

PORT of SAN DIEGO

This document shows the evolution from the certified Port Master Plan through each draft of the PMPU of certain policies, improvements, and standards that address some of the most commented topics during the PMPU process.

Please note that this document only includes standards that have been revised since a previous draft, and the Final Draft PMPU column also shows revisions from the Draft PMPU in track changes.

Location/Area of Interest	Current Port Master Plan	Discussion Draft	Revised Draft	Draft PMPU	Final Draft PMPU
SHELTER ISLAND - PD 1					
Hotel Rooms	<p><u>Development Guidelines for Shelter Island Planning District</u></p> <p>"Potential hotel development up to 130 rooms at the former Westy's Lumber Yard site is proposed at the same height and scale as the two existing hotels adjacent to the site, an additional 80 hotel rooms or other commercial uses may be developed on the existing Chevron gas station lot."</p>	<p>Total New Hotel Rooms Proposed in Shelter Island: 1600</p> <p>WSI: 1300 ESI: 300</p> <p><u>West Shelter Island Subdistrict</u></p> <p>"PD 1.25: Allow for new hotel rooms with associate retail, restaurant, and/or meeting space at existing hotel facilities and new hotel development in the commercial Recreation land use designation along Shelter Island Drive."</p> <p>"PD1.26: Allow for a mix of commercial uses within the Commercial Recreation land use designation along Shelter Island Drive."</p> <p><i>Appealable Projects – West Shelter Island Subdistrict – Overnight Accommodations:</i> "Up to 1,300 net new hotel rooms with associated visitor-serving retail, restaurant and/or meeting space."</p> <p><u>East Shelter Island Subdistrict</u></p> <p>"PD1.64: Allow for new hotel development with associated mix of commercial uses within the Commercial Recreation land use designations along shelter Island Drive and Harbor Drive."</p> <p><i>Appealable Projects – East Shelter Island Subdistrict – Overnight Accommodations:</i> "Up to 300 net new hotel rooms with up to 6,000 net new square feet of associated meeting space."</p>	<p>Total New Hotel Rooms Proposed in Shelter Island: 0</p> <p><u>West Shelter Island Subdistrict (Visitor-Serving Commercial Uses Planned Improvements – Overnight Accommodations)</u></p> <p>"Modify, or replace in-kind, existing hotel rooms, including associated retail, restaurant and/or meeting space, with the same or lesser size and in the same general footprint along Shelter Island Drive (Island Segment)."</p> <p style="padding-left: 40px;">"No new hotel rooms are planned or allowed."</p> <p><u>East Shelter Island Subdistrict (Visitor-Serving Commercial Uses Planned Improvements – Overnight Accommodations)</u></p> <p>"Modify, or replace in-kind, existing hotel rooms, including associated retail, restaurant and/or meeting space, to the same or lesser size, and in the same general footprint along Shelter Island Drive."</p> <p>"No new hotel rooms are planned or allowed."</p>	<p>Total New Hotel Rooms Proposed in Shelter Island: 0</p> <p><u>West Shelter Island Subdistrict</u></p> <p><i>(Visitor-Serving Commercial Uses Planned Improvements – Overnight Accommodations)</i></p> <p>PD1.30 Modify, or replace in-kind, existing hotel rooms, including associated retail, restaurant and/or meeting space to the same or lesser size and in the same general footprint along Shelter Island Drive (Island Segment).</p> <p>PD1.31 No new hotel rooms are planned or allowed.</p> <p><u>East Shelter Island Subdistrict</u></p> <p><i>(Visitor-Serving Commercial Uses Planned Improvements – Overnight Accommodations)</i></p> <p>PD1.52 Modify, or replace in-kind, existing hotel rooms, including associated retail, restaurant and/or meeting space, to the same or lesser size, and in the same general footprint along Shelter Island Drive.</p> <p>PD1.53 No new hotel rooms are planned or allowed.</p>	<p>Total New Hotel Rooms Proposed in Shelter Island: 0</p> <p><u>West Shelter Island Subdistrict</u></p> <p><i>(Visitor-Serving Commercial Uses Planned Improvements – Overnight Accommodations)</i></p> <p>PD1.31 No new hotel rooms are planned-or-allowed.</p> <p><u>East Shelter Island Subdistrict</u></p> <p><i>(Visitor-Serving Commercial Uses Planned Improvements – Overnight Accommodations)</i></p> <p>PD1.53 No new hotel rooms are planned-or-allowed.</p>
Building Heights	<p><u>Development Guidelines for Shelter Island Planning District</u></p> <p>"The height of all buildings, except for the triangle-shaped area located on the north side of North Harbor Drive in subarea 15, is limited to 41 feet above mean lower low water (approximately 26 feet above ground level)."</p>	<p><u>Shelter Island Planning District</u></p> <p>"PD1.8: Building height should be compatible, but does not need to be in conformance, with adjacent jurisdiction standards."</p>	<p><u>West Shelter Island Subdistrict (Building Standards – Structure Height)</u></p> <p>"Structures shall not exceed 30 feet in height."</p> <p><u>East Shelter Island Subdistrict (Building Standards – Structure Height)</u></p> <p>"Structures shall not exceed 30 feet in height."</p>	<p><u>West Shelter Island Subdistrict (Building Standards – Structure Height)</u></p> <p>PD1.36 Structures shall not exceed 30 feet in height.</p> <p><u>East Shelter Island Subdistrict (Building Standards – Structure Height)</u></p> <p>PD1.60 Structures shall not exceed 30 feet in height.</p>	<p><u>West Shelter Island Subdistrict (Building Standards – Structure Height)</u></p> <p>PD1.36 New structures shall not exceed 30 feet in height. <u>Structures that exceed 30 feet in height and are existing as of the certification of this Plan, may maintain their structure heights.</u></p> <p><u>East Shelter Island Subdistrict (Building Standards – Structure Height)</u></p> <p>PD1.60 New structures shall not exceed 30 feet in height. <u>Structures that exceed 30 feet in height and are existing as of the certification of this Plan, may maintain their structure heights.</u></p>

Location/Area of Interest	Current Port Master Plan	Discussion Draft	Revised Draft	Draft PMPU	Final Draft PMPU
La Playa Piers	<p><u>Appendix C – Modifications: Shelter Island – Planning District 1. La Playa/Kellogg Beach Area Private Piers</u></p> <p>"The Board of Port Commissioners shall not renew the existing leases on the five privately owned piers in the La Playa and adjacent Kellogg Beach areas that extend out from the tidelands into the yacht Basin near Shelter Island. At the termination of the existing leases in 1986 the Board of Port Commissioners shall either: a) make the piers available for public use; or b) cause them to be removed. Any piers retained which create a severe impediment to lateral shoreline access shall be modified to correct this situation. Signs indicating availability for public use shall be posted on any piers retained."</p>	<p><u>Specific Area Standards: La Playa Piers</u></p> <p>"PD1.31: Except for the La Playa Yacht Club Pier, all piers and docks in this West Shelter Island subdistrict that are private residential or quasi-private residential shall be removed within two years of certification of this Port Master Plan."</p>	<p><u>West Shelter Island Subdistrict</u> (<i>Special Allowances – La Playa Piers</i>)</p> <p>"Four existing piers shall be maintained and coverage not expanded, subject to the following requirements:</p> <ol style="list-style-type: none"> Piers shall be accessible to the public daily from sunrise to sunset and may have security gates to control access outside of required time frames for accessibility. Signs indicating availability for public use shall be clearly posted on the landward portion of the pier for all piers retained. Gangways and docks on these four piers may remain closed to the public. See Figure PD1.5 [of the Revised Draft PMPU], Major Components of a Pier." <p>"The pier at the La Playa Yacht Club may remain as its current use, in the location shown in Figure PD1.1 [of the Revised Draft PMPU], and is exempt from the requirements of PD1.1 [of the Revised Draft PMPU]."</p> <p>"No new quasi-private/quasi-public piers associated with residential properties or for residential use shall be allowed."</p> 	<p><u>West Shelter Island Subdistrict</u> (<i>Special Allowances – La Playa Piers</i>)</p> <p>PD1.1 Four existing piers shall be maintained and coverage not expanded, subject to the following requirements:</p> <ol style="list-style-type: none"> Piers shall be accessible to the public daily from sunrise to sunset, and may have security gates to control access outside of required time frames for accessibility. Signs indicating availability for public use shall be clearly posted on the landward portion of the pier for all piers retained. Gangways and docks on these four piers may remain closed to the public. See <i>Figure PD1.5, Major Components of a Pier.</i> <p>PD1.2 The pier at the La Playa Yacht club may remain as its current use, in the location shown in <i>Figure 1.1</i>, and is exempt from the requirements of PD1.1.</p> <p>PD1.3 No new quasi-private/quasi-public piers or docks associated with residential properties, or for residential use, shall be allowed.</p>	No changes from Draft PMPU.
La Playa Trail	<p><u>Beach Corridor Subarea</u></p> <p>"This planning subarea includes a narrow band of shoreline extending from the Port District jurisdictional line bordering the US Navy facility on Point Loma to Canon Street. Two small beach areas, Kellogg and La Playa beaches, are illustrated as open space on the Land and Water Use Map, and are interspersed with two yacht clubs. Limited access to the beaches is to be maintained consistent with the existing isolated and low intensity recreational use orientation, which is geared to serve the immediate neighborhood."</p>	<p><u>Specific Area Standards: La Playa Trail</u></p> <p>"PD1.35: Along La Playa Trail, allow for pedestrian amenities and public safety features." <i>This was interpreted that restrooms could be a pedestrian amenity.</i></p>	<p><u>West Shelter Island Subdistrict</u> (<i>Special Allowances – La Playa Trail</i>)</p> <p>"Maintain and improve the La Playa Trail for the benefit of public coastal access and natural resources as a natural trail subject to all of the following:</p> <ol style="list-style-type: none"> The trail shall be used for walking only; The trail surface shall be unpaved and composed of natural materials; The usable trail area shall remain as is, including a variable width and shall not be expanded; and Safety barriers of minimal design, such as post-rope, split-rail, or similar designs, may be included where necessary along the edges of the trail." <p>"If ongoing erosion makes any segment(s) of the La Playa Trail unsuitable for public use by creating health and safety risks, or if it creates the need to protect natural resources:</p> <ol style="list-style-type: none"> Maintain and restore the trail in place, and then, if necessary, relocate the trail away from the water toward the District's landward jurisdictional boundary; If shoreline restoration is necessary and it would be feasible to preserve continuous use of the trail, incorporate natural materials or nature-based shoreline adaptation strategies into the restoration and other improvements; and If the trail is relocated, ensure that it remains subject to the standards set forth under PD1.12 [of the Revised Draft PMPU]." 	<p><u>West Shelter Island Subdistrict</u> (<i>Special Allowances – La Playa Trail</i>)</p> <p>PD1.13 Maintain and improve the La Playa Trail for the benefit of public coastal access and natural resources as a natural trail subject to all of the following:</p> <ol style="list-style-type: none"> The trail shall be used for walking only; The trail surface shall be unpaved and composed of natural materials; The usable trail area shall remain as is, including a variable width and shall not be expanded bayward; and Safety barriers of minimal design, such as post-rope, split-rail, or similar designs, may be included where necessary along the edges of the trail, when and where there are hazards, as long as intermittent access to the water is still provided. <p>PD1.14 If ongoing erosion makes any segment(s) of the La Playa Trail unsuitable for public use by creating health and safety risks, or if it creates the need to protect natural resources, the following requirements shall apply:</p> <ol style="list-style-type: none"> Maintain and restore the trail in place, and then, if necessary, relocate the trail away from the water toward the District's landward jurisdictional boundary; If shoreline restoration is necessary and it would be feasible to preserve continuous use of the trail, incorporate natural materials or nature-based shoreline adaptation strategies into the restoration and other improvements; and If the trail is relocated, ensure that it remains subject to the standards set forth under PD 1.13. 	No changes from Draft PMPU.

Location/Area of Interest	Current Port Master Plan	Discussion Draft	Revised Draft	Draft PMPU	Final Draft PMPU
La Playa Trail			<p>"Preserve the La Playa Trail trailhead cultural marker, located at Talbot Street."</p> <p>"Enhance the La Playa Trail trailhead at Talbot Street, with minimal activating features, including additional seating, public art, informational and interpretive signage, and bollards, made from natural materials, to control access."</p> <p>"Prohibit restrooms from the La Playa Trail trailhead."</p> <p>"Preserve the La Playa Trail trailhead as a Scenic Vista Area, as described in PD1.33 [of the Revised Draft PMPU]."</p>	<p>PD1.15 Preserve the La Playa Trail trailhead cultural marker, located at Talbot Street.</p> <p>PD1.16 Enhance the La Playa Trail trailhead at Talbot Street, with minimal activating features, including additional seating, public art, informational and interpretive signage, and wood posts to control access, while still protecting existing public views.</p> <p>PD1.17 Prohibit restrooms from the La Playa Trail trailhead.</p> <p>PD1.18 Preserve the La Playa Trail trailhead as a Scenic Vista Area, as described in PD1.34.</p>	
Marlin Club	Not specifically identified in the current Port Master Plan.	Not specifically identified in the Discussion Draft.	<p>Site is designated as Sportfishing and Marlin Club is allowed as a primary use.</p> <p>Planning Area removed.</p>	<p>Site is designated as Sportfishing and Marlin Club would be allowed as a primary use in that designation.</p>	No changes from Draft PMPU.
Shelter Island Boat Launch Ramp and Promenade/Bike Path	<p>Promenade/bike path not identified in current Port Master Plan.</p> <p><u>Bay Corridor Subarea</u></p> <p>"A portion of the shoreline trailer-in-tow parking lot will be transformed into a waterfront park with children's playground and an open gathering area. The existing gazebo may be relocated. Redevelopment of the existing shoreline parking area will increase pedestrian access to and along the shoreline and provide passive shoreline recreational areas where none now exist. The parking lot area may be reconfigured to replace all of the existing trailer-in-tow parking spaces. All of the trailer-in-tow spaces will be retained if the parking area is reconfigured."</p> <p>"The Shelter Island Boat Launch Facilities, constructed in 1956 and upgraded in 1975, is proposed to be renovated to improve launching efficiency and maneuverability, safety, public access to the water, and public recreation on the water."</p> <p>"The renovated boat launch facility will address safety concerns related to boat maneuverability in the basin, reduce congestion and delays within the basin, reduce queuing outside of the basin, and continue to provide public access to the water. Continued heavy use of this public recreation area is anticipated for recreational boating and pedestrian access."</p>	<p>Addition of promenade and bike path through Shelter Island Boat Launch area.</p> <p>Water and Land Use Map for Shelter Island Planning District shows purple line (see legend which indicates this is a walkway) that traces near the Shelter Island Boat Launch Ramp.</p>	<p>Addition of promenade and bike path from Discussion Draft is also in Revised Draft PMPU, but maps have been updated to show promenade and bike path go behind the chandlery near the Boat Launch.</p> <p><u>West Shelter Island Subdistrict</u></p> <p>(Building Standards – Parking)</p> <p>"Provide parking for the general public as follows:</p> <ol style="list-style-type: none"> The location and configuration of existing parking areas may be modified if an equivalent amount of public parking is provided, subject to the requirements of the Mobility Element. The parking lot directly adjacent to the Shelter Island Boat Launch should provide convenient parking for boat trailers and others using the launch as an access point into the Bay. Diagonal on-street parking is not allowed when it conflicts with ingress to/egress from the Shelter Island Boat Launch." 	<p>Draft PMPU revised waterside promenade route around the Shelter Island Boat Launch and added walkway (non-waterside).</p> <p><u>West Shelter Island Subdistrict</u></p> <p>(Building Standards – Parking)</p> <p>PD1.37 Provide parking for the general public as follows:</p> <ol style="list-style-type: none"> The location and configuration of existing parking areas may be modified if an equivalent amount of public parking is provided through a mobility hub, on-street parking, or a combination, subject to the requirements of the Mobility Element. There will be no net loss of parking spaces in the parking lot directly adjacent to the Shelter Island Boat Launch, which provides convenient parking for boat trailers and others using the launch as an access point into the Bay. Diagonal on-street parking is not allowed when it conflicts with ingress to/egress from the Shelter Island Boat Launch. 	No changes from Draft PMPU.

Location/Area of Interest	Current Port Master Plan	Discussion Draft	Revised Draft	Draft PMPU	Final Draft PMPU
<p>Commercial Fishing Berthing Requirements</p>	<p><u>Section III – Master Plan Interpretation (Commercial)</u></p> <p>"The Commercial Fishing area is intended to meet the needs of the bona fide commercial fishing fleet for: marinas, berthing and moorings, net mending and the minor repair of fishing equipment; the loading of stores and provisions; fish unloading and transshipment; and fresh fish market operations involving restaurants, retail and wholesale operations, including some limited accessory fresh fish processing activities that are not associated with visual, odor and water pollution."</p> <p>"Berthing areas exclusively set aside for the market fishing boats, including baitboats, need to be: protected from wave and wake action, be accessible over low rise piers or floats; located within convenient proximity to fuel and ice supply; provided with dockside fresh water, electricity, trash containers, gear working areas, unloading areas, and hoist; supported with shoreside facilities for marina management, restrooms, equipment storage facilities, pumpout and disposal facilities for waste oil, and automobile parking and gated and lighted for security."</p> <p><u>America's Cup Harbor Subarea</u></p> <p>"Approximately 1,000 linear feet of rock revetment is to be placed on the shoreline of the Commercial Fishing Marina in order to protect the adjacent parking lot, prevent shoaling of the adjacent commercial fishing berthing, and to improve the appearance of the area... Tenant conducted renovation of the commercial fishing facility is proposed."</p>	<p><u>East Shelter Island Subdistrict:</u></p> <p>"PD1.62: Any non-commercial fishing vessel may temporarily berth in a Commercial Fishing Berthing water use designation subject to termination upon 72-hour notice when a commercial fishing vessel desires to berth and there is otherwise not available capacity."</p>	<p><i>At a baywide level, Commercial Fishing Land and Water Use designations will have the same rules or regulations in all planning districts.</i></p> <p><u>Water and Land Use Element</u></p> <p><i>Reference Allowable Use Types for Water Use Designations table for allowable primary and secondary uses within Commercial Fishing Water Use Designations</i></p> <p>"Notes to Allowable Use Types Tables:</p> <p>Commercial Fishing Berthing Water Use Designation: Allowed secondary uses in the Commercial Fishing Berthing designation are limited to the following (listed in order of priority ranking): spill response services; marine towing services; aquaculture; and other coastal dependent commercial uses that do not interfere, conflict, or are not incompatible with commercial fishing operations. Allowed secondary uses are subject to the defined limitations for secondary uses, and the following provisions:</p> <ol style="list-style-type: none"> a. In addition, a termination provision shall be specified in all applicable Coastal Development Permits, California Coastal Act exclusions and/or Commercial Berthing Permits issued pursuant to the Port of San Diego Tariff. The termination provision shall state: "In the event berthing, off-loading or turn-around is required for a bona fide commercial fishing vessel, documentation of the request for termination shall be submitted to Maritime Operations, or the successor department, so that Commercial Fishing berthing and associated activities shall be accommodated on an interim and long-term basis." b. An administrative process consistent with these requirements, and established in consultation with the San Diego Fishermen's Working Group, its successor, or functional equivalent in order to ensure the maximum benefit to the Commercial Fishing industry, will be created and administered by District Maritime Operations, or the successor department, in order to set forth the details of managing and monitoring the aforementioned requests and terminations. The management process will abide by a prioritized "first-in/firstout" ranking of secondary uses that has been established based on compatibility with Commercial Fishing operations (secondary uses listed above in this ranked order). The process will also establish a conflict resolution process for addressing unanticipated issues with incompatible operations or conflicts, as well as a formal monitoring system to track the number of commercial fishing vessels seeking berthing and/or the frequency of occurrences that termination provisions for use of non-commercial fishing berthing are exercised in order to manage the issuance of Commercial Berthing Permits for secondary use berthing space; this tracking will be presented in an annual reporting of berthing activities and will be made available for public review." 	<p><i>At a baywide level, Commercial Fishing Land and Water Use designations will have the same rules or regulations in all planning districts.</i></p> <p><u>Water and Land Use Element</u></p> <p><i>Reference Table 3.1.2 Allowable Use Types for Water Use Designations table for allowable primary and secondary uses within Commercial Fishing Berthing Water Use Designations</i></p> <p>Notes to Allowable Use Types Tables:</p> <p>1. Commercial Fishing Berthing Water Use Designation: Allowed secondary uses in the Commercial Fishing Berthing designation are limited to the following (listed in order of priority ranking): spill response services; marine towing services; aquaculture; and other coastal-dependent commercial uses that do not interfere, conflict, or are not incompatible with commercial fishing operations. Allowed secondary uses are subject to the defined limitations for secondary uses, and the following provisions:</p> <ol style="list-style-type: none"> a. In addition, a termination provision shall be specified in all applicable Coastal Development Permits, California Coastal Act exclusions and/or Commercial Berthing Permits issued pursuant to the Port of San Diego Tariff. CENTRAL EMBARCADERO SUBDISTRICT – PD 3					
	<p>Commercial Fishing, Restaurant, and Park uses at G Street Mole/Tuna Harbor</p> <p style="text-align: center;">Seaport Village</p> <p>Commercial uses at Old Police Headquarters</p>	<p><i>Appealable Projects – Planning Area 4 – Overnight Accommodations: Up to 2,000 net new hotel rooms</i></p>	<p>The Revised Draft PMPU will generally reflect on-the-ground conditions for the Central Embarcadero Subdistrict.</p> <p>A separate Port Master Plan Amendment will be processed for the redevelopment of the Central Embarcadero Subdistrict independent of the PMPU process.</p> <p><u>Central Embarcadero Subdistrict</u> <i>(Commercial Fishing Facilities Planned Improvements)</i></p> <p>"The District shall allow permittees of development to modify, or replace in kind, existing commercial fishing facilities in this subdistrict provided there is no unmitigated increase in shading or fill."</p>	<p><u>Central Embarcadero Subdistrict</u> <i>(Vision)</i></p> <p>With the exception of the redevelopment of the existing restaurant of G Street Mole (currently, the Fish Market) and roadway improvements along Harbor Drive, the PMPU does not propose any new uses, development or change in intensity of development in Central Embarcadero. Rather, the continuation of the existing uses, with potential maintenance of and minor improvements to existing development, such as Seaport Village and Tuna Harbor, could be allowed under the PMPU.</p> <p>Accordingly, the proposed vision in the PMPU reflects the existing state of the Central Embarcadero. The vision for this subdistrict is to continue it as a premier Tidelands destination that provides continuous coastal access and dining and shopping attractions while honoring the area's longstanding maritime and commercial fishing legacy. The Central Embarcadero will continue to provide a mix of recreational, commercial, and commercial fishing uses along the existing 6-mile-long waterside promenade, which will continue to provide continuous coastal access with connections north to Spanish Landing Park, south toward the Working Waterfront, and a waterside promenade loop around the G Street Mole.</p> <p>Existing waterfront open spaces, such as Tuna Harbor Park, Ruocco Park, and Embarcadero Marina Park North, provide recreational opportunities and expansive views of the water. The continuation of the visitor-serving commercial uses will serve as an anchor for the Embarcadero, providing dining and shopping attractions. Pedestrian linkages from the upland areas will continue to provide access to the waterfront, making this a lively activity center for residents and visitors alike. The existing commercial fishing uses at Tuna Harbor Basin, including the fish processing facility, the marina, and the piers, will honor the long-standing maritime and commercial fishing legacy of this area and allowing opportunities for visitors to witness the commercial fishing activities firsthand. Commercial fishing uses will continue to use and maintain the existing fish unloading dock, with direct, unrestricted access to joint use of the pier/dockside facilities.</p>	<p><i>No changes from Draft PMPU.</i></p>

IMPERIAL BEACH – PD 8					
Hotel Rooms		<i>No new hotel rooms or beds proposed in this planning district.</i>	<i>No new hotel rooms proposed in this planning district.</i>	<i>No new hotel rooms proposed in this planning district.</i>	<i>No changes from Draft PMPU.</i>
Imperial Beach Pier	<p><u>Imperial Beach Municipal Pier Subarea</u></p> <p>A 150-foot wide safety zone has been established on either side of the pier to separate swimmers, surfers, and water craft from the potential hazards of submerged obstructions, collisions with pier pilings and entanglement with fishing hooks and lines. Facilities on the public pier include fish cleaning basins, fresh water, and restrooms. At the western end of the pier, a building of about 1,500 square feet floor area provides commercial space for fishing supplies, food, beverages, cold storage, and other concessions. Commercial activities are illustrated as Commercial Recreation on the plan map (Figure 25).</p> <p>Future development plans place more intensive development on the pier within close proximity of the surf line to take advantage of views of the interesting ocean dynamics. The construction of a pier saddle and platform is proposed to attract a tenant and to promote opportunities for appropriate visitor-serving commercial uses. The saddle will be constructed out over the water beyond the surf line and may require the installation of additional pier pilings. The pier saddle will offer additional public pier access around the restaurant site and access to the end of the pier will not be restricted by the saddle improvements.</p> <p>When market conditions provide justification, it is proposed to construct a restaurant of approximately 4,000 - 7,000 square feet on the saddle. Proposals for a pier saddle restaurant will be subject to additional environmental evaluation and review including assurance that functional public accessways are provided around the restaurant site on the pier saddle. Additional space may be constructed for associated retail space. Opportunities for businesses oriented to tourism and beach visitors would be given priority. Small retail merchants using pushcarts and temporary, seasonal stands might include the sale of ice cream, soft drinks, bathing and beach accessories, charcoal, souvenirs, novelties, and the rental of surfboards, beach chairs, umbrellas, and swim equipment. The Plan map indicates those areas as commercial recreation. The restaurant could encourage development of Imperial Beach's waterfront and pier area.</p>	<p><u>Imperial Beach Planning District</u></p> <p>PD8.2 Maintain a 150-foot-wide pier safety zone on either side of the pier to separate swimmers, surfers, and watercraft from the potential hazards of submerged obstructions, collisions with pier pilings, and entanglement with fishing hooks and lines.</p> <p>PD8.16 Upgrade visitor-serving uses at Imperial Beach Municipal Pier as a public destination and prominent viewing area. Upgrades may include:</p> <ol style="list-style-type: none"> Remodel of the Pier Plaza building to combine tenant spaces and upgrade amenities; Development that serves beach visitors, such as small retail merchants, seasonal stands, and recreational equipment rental along the length of the Pier; Improve the western end of Imperial Beach Municipal Pier with visitor-serving uses by providing functional public accessways as an activated commercial space including a mix of commercial uses; or Expand the Imperial Beach Municipal Pier, as needed and as feasible, to provide additional public and shoreside open space in the area. 	<p><u>Imperial Beach Planning District</u></p> <p><i>(Landside Access Planned Improvements – Imperial Beach Pier and Pier Plaza)</i></p> <p>"Modify public access to the shoreline, oceanfront, and Imperial Beach Pier to include wayfinding signage and pedestrian lighting."</p> <p>"Develop bicycle parking at the Imperial Beach Pier Plaza."</p> <p><u>Imperial Beach Planning District</u></p> <p><i>(Coastal Access Planned Improvements – Imperial Beach Pier and Pier Plaza)</i></p> <p>"Maintain contiguous coastal access along the perimeter of the pier."</p> <p>"Provide a 150-foot-wide pier safety zone in the ocean, from both sides of the pier, to separate swimmers, surfers, and watercraft from the potential hazards of submerged obstructions, collisions with pier pilings, and entanglement with fishing hooks and lines."</p> <p>"Modify the Imperial Beach Pier and Pier Plaza, and associated visitor-serving uses, as a public destination and prominent viewing area. Modifications include, but are not limited to, the following improvements:</p> <ol style="list-style-type: none"> Provide development that serves beach visitors, such as seasonal activating features and recreational equipment rental, along the length of the pier; Install overwater lighting on the pier, which shall be designed to promote environmental sensitivity (e.g., minimum necessary, shielded, directed downward, and on a sensor); and/or Expand the pier, as needed and as feasible, to provide additional public and shoreside open space in the area." 	<p><u>Imperial Beach Planning District</u></p> <p><i>(Landside Access Planned Improvements – Imperial Beach Pier and Pier Plaza)</i></p> <p>PD8.2 Modify public access to the shoreline, oceanfront, and Imperial Beach Pier to include wayfinding signage and pedestrian lighting.</p> <p>PD8.3 Develop bicycle parking at the Imperial Beach Pier Plaza.</p> <p><u>Imperial Beach Planning District</u></p> <p><i>(Coastal Access Planned Improvements – Imperial Beach Pier and Pier Plaza)</i></p> <p>PD8.7 Maintain contiguous coastal access along the perimeter of the pier.</p> <p>PD8.8 Provide a 150-foot-wide pier safety zone in the ocean, from both sides of the pier, to separate swimmers, surfers, and watercraft from the potential hazards of submerged obstructions, collisions with pier pilings, and entanglement with fishing hooks and lines.</p> <p>PD8.9 Modify the Imperial Beach Pier and Pier Plaza, and associated visitor-serving uses, as a public destination and prominent viewing area. Modifications include, but are not limited to, the following improvements:</p> <ol style="list-style-type: none"> Provide development that serves beach visitors, such as seasonal activating features and recreational equipment rental, along the length of the pier; Install overwater lighting on the pier, which shall be designed to promote environmental sensitivity (e.g., minimum necessary, shielded, directed downward, and on a sensor); and/or Expand the pier, as needed and as feasible, to provide additional public and shoreside open space in the area. 	<i>No changes from Draft PMPU.</i>
