ID ↑	Name	Responses
1	anonymous	Food fest
2	anonymous	Multi-Cultural event so it's inclusive of everyone!
3	anonymous	Please balance the Port sponsored events with NO events in the park. Most of the park days should be reserved for peace and quiet and appreciation of nature, NOT loud music and PA systems blasting music and announcements.
4	anonymous	More live music concerts. Multi genre. Multi cultural.
5	anonymous	Parking areas need to be extended. There is literally no parking. Who patrols the Bayfront? Harbor PD or CVPD?
6	anonymous	I'm new to CV and am unaware of a great deal of what has taken place in the past.
7	anonymous	Law enforcement or fire department participation
8	anonymous	Possibly an area where a couple of Lowriders could be on display.
9	anonymous	Women military.
10	anonymous	Should have speakers from Kumeyaay Nation and Living Coast Discovery Center, Polynesian dancers Folklorico group and Japanese school dancers.
11	anonymous	Concerts in the park
12	anonymous	Comedy events
13	anonymous	Hard to pick only 3. Hate to waste a pick on transportation or "kids activities", when transportation is important for all and should be included, no matter what type of festival...and ways for children to be included can be done lot for a lot of the different activities.
14	anonymous	Combining some of the activity choices (I.e., musical activities along with vendor activities). Promoting the activities to specific groups/audiences (I.e., seniors, school students, etc.)

15	anonymous	Ensure people from Senior Centers are invited So participate/volunteer, including transportation
16	anonymous	Organization events
17	anonymous	None
18	anonymous	I would like to see events focused on: maritime: history, jobs, stewardship, low impact enjoyment, art and music
19	anonymous	Dance, theater, music. Moe than anything dance, dance, dance!
20	anonymous	We need fun stuff in our community that will bring people from other places . Just like the events in DT SD. Security is important too. Since the hotel that they are building is going to be first class we need to do great things around it. Give local vendors the opportunity to be there at the event. We have tons. Can't wait.
21	anonymous	Youth events
22	anonymous	Pop up shops
23	anonymous	Allow good public art. Add permanent labyrinth n meditation spaces. Taichi, yoga, dance - line dance, cultural, make them free, reward d vendors . Need roaming security, not just sitting in a car. Create a volunteer cleanup group n give them rewards- I will join. Need to keep park clean. Pls educate homeless people where they could stay instead of leaving mess in the park. Pls invite citizens to lead hold events , include everyone not just developers. Thanks so much for redeveloping our city. But do not sell all our spaces to outside developers.
24	anonymous	Bring back Harbor Fest!!! The concerts were great.
25	anonymous	Keep it classy and security no cheap events.
26	anonymous	Oktoberfest in Chula Vista? Why don't we have one?
27	anonymous	N/a
28	anonymous	Free music classes for kids!!!

29	anonymous	PLEASE (and I hope I am not coming across as rude or insensitive) - have music OTHER THAN Mexican/Spanish or at least other offerings as balance. Chula Vista is a MIX of ethnicities but you'd never know it by what is focused on.
30	anonymous	If events are Multi-cultural, it would be fun if they were a lot of cultures, not just Hispanic or American. Reach out to the community to see if there are other cultures that would be interested in being showcased, as well. Just a thought. Thanks!
31	anonymous	Children's book giveaway
32	anonymous	Beer , food tasting and AI festivals that are with music.
33	anonymous	Things for senior citizens and disabled people to do and enjoy.
