Project Title: B Street Pier Shore Power Project Addendum

Project Applicant: Jesus Puebla, Project Manager, San Diego Unified Port District, 3165 Pacific Highway

Project Location (include county): B Street Pier, North Harbor Drive, San Diego, CA 92132

Project Description:

The District proposes to install an alternative shore power connection point on the eastern end of the southern berth of the B Street Pier Cruise Ship Terminal. The proposed project would enable vessels with starboard connections to access shore power while docked at the south berth of B Street Pier. Construction is proposed to begin approximately Fall 2024 and occur over the course of four months.

This is to advise that the San Diego Unified Port District has approved the above (Lead Agency or Responsible Agency)

described project on 9/10/2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was not adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
