Project Applicant: *Brady Farmer, President, MC Farmer Inc. DBA Devoted to Youth Foundation, 12229 Juniper Way, Poway, CA, 92064; 310-756-2471*

Project Location – Specific: 585 Harbor Lane, San Diego, CA, 92101

Project location – City: San Diego

Project Location – County: *San Diego*

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is the Brazilian Day Festival, which would take place at Ruocco Park in the City of San Diego, California in the month of September. The proposed project would consist of a paid admission cultural festival, which would include live performances, food and beverage sales, and additional vendors to fundraise for a local non-profit organization, Devoted to Youth Foundation. The festival would have a duration of one (1) day, with set-up and breakdown occurring on the same day as the event. The festival has an anticipated attendance of approximately 1,000 people. The proposed project would require the temporary use of approximately 20 parking spaces at Ruocco Park along Pacific Highway. Approximately three (3) parking spaces would be used to stage a dumpster for the event, while the remainder of spaces would be used for vendor loading in and out before and after the event, and for ride share drop-off and pick-up during the event. Signage shall be placed adjacent to the Ruocco Park parking lot on Pacific Highway to notify the public a minimum of 72 hours in advance of the event. In addition, clear signage would be installed by the Applicant to identify designated rideshare drop-off and pick-up zones. Parking for the general public and event attendees would be available at the parking lot located south-east of Ruocco Park and at nearby parking facilities and side streets. The event area within Ruocco Park would be temporarily fenced off, but the promenade surrounding the park would remain open and available for public use throughout the duration of the festival. In addition, during event set-up and breakdown, the park would remain open for public use.
