9	anonymous	It's strange to see the Port of San Diego collaborating with a community they pollute daily. I would like to see recognition of that and a change in your practices. Otherwise it feels like a PR campaign to portray positive relationships with a community you harm.
10	anonymous	Inclusivity and affordability when it comes to this community first.
11	anonymous	Parking
12	anonymous	More parking
13	anonymous	No

19	anonymous	Nos gustaría seguir teniendo la oportunidad de estar practicando y los juegos de soccer de los niños
20	anonymous	Accessability for disabled community members. Transportation is important, making it free to those who would otherwise not have access to the port should be prioritized.
