusion (Project No. 2019-009a) issued on May 26, 2022. Parking for event participants would be available at the Convention Center Public Parking Garage (underground at the Convention Center) and the Bayfront Public Parking Garage (adjacent to Hilton Bayfront Hotel). No parking spaces are required for event staging.
