Project Title: San Diego Veterans Day Parade

Project Applicant: Laura Ozeck, Parade Producer, U.S.S. Midway Museum, 910 N Harbor Drive, San Diego, CA 92101, (858) 472-5556

Project Location – Specific: North Harbor Drive, San Diego, CA 92101

Project location – City: San Diego

Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is the annual San Diego Veterans Day Parade in the city of San Diego, California. A Coastal Act Categorical Determination of Exclusion was previously issued for the event (Project No. 2023-147), and the following project description has been updated to reflect the most current logistics of the event. The proposed project consists of a one-day parade on Veterans Day weekend and is for the purpose of celebrating military heroes. The parade would begin at the County of San Diego Administration Center (CAC), head south along North Harbor Drive, and end on Pacific Highway off District Tidelands, in between Harbor Drive and W. Broadway. The proposed project would involve the installation of temporary bleachers and portable restrooms on North Harbor Drive to allow for spectators and members of the public to enjoy the parade. The proposed event, including set-up and breakdown, has a duration of approximately two (2) days. The parade is anticipated to begin at 11:00 a.m. and end at approximately 12:30 p.m.

The proposed project would involve the temporary closure of streets during the parade, including portions of North Harbor Drive, between Grape Street and Pacific Highway, and one lane of Pacific Highway between W. Broadway and Harbor Drive. The temporary street closures would take place from approximately 8:30 a.m. to 1:00 p.m. and would be reopened on a rolling basis and when safe to do so. The Applicant would be required to coordinate with the Harbor Police Department and the City of San Diego Special Event Traffic Controller Police to ensure that ingress/egress access to Tuna Harbor is maintained for commercial fishermen for the duration of the proposed event.

The parade would be free for members of the public, and the event attendance is anticipated to be approximately 7,500 people. No food and beverage vendors would be permitted as part of the proposed project, and it is anticipated that the parade participants and spectators would have a positive impact on nearby District businesses. Event participants and spectators would be encouraged to use public transportation, and limited metered parking would be available on a first-come, first-serve basis near the CAC.
