**Project Title:** Operating Agreement with ABM Parking Services at B Street Pier Public Parking Lot

**Project Applicant:** Liza Anderson, Asset Manager, Guest Experiences, San Diego Unified Port District, 3165 Pacific Highway, San Diego, CA 92101; (619) 686-6433

**Project Location – Specific:** 1140 N Harbor Drive, San Diego, CA 92101

**Project location – City:** San Diego

**Project Location – County:** San Diego

**Description of Nature, Purpose, and Beneficiaries of Project:** The proposed project would consist of an Operating Agreement (Agreement) with ABM Industry Groups, LLC dba ABM Parking Services (Operator) for the continued operation of public parking spaces located at the B Street Pier (Pier) in San Diego, CA. The Agreement would be for the continued use of approximately 87,700 square feet of existing parking area located within the Pier referred to as the Interior Parking Lot and approximately 18,700 square feet of existing parking area located in the frontage area at the eastern end of the Pier outside of the security fence referred to as the Exterior Parking Lot, for the purpose of an automobile parking lot to serve the general public. Operator may also be allowed use of optional areas located at the west end of B Street Pier, and other available locations for additional daily parking provided such use does not interfere with scheduled District events, cruise and terminal operations. The Agreement identifies the parking fees, charges, and rates to be charged shall be those fees currently in effect at the Pier Public Parking Lot, which are in conformance with the parking rate schedule that was adopted by the District on May 9, 2023 (Ordinance No. 3090). The Agreement would not directly increase the number of vehicles or capacity at the existing parking lot.

The proposed Agreement would include Operator's replacement of two existing (2) solar-powered pay stations in the Exterior Parking Lot and installation of one (1) new solar-powered pay station in the Interior Parking Lot. The new pay station would be approximately 6 ft tall and 1.5 ft wide mounted on a 2 ft by 2 ft concrete pad, with accompanying associated contractual signage measuring approximately 10 ft tall and 2 ft wide. Operator would install an illuminated parking entrance sign with an LED digital display measuring approximately 2 ft tall by 4 ft wide to replace an existing entrance sign to the Pier Parking Lot. The illuminated display would consist of information regarding parking and cruise ship operations and shall not be used for any other purpose, including but not limited to advertising. Additionally, the illuminated display would be street facing at eastern end of the pier and would not exceed 2700 Kelvins. Additionally, appropriate parking signage would be installed throughout the parking area to replace existing signage subject to review and approval by the District. The Operating Agreement shall be used only and exclusively for the continued operation of an attended automobile parking lot and for no other purpose whatsoever. Operator shall make no changes or alterations in the Interior and/or Exterior Parking Lot, nor make, erect, or install any buildings, structures, signs, machines, or other improvements therein without the prior express written consent of the District. The Executive Director of District or their duly authorized representative have authority to determine adequate hours and days of operations necessary for the operation to best serve the needs of the District.

It is anticipated that the Agreement would have a total term of five (5) years. The Agreements may be terminated by the District giving ninety (90) days' notice in writing to the Operator.

**Name of Public Agency Approving Project:** San Diego Unified Port District (SDUPD)

- Exempt Status:** (Check one):
- ☐ Ministerial (Sec. 21080(b)(1); 15268);
  - ☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
  - ☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
  - ☒ **Categorical Exemption(s): Existing Facilities (SG § 15301) (Class 1), Replacement or Reconstruction (SG § 15302) (Class 2), and Accessory Structures (SG § 15311) (Class 11)**
  - ☐ Statutory Exemption. State code number:

**Reason Why Project is Exempt:** The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (Existing Facilities), 15302 (Replacement or Reconstruction) and 15311 (Accessory Structures) and Section 3.a.(4), 3.b.(2), and 3.i.(3) of the District's Guidelines for Compliance with CEQA because it is an Operating Agreement for an existing parking area that would involve no expansion of use beyond that previously existing and would not result in a significant cumulative impact due to the continuation of the existing use. The project would also consist of the replacement of an existing structure, be located on the same site as the structure replaced and have substantially the same purpose and capacity and result in no permanent effects on the environment. 3.a.(4), 3.b.(2), and 3.i.(3) of the District's CEQA Guidelines is as follows:

- 3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing.
- (4) New and renewed short-term tenancy agreements, which do not result in change in the existing use. This exemption does not apply to any new development associated with the activities of the tenant. This exception is also inapplicable if the cumulative impact of continuing the existing use or conditions in the same place, over time, is significant.

AND/OR

- 3.b. Replacement or Reconstruction (SG § 15302) (Class 2): Includes replacement or reconstruction if existing structures and facilities where the new structure will be located on the same site and will have substantially the same purpose and capacity as the structure being replaced. This exemption includes, but is not limited to:
- (2) Replacement or reconstruction of marine terminal facilities, and marine-oriented commercial, industrial, and public and commercial recreational facilities, including buildings, piers, piles, wharves, marine ways; railroads; airport facilities, runways, taxiways, aprons, and ancillary structures to those facilities; electrical and mechanical systems and equipment; where the new structure will be on essentially the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.

AND/OR

- 3.i. Accessory Structures (SG § 15311) (Class 11): Includes construction, or placement of minor structures accessory to (appurtenant to) existing facilities, including:
- (3) On-premise signs.
