Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is a renewal Tidelands Use and Occupancy Permit (TUOP) to Marine Spill Response Corporation (Tenant) for their continued use of approximately 600 square feet of tideland area at the Tenth Avenue Marine Terminal (TAMT) in the city of San Diego (Location A), and approximately 2,400 square feet of water area/berth space known as Slip Nos. 327 and 328, in addition to two parking spaces located at Tuna Harbor Drive Basin adjacent to G Street Mole, in the city of San Diego (Location B), and approximately 720 square feet of tideland area at the National City Marine Terminal in the city of National City (Location C). The areas proposed for use under this TUOP will be used only and exclusively for the following: Location A and Location C shall be used only and exclusively for the purpose of equipment storage used in connection with the Tenant's operations to respond to oil emergencies and for no other purpose whatsoever and Location B shall be used only and exclusively for the purpose of berthing a shallow water barge and a small boom boat and for no other purpose whatsoever. The TUOP will also authorize the Tenant to be designated two parking spaces within the existing permit area located at Tuna Harbor Drive Basin adjacent to G Street Mole; no public parking spaces will be removed as part of this TUOP. In addition, the TUOP will prohibit the Tenant from storing materials and/or performing vessel repair maintenance work at the slips, floats, or docks in the water or at the parking spaces. The Tenant will be responsible for compliance with all laws and regulations associated with the activities on or in connection with the above-described premises, and in all uses thereof, including those regulating air quality and stormwater. The TUOP may be terminated by the Executive Director of District or his duly authorized representative, or Tenant, as a matter of right and without cause at any time upon the giving of thirty (30) days' notice in writing to other party of such termination.
