Project Title: Tidelands Use and Occupancy Permit to IB Rents, LLC for Operation of a Bike Rental Shop at Portwood Pier Plaza

Project Applicant: Caden Eatherton, Owner, IB Rents LLC, 1390 5th Street, Imperial Beach, CA, 91932; 619-227-7734

Project Location – Specific: 10 Evergreen Avenue, Suite D, Imperial Beach, CA, 91932

Project location – City: Imperial Beach

Project Location – County: *San Diego*

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project would involve a Tidelands Use and Occupancy Permit (TUOP) to IB Rents, LLC (Applicant) for the operation of a bicycle rental shop in Suite D at Portwood Pier Plaza in the city of Imperial Beach, California. The TUOP would allow for use of an approximately 371 square feet interior building area and an approximately 646 square feet joint-use area, and it is anticipated that the TUOP would have a total term of approximately five (5) years. The area proposed for use under this TUOP is proposed to be used only and exclusively for the operation of a bicycle rental shop, including the sale of bicycle accessories and bike repairs. Secondary use would include sale of fishing gear, surf boards, beach accessories, T-shirts, hats, and other novelty items bearing only the Applicant's business name and/or logo and for no other purpose whatsoever without the prior written consent of the Executive Director of District in each instance. The TUOP may be terminated by Executive Director of District or their duly authorized representative, or Applicant, as a matter of right and without cause at any time upon the giving of thirty (30) days' notice in writing to the other party of such termination.

The proposed project would also involve minor renovations at Suite D. Work to specifically complete the proposed project would involve the following interior improvements: removal of existing non-load bearing walls; replacement of existing plumbing, electrical, HVAC ducting, tile, counters, and sinks; repainting; repair of existing sliding doors; and relocation of existing HVAC thermostat. The only exterior improvement would be limited to the in-kind replacement of signage to match the adjacent C and E units.

Construction of the proposed project is anticipated to occur in Summer 2024 and would take approximately one (1) month to complete.

Reason Why Project is Exempt: The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (Existing Facilities) and Section 3.a.(3)(4)(11) of the District's Guidelines for Compliance with CEQA because it would involve minor renovations and a new short-term tenancy agreement which would involve no expansion of use beyond that previously existing and would not result in a significant cumulative impact due to the continuation of the existing use. Section 3.a.(3)(4)(11) of the District's CEQA Guidelines is as follows:

- 3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:
- (3) Interior and exterior remodeling or alterations, involving negligible or no expansion of use beyond that previously existing, including, but not limited to, marine terminal facilities, and marine-oriented commercial, industrial, and public and commercial recreational facilities, including buildings, piers, wharves, marine ways; railroads; airport facilities, runways, taxiways, aprons, and ancillary structures to those facilities; or mechanical systems and equipment.
 - (4) New and renewed short-term tenancy agreements which do not result in change in the existing use. This exemption does not apply to any new development associated with the activities of the tenant. This exception is also inapplicable if the cumulative impact of continuing the existing use or conditions in the same place, over time, is significant.
 - (11) Existing on and off-premise signs.
