Project Title: Conifer Tree Replacement at Chula Vista Bayfront Park
Project Applicant: Kurt Brickley, Manager, Operations & Maintenance, Guest Experiences, San Diego Unified Port District, 3165 Pacific Highway, San Diego, CA 92101; (619) 686-6378
Project Location – Specific: Chula Vista Bayfront Park, 980 Marina Way, Chula Vista, CA 91910
Project location – City: Chula Vista
Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project would involve removing and replacing three (3) Conifer trees at Chula Vista Bayfront Park in the city of Chula Vista, California. Work to complete the proposed project would involve the removal of three (3) existing Canary Island Pine trees due to the trees projecting into travel lanes posing a potential risk to vehicles. Work would also involve replanting two (2) 48-inch box *Pinus eldarica* trees and one (1) 15-gallon *Pinus nigra* tree in clusters near existing site furnishings to provide shading opportunities and reduce wind effect tropism. Both tree species proposed for replanting shall be drought-tolerant and/or water wise, non-invasive plant species, and would reflect the palette of trees and shrubs which already exist elsewhere on Tidelands.

The proposed project is anticipated to begin in approximately December 2024, with tree removal operations beginning and concluding on the same day, and with ongoing maintenance as needed. Public access shall be maintained at all times as there would be no lane/path closures or parking spaces affected during removal and replanting activities. Equipment needed to complete the proposed project would consist of a small yard tractor with drill rig attachments. Due to its nature and limited scope, the proposed project would generate a minor amount of vehicle trips and would require limited use of equipment. Therefore, impacts related to air quality, greenhouse gas emissions, and transportation and traffic are not anticipated to occur. Furthermore, the District would be responsible for complying with all applicable federal, state, and local laws regarding construction demolition debris, hazards and hazardous materials, and stormwater.

Name of Public Agency Approving Project: San Diego Unified Port District (SDUPD)

- Exempt Status:** (Check one):
- Ministerial (Sec. 21080(b)(1); 15268);
 - Declared Emergency (Sec. 21080(b)(3); 15269(a));
 - Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 - Categorical Exemption(s): Existing Facilities (SG § 15301) (Class 1)**
 - Statutory Exemption. State code number:

Reason Why Project is Exempt: The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (Existing Facilities) and Section 3.a.(12) of the District's Guidelines for Compliance with CEQA because it would consist of the removal and replanting of trees that would not involve an expansion of use beyond that previously existing. Section 3.a.(12) of the District's CEQA Guidelines is as follows:

- 3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical

features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:

(12) Maintenance of existing landscaping, native growth, and water supply reservoirs.
