Certificate of Coverage

United HealthCare Insurance Company

UnitedHealthcare Choice Plus

Certificate is Part of Group Policy
This Certificate of Coverage is part of the group Policy that is a legal document between United HealthCare Insurance Company and the Enrolling Group to provide Benefits to Covered Persons, subject to the terms, conditions, exclusions and limitations of the Policy. We issue the Policy based on the Enrolling Group's application and payment of the required Policy Charges.

In addition to this Certificate the Policy includes:

- The Enrolling Group's application.
- Any Amendments and Riders.

You can review the Policy at the office of the Enrolling Group during regular business hours.

Changes to the Document
We may from time to time modify this Certificate by attaching legal documents called Riders and/or Amendments that may change certain provisions of the Certificate. When that happens we will send you a new Certificate, Rider or Amendment pages.

Other Information You Should Have
Only we have the right to change, interpret, modify, withdraw or add Benefits, or to terminate the Policy, as permitted by law, without your approval.

This Certificate describes Benefits in effect as of January 1, 2008 for San Diego Unified Port District.

On its effective date this Certificate replaces and overrules any Certificate that we may have previously issued to you. This Certificate will in turn be overruled by any Certificate we issue to you in the future.

The Policy will take effect on the date specified in the group Policy. Coverage under the Policy will begin at 12:01 a.m. and end at 12:00 midnight in the time zone of the Enrolling Group's location. The Policy will remain in effect as long as the Policy Charges are paid when they are due, subject to termination of the Policy.

We are delivering the Policy in the State of California. The Policy is governed by ERISA unless the Enrolling Group is not an employee welfare benefit plan as defined by ERISA. To the extent that state law applies, the laws of the State of California are the laws that govern the Policy.

No one can make any changes to the Policy unless those changes are in writing.
Introduction to Your Certificate

We are pleased to provide you with this Certificate of Coverage. This Certificate and the other Policy documents describe your Benefits, as well as your rights and responsibilities, under the Policy.

How to Use this Document

We encourage you to read your Certificate and any attached Riders and/or Amendments carefully.

We especially encourage you to review the Benefit limitations of this Certificate by reading (Section 1: What's Covered—Benefits) and (Section 2: What's Not Covered—Exclusions.) You should also carefully read (Section 9: General Legal Provisions) to better understand how this Certificate and your Benefits work. You should call us if you have questions about the limits of the coverage available to you.

Many of the sections of the Certificate are related to other sections of the document. You may not have all of the information you need by reading just one section. We also encourage you to keep your Certificate and any attachments in a safe place for your future reference.

Please be aware that your Physician does not have a copy of your Certificate of Coverage, and is not responsible for knowing or communicating your Benefits.

Information about Defined Terms

Because this Certificate is part of a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in (Section 10: Glossary of Defined Terms). You can refer to Section 10 as you read this document to have a clearer understanding of your Certificate.

When we use the words "we," "us," and "our" in this document, we are referring to United HealthCare Insurance Company. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in (Section 10: Glossary of Defined Terms).

Your Contribution to the Required Premiums

The Policy may require the Subscriber to contribute to the required Premiums. You can contact your Enrolling Group for information about any part of the Premium cost you are responsible for paying.

Don't Hesitate to Contact Us

Throughout the document you will find statements that encourage you to contact us for further information. Whenever you have a question or concern regarding your Benefits, please call us using the telephone number for Customer Service listed on your ID card. It will be our pleasure to assist you.
Section 1: What's Covered--Benefits

This section provides you with information about:

- Accessing Benefits.
- Copayments and Eligible Expenses.
- Covered Health Services. We pay Benefits for the Covered Health Services described in this section unless they are listed as not covered in (Section 2: What's Not Covered--Exclusions).
- Covered Health Services that require you or your provider to notify us before you receive them. In general, Network providers are responsible for notifying us before they provide certain health services to you. You are responsible for notifying us before you receive certain health services from a non-Network provider.

Accessing Benefits
With UnitedHealthcare Choice Plus, you can choose to receive either Network Benefits or Non-Network Benefits. In most cases, you must see a Network Physician to obtain Network Benefits.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under a UnitedHealthcare Choice Plus Policy. As a result, they may bill you for the entire cost of the services you receive. For details about when Network Benefits apply, see (Section 3: Description of Network and Non-Network Benefits).

Benefits are available only if all of the following are true:

- Covered Health Services are received while the group Policy is in effect.
- Covered Health Services are received prior to the date that any of the individual termination conditions listed in (Section 8: When Coverage Ends) occurs.
- The person who receives Covered Health Services is a Covered Person and meets all eligibility requirements specified in the Policy.

Copayment
Copayment is the amount you pay each time you receive certain Covered Health Services. For a complete definition of Copayment, see (Section 10: Glossary of Defined Terms). Copayment amounts are listed on the following pages next to the description for each Covered Health Service. Please note that when Copayments are calculated as a percentage (rather than as a set dollar amount) the percentage is based on Eligible Expenses.

Eligible Expenses
Eligible Expenses are the amount we determine that we will pay for Benefits. For a complete definition of Eligible Expenses that describes how we determine payment, see (Section 10: Glossary of Defined Terms). For Network Benefits, you are not responsible for any difference between the Eligible Expenses and the amount the
provider bills. For Non-Network Benefits, you are responsible for paying, directly to the non-Network provider, any difference between the amount the provider bills you and the amount we will pay for Eligible Expenses.

Notification Requirements

We require notification before you receive certain Covered Health Services. In general, Network providers are responsible for notifying us before they provide these services to you. There are some Network Benefits, however, for which you are responsible for notifying us.

When you choose to receive certain health services from non-Network providers, you are responsible for notifying us before you receive these services.

Services for which you must provide prior notification appear in this section under the Must You Notify Us? column in the table labeled Benefit Information.

To notify us, call the telephone number on your ID card for Customer Service.

When you choose to receive services from non-Network providers, we urge you to confirm with us that the services you plan to receive are Covered Health Services, even if not indicated in the Must You Notify Us? column. That's because in some instances, certain procedures may not meet the definition of a Covered Health Service and therefore are excluded. In other instances, the same procedure may meet the definition of Covered Health Services. By calling before you receive treatment, you can check to see if the service is subject to limitations or exclusions such as:

- The Cosmetic Procedures exclusion. Examples of procedures that may or may not be considered Cosmetic include: breast reduction and reconstruction (except for after cancer surgery when it is always considered a Covered Health Service); vein stripping, ligation and sclerotherapy, and upper lid blepharoplasty.
- The Experimental, Investigational or Unproven Services exclusion.
- Any other contract limitation or exclusion.

Special Note Regarding Medicare

If you are enrolled for Medicare on a primary basis (Medicare pays before we pay Benefits under the Policy), the notification requirements described in this Certificate of Coverage do not apply to you. Since Medicare is the primary payer, we will pay as secondary payer as described in (Section 7: Coordination of Benefits). You are not required to notify us before receiving Covered Health Services.

2. Dental Services - Accident only
Dental services when all of the following are true:

- Treatment is necessary because of accidental injury to natural teeth.
- Dental services are received from a Doctor of Dental Surgery, "D.D.S." or Doctor of Medical Dentistry, "D.M.D."
- The dental damage is severe enough that initial contact with a Physician or dentist occurred within 72 hours of the accident.

Dental services for final treatment to repair the damage must be both of the following:

- Started within three months of the accident.

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered an "accident". Benefits are not available for repairs to teeth that are injured as a result of such activities.

**Notify Us**
Please remember that you must notify us as soon as possible, but at least five business days before follow-up (post-Emergency) treatment begins. (You do not have to notify us before the initial Emergency treatment.) If you don't notify us, Benefits will be reduced to 50% of Eligible Expenses.

### 3. Dental Services - Inpatient

Services including general anesthesia and associated Hospital or Alternate Facility charges when the clinical status or underlying medical condition of the Covered Person requires dental procedures that ordinarily would not require general anesthesia to be rendered in a Hospital or Alternate Facility setting. Services are limited to Covered Persons who are one of the following:

- A child under seven years of age.
- A person who is developmentally disabled, regardless of age.
- A person whose health is compromised and for whom general anesthesia is required, regardless of age.

Services for the diagnosis or treatment of a dental disease are not

Diabetes outpatient self-management training, education, and medical nutrition therapy, as provided by appropriately licensed or registered health care professionals, are Covered Services to enable a Covered Person to properly use the equipment, supplies and medications.

5. Durable Medical Equipment

Durable Medical Equipment that meets each of the following criteria:

- Ordered or provided by a Physician for outpatient use.
- Used for medical purposes.
- Not consumable or disposable.
- Not of use to a person in the absence of a disease or disability.

If more than one piece of Durable Medical Equipment can meet your functional needs, Benefits are available only for the most cost-effective piece of equipment.

Examples of Durable Medical Equipment include:

- Equipment to assist mobility, such as a standard wheelchair.
- A standard Hospital-type bed.
- Oxygen and the rental of equipment to administer oxygen (including tubing, connectors and masks).

We provide Benefits only for a single purchase (including repair/replacement) of a type of Durable Medical Equipment once every three calendar years.

We will decide if the equipment should be purchased or rented. To receive Network Benefits, you must purchase or rent the Durable Medical Equipment from the vendor we identify.

Any combination of Network and Non-Network Benefits for Durable Medical Equipment is limited to $2,500 per calendar year.

**Notify Us**

Please remember that for Non-Network Benefits you must notify us before obtaining any single item of Durable Medical Equipment that costs more than $1,000 (either purchase price or cumulative rental of a single item). If you don't notify us, you will be responsible for
6. Emergency Health Services

Services that are required to stabilize or initiate treatment in an Emergency. Emergency Health Services must be received on an outpatient basis at a Hospital or Alternate Facility.

You will find more information about Benefits for Emergency Health Services in (Section 3: Description of Network and Non-Network Benefits).

**Notify Us**

To ensure prompt and accurate payment of your claim as a Network Benefit, notify us within two business days or as soon as possible after you receive outpatient Emergency Health Services at a non-Network Hospital or Alternate Facility.

Please remember that if you are admitted to a non-Network Hospital as a result of an Emergency, you must notify us within one business day or the same day of admission, or as soon as reasonably possible.

If you don't notify us, Benefits for the non-Network Hospital Inpatient Stay will be reduced to 50% of Eligible Expenses. Benefits will not be reduced for the outpatient Emergency Health Services.

Benefits include one routine vision exam, including refraction, to detect vision impairment by a Network provider every other calendar year.

Please note that Benefits are not available for charges connected to the purchase or fitting of eyeglasses or contact lenses.

8. Home Health Care
Services received from a Home Health Agency that are both of the following:

- Ordered by a Physician.
- Provided by or supervised by a registered nurse in your home.

Benefits are available only when the Home Health Agency services are provided on a part-time, intermittent schedule and when skilled care is required.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including but not limited to dressing, feeding,
bathing or transferring from a bed to a chair.

- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

We will decide if skilled care is required by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Any combination of Network and Non-Network Benefits is limited to 60 visits per calendar year. One visit equals four hours of skilled care services.

**Notify Us**
Please remember that for Non-Network Benefits you must notify us five business days before receiving services. If you don't notify us, Benefits will be reduced to 50% of Eligible Expenses.

### 9. Hospice Care
Hospice care that is recommended by a Physician. Hospice care is an integrated program that provides comfort and support services for the terminally ill. Hospice care includes physical, psychological, social and spiritual care for the terminally ill person, and short-term grief counseling for immediate family members. Benefits are available when hospice care is received from a licensed hospice agency.

### 12. Mastectomy Services

Coverage for mastectomies and lymph node dissections is provided in the same manner as other covered surgeries. The length of Hospital stay is determined by the attending Physician in consultation with the patient. We will not require the attending Physician to obtain prior approval of the length of the Hospital stay.

The Policy covers all complications from a mastectomy including lymphedema. The Policy covers prosthetic devices and reconstructive surgery to restore and achieve symmetry for the patient, subject to the Policy's deductibles and copayment requirements. ### 13. Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

We also have special prenatal programs to help during Pregnancy. They are completely voluntary and there is no extra cost for participating in the program. To sign up, you should notify us during the first trimester, but no later than one month prior to the anticipated childbirth.

We will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a normal vaginal delivery.
- 96 hours for the mother and newborn child following a cesarean section delivery.

If the mother agrees, the attending provider may discharge the mother and/or the newborn child earlier than these minimum time frames.

When the mother and child are discharged early, coverage is provided for at least one post discharge follow-up visit within 48 hours of discharge, when prescribed by the treating Physician. A post discharge visit is provided by a licensed health care provider whose scope of practice includes postpartum care and newborn care. The visit includes, at a minimum, parent education, assistance and...
training in breast or bottle-feeding, and the performance of any necessary maternal or neonatal physical assessments. The treating Physician, in consultation with the mother, will determine whether the post discharge visit occurs at home, a birth facility, or the treating Physician's office.

**Notify Us**

Please remember that for Non-Network Benefits you must notify us as soon as reasonably possible if the Inpatient Stay for the mother and/or the newborn will be more than the time frames described. If you don't notify us that the Inpatient Stay will be extended, your Benefits for the extended stay will be reduced to 50% of Eligible Expenses.

### 14. Medical Foods

Coverage is provided for Formulas and Special Food Products that are part of a diet prescribed by a Physician and managed by a health care professional in consultation with a Physician who specializes in the treatment of metabolic disease. The diet must be needed to avert the development of serious physical or mental disabilities or to promote normal development or function as a consequence of phenylketonuria (PKU).

"Formula" means an enteral product or enteral products for use at home that are prescribed by a Physician for the treatment of phenylketonuria (PKU).

"Special Food Product" means a food product that is both of the following:

An Enrolled Dependent child suffering from Serious Emotional Disturbances means a child who has one or more mental disorders as identified in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, other than a primary substance use disorder or developmental disorder, that result in behavior inappropriate to the child's age according to expected developmental norms. As a result of the disorder, one or more of the following is true:

- The child is at risk of removal from home or has been ill for more than 6 months.
- The child displays psychotic features, risk of suicide or risk of violence.
- The child meets special education eligibility requirements under state law.

Mental Health Services for Severe Mental Illness and Serious Emotional Disturbances must be provided by or under the direction of the Mental Health/Substance Abuse Designee. Referrals to a Mental Health provider are at the sole discretion of the Mental Health/Substance Abuse Designee, who is responsible for coordinating all of your care. Hospital or Alternate Facility including:

- Surgery and related services.
- Lab and radiology/X-ray.
- Mammography testing upon the referral from a Network provider including a nurse practitioner, a certified nurse midwife, or a Physician.
- All generally medically accepted cancer screening tests approved by the FDA, including any cervical and prostate cancer screening tests, upon the referral of a health care provider.
- Other diagnostic tests and therapeutic treatments (including cancer chemotherapy or intravenous infusion therapy).

Benefits under this section include only the facility charge and the charge for required services, supplies and equipment. Benefits for the professional fees related to outpatient surgery, diagnostic and therapeutic services are described under Professional Fees for Surgical and Medical Services below.

We pay for Covered Health Services incurred if you participate in the Expanded Alpha Feto Protein (AFP) program, a statewide prenatal testing program administered by the State Department of Health Services.

When these services are performed in a Physician's office, Benefits are described under Physician's Office Services below.

23. Reconstructive Procedures
Services for reconstructive procedures when either of the following applies:

- A physical impairment exists and the purpose of the procedure is to improve or restore physiologic function.
- Services are needed to create a normal appearance, to the extent possible.

Reconstructive procedures include surgery or other procedures to correct or repair abnormal structures of the body caused by congenital defects, developmental abnormalities, trauma, infection, tumors, or disease.

Cosmetic Procedures are excluded from coverage. The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery or other procedures done to relieve such consequences or behavior as a reconstructive procedure, if that treatment offers only a minimal improvement in the appearance of the Covered Person. Any surgery or other procedure is considered a Cosmetic Procedure if, in accordance with the

Please note that Benefits for reconstructive procedures include breast reconstruction following a mastectomy related to breast cancer, and reconstruction of the non-affected breast to achieve symmetry. Other services required by the Women's Health and Cancer Rights Act of 1998, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact us at the telephone number on your ID card for more information about Benefits for mastectomy-related services.

**Notify Us**
Please remember that for Non-Network Benefits you must notify us five business days before receiving services. When you notify us, we can verify that the service is a reconstructive procedure rather than a Cosmetic Procedure. Cosmetic Procedures are always excluded from coverage. If you don't notify us, Benefits for reconstructive procedures will be reduced to 50% of Eligible Expenses.

Services for cosmetic or elective orthodontic care, periodontic care or general dental care are not Covered Health Services.

Covered Services are payable in the same manner as surgery for other covered medical conditions except that benefits for treatment of TMJ are limited to $2,500 during the entire period of time you are covered under the Policy.

29. Transplantation Services
Covered Health Services for the following organ and tissue transplants when ordered by a Physician. For Network Benefits, transplantation services must be received at a Designated Facility. Benefits are available for the transplants listed below when the transplant meets the definition of a Covered Health Service, and is not an Experimental, Investigational or Unproven Service:

- Bone marrow transplants (either from you or from a compatible donor) and peripheral stem cell transplants, with or without high dose chemotherapy. Not all bone marrow transplants meet the definition of a Covered Health Service.
- Heart transplants.
- Heart/lung transplants.
- Lung transplants.
- Kidney transplants.
- Kidney/pancreas transplants.

Benefits are also available for cornea transplants that are provided by a Physician at a Hospital. We do not require that cornea transplants be performed at a Designated Facility in order for you to receive Network Benefits.

Organ or tissue transplants or multiple organ transplants other than those listed above are excluded from coverage.

We have specific guidelines regarding Benefits for transplant services. Contact us at the telephone number on your ID card for information about these guidelines.

**Notify Us**

For Network Benefits you or your Physician must notify us as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center). If you do not notify us and if the transplantation services are not performed at a Designated Facility, you will be responsible for paying all charges and Network Benefits will not be paid. Non-Network Benefits may be available.

Please remember that for Non-Network Benefits you must notify us as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center). If
you don't notify us, Benefits will be reduced to 50% of Eligible Expenses.

### 30. Urgent Care Center Services

Covered Health Services received at an Urgent Care Center. When services to treat urgent health care needs are provided in a Physician's office, Benefits are available as described under *Physician's Office Services* earlier in this section.

Section 2: What's Not Covered--Exclusions

This section contains information about:
- How headings are used in this section.
- Medical services that are not covered. We call these Exclusions. It's important for you to know what services and supplies are not covered under the Policy.

How We Use Headings in this Section
To help you find specific exclusions more easily, we use headings. The headings group services, treatments, items, or supplies that fall into a similar category. Actual exclusions appear underneath headings. A heading does not create, define, modify, limit or expand an exclusion. All exclusions in this section apply to you.

We Do not Pay Benefits for Exclusions
We will not pay Benefits for any of the services, treatments, items or supplies described in this section, even if either of the following are true:
- It is recommended or prescribed by a Physician.
- It is the only available treatment for your condition.

The services, treatments, items or supplies listed in this section are not Covered Health Services, except as may be specifically provided for in (Section 1: What's Covered--Benefits) or through a Rider to the Policy.

A. Alternative Treatments
1. Acupressure and acupuncture.
2. Aroma therapy.
3. Hypnotism.
4. Massage Therapy.
5. Rolfing.
6. Other forms of alternative treatment as defined by the Office of Alternative Medicine of the National Institutes of Health.

B. Comfort or Convenience
1. Television.
2. Telephone.
4. Guest service.
5. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include:
   - Air conditioners.
   - Air purifiers and filters.
   - Batteries and battery chargers.
   - Dehumidifiers.
   - Humidifiers.
6. Devices and computers to assist in communication and speech.
C. Dental
1. Dental care except as described in (Section 1: What's Covered--Benefits) under the heading Dental Services - Accident only and Dental Services - Inpatient.
2. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include all of the following:
   — Extraction, restoration and replacement of teeth.
   — Medical or surgical treatments of dental conditions.
   — Services to improve dental clinical outcomes.
3. Dental implants.
4. Dental braces.
5. Dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia. The only exceptions to this are for any of the following:
   — Transplant preparation.
   — Initiation of immunosuppressives.
   — The direct treatment of acute traumatic Injury, cancer or cleft palate.
   — As described in (Section 1: What's Covered--Benefits) under the heading Dental Services - Inpatient.
6. Treatment of congenitally missing, malpositioned, or supernumerary teeth, even if part of a Congenital Anomaly.

D. Drugs
1. Prescription drug products for outpatient use that are filled by a prescription order or refill.
2. Self-injectable medications, except those needed to treat diabetes.
3. Non-injectable medications given in a Physician's office except as required in an Emergency.
4. Over the counter drugs and treatments.

E. Experimental, Investigational or Unproven Services
Experimental, Investigational and Unproven Services are excluded except as set forth under Experimental or Investigational Services in (Section 10: Glossary of Defined Terms). The fact that an Experimental, Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental, Investigational or Unproven in the treatment of that particular condition.

F. Foot Care
1. Routine foot care (including the cutting or removal of corns and calluses).
2. Nail trimming, cutting, or debriding.
3. Hygienic and preventive maintenance foot care. Examples include the following:
   — Cleaning and soaking the feet.
   — Applying skin creams in order to maintain skin tone.
   — Other services that are performed when there is not a localized illness, Injury or symptom involving the foot.
4. Treatment of flat feet.
5. Treatment of subluxation of the foot.
6. Shoe orthotics.
G. Medical Supplies and Appliances
1. Devices used specifically as safety items or to affect performance in sports-related activities.
2. Prescribed or non-prescribed medical supplies and disposable supplies. Examples include:
   — Elastic stockings.
   — Ace bandages.
   — Gauze and dressings.
   — Ostomy supplies.
3. Orthotic appliances that straighten or re-shape a body part (including some types of braces).
4. Tubings and masks are not covered except when used with Durable Medical Equipment as described in (Section 1: What's Covered—Benefits).

H. Mental Health/Substance Abuse
2. Mental Health Services and Substance Abuse Services that extend beyond the period necessary for short-term evaluation, diagnosis, treatment or crisis intervention.
3. Treatment for insomnia and other sleep disorders, dementia, neurological disorders and other disorders with a known physical basis.
4. Treatment for conduct and impulse control disorders, personality disorders, paraphilias and other Mental Illnesses that will not substantially improve beyond the current level of functioning, or that are not subject to favorable modification or management according to prevailing national standards of clinical practice, as reasonably determined by the Mental Health/Substance Abuse Designee.
5. Services utilizing methadone treatment as maintenance, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents.
6. Treatment provided in connection with or to comply with involuntary commitments, police detentions and other similar arrangements, unless authorized by the Mental Health/Substance Abuse Designee.
7. Residential treatment services.
8. Services or supplies for the diagnosis or treatment of Mental Illness, alcoholism or substance abuse disorders that, in the reasonable judgment of the Mental Health/Substance Abuse Designee, are any of the following:
   — Not consistent with prevailing national standards of clinical practice for the treatment of such conditions.
   — Not consistent with prevailing professional research demonstrating that the services or supplies will have a measurable and beneficial health outcome.
   — Typically do not result in outcomes demonstrably better than other available treatment alternatives that are less intensive or more cost effective.
   — Not consistent with the Mental Health/Substance Abuse Designee's level of care guidelines or best practices as modified from time to time.

The Mental Health/Substance Abuse Designee may consult with professional clinical consultants, peer review committees or other appropriate sources for recommendations and information regarding whether a service or supply meets any of these criteria.
I. Nutrition
1. Megavitamin and nutrition based therapy.
2. Nutritional counseling for either individuals or groups, except as provided for the treatment of diabetes.
3. Enteral feedings and other nutritional and electrolyte supplements, including infant formula and donor breast milk, except as described in (Section 1: What's Covered--Benefits) under the heading Medical Foods.

J. Physical Appearance
1. Cosmetic Procedures. See the definition in (Section 10: Glossary of Defined Terms.) Examples include:
   — Pharmacological regimens, nutritional procedures or treatments.
   — Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures).
   — Skin abrasion procedures performed as a treatment for acne.
2. Replacement of an existing breast implant if the earlier breast implant was performed as a Cosmetic Procedure.
   Note: Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See Reconstructive Procedures in (Section 1: What's Covered--Benefits).
3. Physical conditioning programs such as athletic training, bodybuilding, exercise, fitness, flexibility, and diversion or general motivation.
4. Weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded.
5. Wigs regardless of the reason for the hair loss.

K. Providers
1. Services performed by a provider who is a family member by birth or marriage, including spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself.
2. Services performed by a provider with your same legal residence.
3. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services that are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider:
   — Has not been actively involved in your medical care prior to ordering the service, or
   — Is not actively involved in your medical care after the service is received.
   This exclusion does not apply to mammography testing.

L. Reproduction
1. Health services and associated expenses for infertility treatments.
2. Surrogate parenting.
3. The reversal of voluntary sterilization.

M. Services Provided under Another Plan
1. Health services for which other coverage is required by federal, state or local law to be purchased or provided through other arrangements. This includes, but is not limited to, coverage
required by workers' compensation, no-fault auto insurance, or similar legislation.

If coverage under workers' compensation or similar legislation is optional for you because you could elect it, or could have it elected for you, Benefits will not be paid for any Injury, Sickness or Mental Illness that would have been covered under workers' compensation or similar legislation had that coverage been elected.

2. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you.

3. Health services while on active military duty.

N. Transplants
1. Health services for organ and tissue transplants, except those described in (Section 1: What's Covered--Benefits).

2. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs for removal are payable for a transplant through the organ recipient's Benefits under the Policy.)

3. Health services for transplants involving mechanical or animal organs.

4. Any solid organ transplant that is performed as a treatment for cancer.

5. Any multiple organ transplant not listed as a Covered Health Service under the heading Transplantation Services in (Section 1: What's Covered--Benefits).

O. Travel
1. Health services provided in a foreign country, unless required as Emergency Health Services.

2. Travel or transportation expenses, even though prescribed by a Physician. Some travel expenses related to covered transplantation services may be reimbursed at our discretion.

P. Vision and Hearing
1. Purchase cost of eye glasses, contact lenses, or hearing aids.

2. Fitting charge for hearing aids, eye glasses or contact lenses.

3. Eye exercise therapy.

4. Surgery that is intended to allow you to see better without glasses or other vision correction including radial keratotomy, laser, and other refractive eye surgery.

Q. All Other Exclusions
1. Health services and supplies that do not meet the definition of a Covered Health Service - see the definition in (Section 10: Glossary of Defined Terms).

2. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments that are otherwise covered under the Policy when:
   - Required solely for purposes of career, education, sports or camp, travel, employment, insurance, marriage or adoption.
   - Related to judicial or administrative proceedings or orders.
   - Conducted for purposes of medical research.
   - Required to obtain or maintain a license of any type.

3. Health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country.

4. Health services received after the date your coverage under the Policy ends, including health services for medical conditions arising before the date your coverage under the Policy ends.
5. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Policy.

6. In the event that a non-Network provider waives Copayments and/or the Annual Deductible for a particular health service, no Benefits are provided for the health service for which the Copayments and/or Annual Deductible are waived.

7. Charges in excess of Eligible Expenses or in excess of any specified limitation.

8. Services for the evaluation and treatment of temporomandibular joint (TMJ) syndrome, whether the services are considered to be medical or dental in nature.

9. Upper and lower jawbone surgery except as required for direct treatment of acute traumatic injury or cancer, or as described in (Section 1: What's Covered--Benefits) under the heading Temporomandibular Joint Disorder Services. Orthognathic surgery and jaw alignment except as a treatment of obstructive sleep apnea.

10. Surgical and non-surgical treatment of obesity, including morbid obesity.

11. Growth hormone therapy.

12. Sex transformation operations.

13. Custodial Care.

15. Private duty nursing.

17. Rest cures.

18. Psychosurgery.

19. Treatment of benign gynecomastia (abnormal breast enlargement in males).

20. Medical and surgical treatment of excessive sweating (hyperhidrosis).

21. Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea.

22. Oral appliances for snoring.

23. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from injury, stroke, or a Congenital Anomaly.
Section 3: Description of Network and Non-Network Benefits

This section includes information about:
- Network Benefits.
- Non-Network Benefits.
- Emergency Health Services.

Network Benefits
Network Benefits are generally paid at a higher level than Non-Network Benefits. Network Benefits are payable for Covered Health Services which are any of the following:

- Provided by or under the direction of a Network Physician or other Network provider in the Physician's office or at a Network facility.
- Emergency Health Services.

Please note that Mental Health and Substance Abuse Services must be authorized by the Mental Health/Substance Abuse Designee. Please see (Section 1: What's Covered--Benefits) under the heading for Mental Health and Substance Abuse.

Who Should Notify Us for Care Coordination
Network providers generally handle notifying us for you. However, there are exceptions. See (Section 1: What's Covered--Benefits), under the Must You Notify Us? column. You must notify us for certain Covered Health Services. Failure to notify results in reduced Benefits or no Benefits. See (Section 1: What's Covered--Benefits), under the Must You Notify Us? column.

Who Should File Claims
Not required. We pay Network providers directly. You must file claims. See (Section 5: How to File a Claim).

Outpatient Emergency Health Services
Emergency Health Services are always paid as a Network Benefit (paid the same whether you are in or out of the Network). That means that if you seek Emergency care at a non-Network facility, you are not required to meet the Annual Deductible or to pay any difference between Eligible Expenses and the amount the provider bills.
**Provider Network**

We arrange for health care providers to participate in a Network. Network providers are independent practitioners. They are not our employees. It is your responsibility to select your provider.

Our credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

You will be given a directory of Network providers. However, before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling Customer Service.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Network Benefits.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with us to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of our products. Refer to your provider directory or contact us for assistance.

**Care Coordination℠**

Your Network Physician is required to notify us regarding certain proposed or scheduled health services. When your Network Physician notifies us, we will work together to implement the Care Coordination℠ process and to provide you with information about additional services that are available to you, such as disease management programs, health education, pre-admission counseling and patient advocacy.

Your health care provider is not required to obtain prior authorization for

- Covered Services related to pregnancy or postpartum care, or
- Length of hospital stays following mastectomy and lymph node dissections.

If you receive certain Covered Health Services from a Network provider, you must notify us. The Covered Health Services for which notification is required is shown in (Section 1: What's Covered--Benefits). When you notify us, we will provide you the Care Coordination services described above.

**Designated Facilities and Other Providers**

If you have a medical condition that we believe needs special services, we may direct you to a Designated Facility or other provider chosen by us. If you require certain complex Covered Health Services for which expertise is limited, we may direct you to a non-Network facility or provider.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Facility or other provider chosen by us.

**Health Services from Non-Network Providers Paid as Network Benefits**

If specific Covered Health Services are not available from a Network provider, you may be eligible for Network Benefits when Covered Health Services are received from non-Network providers. In this situation, your Network Physician will notify us, and we will work
with you and your Network Physician to coordinate care through a non-Network provider.

When you receive Covered Health Services through a Network Physician, we will pay Network Benefits for those Covered Health Services, even if one or more of those Covered Health Services is received from a non-Network provider.

Limitations on Selection of Providers
If we determine that you are using health care services in a harmful or abusive manner, or with harmful frequency, your selection of Network providers may be limited. If this happens, we may require you to select a single Network Physician to provide and coordinate all future Covered Health Services.

If you don't make a selection within 31 days of the date we notify you, we will select a single Network Physician for you.

If you fail to use the selected Network Physician, Covered Health Services will be paid as Non-Network Benefits.

Continuity of Care
If you are under the care of a Network provider for one of the medical conditions below, and the Network provider caring for you is terminated from the Network by us, we can arrange, at your request and subject to the provider's agreement, for continuation of Covered Health Services rendered by the terminated provider for the time periods shown below. Copayments, deductibles, or other cost sharing components will be the same as you would have paid for a provider currently contracting with us.

Medical conditions and time periods for which treatment by a terminated Network provider will be covered under the Policy are:

- An acute condition or serious chronic condition. Treatment by the terminated provider may continue for up to 90 days.
- A high risk Pregnancy or a Pregnancy that has reached the second or third trimester. Treatment by the terminated provider may continue until the postpartum services related to the delivery are completed.

For the purposes of this section "acute condition" means a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration.

For the purposes of this section "serious chronic condition" means a condition due to a disease, illness, or other medical problem or medical disaster that is serious in nature, and that does either of the following:

- Persists without full cure or worsens over an extended period of time.
- Requires ongoing treatment to maintain remission or prevent deterioration.

This section does not apply to treatment by a provider or provider group whose contract with us has been terminated or not renewed for reasons relating to medical disciplinary cause or reason, fraud or other criminal activity.

Non-Network Benefits
Non-Network Benefits are generally paid at a lower level than Network Benefits. Non-Network Benefits are payable for Covered Health Services which are either of the following:

- Provided by non-Network providers.
• Provided under the direction of a non-Network Physician at a non-Network facility or program.

Notification Requirement
You must notify us before getting certain Covered Health Services from non-Network providers. The details are shown in the Must You Notify Us? column in (Section 1: What's Covered--Benefits). If you fail to notify us, Benefits are reduced or denied.

Prior notification does not mean Benefits are payable in all cases. Coverage depends on the Covered Health Services that are actually given, your eligibility status, and any benefit limitations.

Care Coordination
When you notify us as described above, we will work together to implement the Care Coordination process and to provide you with information about additional services that are available to you, such as disease management programs, health education, pre-admission counseling and patient advocacy.

Emergency Health Services
We provide Benefits for Emergency Health Services when required for stabilization and initiation of treatment as provided by or under the direction of a Physician.

Network Benefits are paid for Emergency Health Services, even if the services are provided by a non-Network provider.

• If you are confined in a non-Network Hospital after you receive Emergency Health Services, we must be notified within one business day or on the same day of admission if reasonably possible. We may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you choose to stay in the non-Network Hospital after the date we decide a transfer is medically appropriate, Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service.

• If you are admitted as an inpatient to a Network Hospital within 24 hours of receiving treatment for the same condition as an Emergency Health Service, you will not have to pay the Copayment for Emergency Health Services. The Copayment for an Inpatient Stay in a Network Hospital will apply instead.

**Note:** Please note that the Copayment for Emergency Health Services will not be waived if you have been placed in an observation bed for the purpose of monitoring your condition, rather than being admitted as an inpatient in the Hospital. In this case, the Emergency Copayment will apply instead of the Copayment for an Inpatient Stay.
Section 4: When Coverage Begins

This section includes information about:

- How to enroll.
- If you are hospitalized when this coverage begins.
- Who is eligible for coverage.
- When to enroll.
- When coverage begins.

How to Enroll
To enroll, the Eligible Person must complete an enrollment form. The Enrolling Group will give the necessary forms to you. The Enrolling Group will then submit the properly completed forms to us, along with any required Premium. We will not provide Benefits for health services that you receive before your effective date of coverage.

If You Are Hospitalized When Your Coverage Begins
If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, we will pay Benefits for Covered Health Services related to that

Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Policy.

If you are hospitalized on the day your coverage begins, you should notify us within 48 hours or as soon as is reasonably possible. Network Benefits are available only if you receive Covered Health Services from Network Providers.

If You Are Eligible for Medicare
Your Benefits under the Policy may be reduced if you are eligible for Medicare but do not enroll in and maintain coverage under both Medicare Part A and Part B.

Your Benefits under the Policy may also be reduced if you are enrolled in a Medicare+Choice (Medicare Part C) plan but fail to follow the rules of that plan. Please see Medicare Eligibility in (Section 9: General Legal Provisions) for more information about how Medicare may affect your Benefits.

An Eligible Person and/or Dependent may also be able to enroll during a special enrollment period. A special enrollment period is not available to an Eligible Person and his or her Dependents if coverage under the prior plan was terminated for cause, or because premiums were not paid on a timely basis.

A special enrollment period applies to an Eligible Person and any Dependents when one of the following events occurs:

- Birth.
- Legal adoption.
- Placement for adoption.
- Marriage.

A special enrollment period applies for an Eligible Person and/or Dependent who did not enroll during the Initial Enrollment Period or Open Enrollment Period if the following are true:

- The Eligible Person and/or Dependent had existing health coverage under another plan including no-share-of-cost Medi-Cal coverage, at the time they had an opportunity to enroll during the Initial Enrollment Period or Open Enrollment Period; and
- Coverage under the prior plan ended because of any of the following:
  - Loss of eligibility (including, without limitation, legal separation, divorce or death).
  - The employer stopped paying the contributions.
  - In the case of COBRA continuation coverage, the coverage ended.

### Event Takes Place
(for example, a birth or marriage). Coverage begins on the date of the event if we receive the completed enrollment form and any required Premium within 31 days of the event.

### Missed Initial Enrollment Period or Open Enrollment Period.
Coverage begins on the day immediately following the day coverage under the prior plan ends if we receive the completed enrollment form and any required Premium within 31 days of the date coverage under the prior plan ended.

Section 5: How to File a Claim

This section provides you with information about:

- How and when to file a claim.
- If you receive Covered Health Services from a Network provider, you do not have to file a claim. We pay these providers directly.
- If you receive Covered Health Services from a non-Network provider, you are responsible for filing a claim.

If You Receive Covered Health Services from a Network Provider

We pay Network providers directly for your Covered Health Services. If a Network provider bills you for any Covered Health Service, contact us. However, you are responsible for meeting the Annual Deductible and for paying Copayments to a Network provider at the time of service, or when you receive a bill from the provider.

If You Receive Covered Health Services from a Non-Network Provider

When you receive Covered Health Services from a non-Network provider, you are responsible for requesting payment from us. You must file the claim in a format that contains all of the information we require, as described below.

You must submit a request for payment of Benefits within 90 days after the date of service. If you don't provide this information to us as soon thereafter as reasonably possible, Benefits for that health service will be denied or reduced, in our discretion. This time limit does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

If a Subscriber provides written authorization to allow this, all or a portion of any Eligible Expenses due to a provider may be paid directly to the provider instead of being paid to the Subscriber. But we will not reimburse third parties who have purchased or been assigned benefits by Physicians or other providers.

Required Information

When you request payment of Benefits from us, you must provide us with all of the following information:

A. The Subscriber's name and address.
B. The patient's name and age.
C. The number stated on your ID card.
D. The name and address of the provider of the service(s).
E. A diagnosis from the Physician.
F. An itemized bill from your provider that includes the Current Procedural Terminology (CPT) codes or a description of each charge.
G. The date the Injury or Sickness began.
H. A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or...
program. If you are enrolled for other coverage you must include the name of the other carrier(s).

**Payment of Benefits**

We will pay Benefits within 30 days after we receive your request for payment that includes all required information. Benefits will be paid to you unless either of the following is true:

A. The provider notifies us that your signature is on file, assigning benefits directly to that provider.
B. You make a written request at the time you submit your claim.

We will reimburse claims or any portion of any claim, whether instate or out-of-state, for Covered Health Services, as soon as possible, no later than 30 working days after receipt of the claim.

However, a claim or portion of a claim may be contested by us. In that case you will be notified in writing that the claim is contested or denied within 30 working days of receipt of the claim. The notice that the claim is being contested will identify the portion of the claim that is contested and the specific reasons for contesting the claim.

If an uncontested claim is not reimbursed by delivery to your address of record within 30 working days after receipt, we will pay interest at the rate of 10% per annum beginning with the first calendar day after the 30-working-day period.
Section 6: Questions, Complaints, Appeals

This section provides you with information to help you with the following:

- You have a question or concern about Covered Health Services or your Benefits.
- You have a complaint.
- We notify you that we will not be paying a claim because we have determined that a service or supply is excluded under the Policy.

To resolve a question, complaint, or appeal, just follow these steps:

**What to Do First**

**Contact Our Customer Service Department**

The telephone number is shown on your ID card.

Customer Service representatives are available to take your call during regular business hours, Monday through Friday. At other times, you may leave a message on voicemail. A Customer Service representative will return your call. If you would rather send your complaint to us in writing at this point, the Customer Service representative can provide you with the appropriate address.

**What to Do Next**

If the Customer Service representative cannot resolve the issue to your satisfaction over the phone, he/she can help you prepare and submit a written complaint. We will notify you of our decision regarding your complaint within 31 days of receiving it.

**What to Do if You Disagree with Our Decision**

If you disagree with our decision after following the above steps, you can ask us in writing to formally reconsider your complaint.

If the complaint relates to a claim for payment, your request should include:

- The patient's name and the identification number from the ID card.
- The date(s) of medical service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any new information to support your request for claim payment.

We will appoint a committee to resolve or recommend the resolution of the complaint. If your complaint is related to clinical matters, the committee will include health care professionals who did not make the first determination. We may consult with, or seek the participation of, medical experts as part of the complaint resolution process.

The committee will meet to resolve your complaint within 60 days of receiving your request. The committee will review testimony, explanations or other information that it decides is necessary for a fair review of the complaint.
We will send you written notification of the committee's decision within 14 days of the review. If you are still not satisfied with our decision, you have the right to take your complaint to the Office of the Commissioner of Insurance.

Please note that our decision is based only on whether or not Benefits are available under the Policy for the proposed treatment or procedure. We don't determine whether the pending health service is necessary or appropriate. That decision is between you and your Physician.

What to Do if Your Complaint Requires Immediate Action
Your complaint requires immediate action when your Physician judges that a delay in treatment would significantly increase the risk to your health. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Physician should call us as soon as possible.
- We will notify you of the decision by the end of the next business day after your appeal is received, unless more information is needed.
- If we need more information from your Physician to make a decision, we will notify you of the decision by the end of the next business day following receipt of the required information.

The complaint process for urgent situations does not apply to prescheduled treatments, therapies, surgeries or other procedures that we do not consider urgent situations.

If you are not satisfied with our decision, you have the right to take your complaint to the Office of the Commissioner of Insurance.

Denial of Experimental, Investigational, or Unproven Services
If we deny Benefits for a medical procedure or plan of treatment as being Experimental, Investigational or Unproven, and those services are for a Covered Person with a terminal illness (an incurable or irreversible condition that has a high probability of causing death within one year or less), we will provide you with written notification of all of the following:

- Written notice within 5 business days describing how you can request an external review of any decision that denies Experimental, Investigational or Unproven Services.
- The specific medical and scientific reasons for the denial and specific references to pertinent Policy provisions upon which the denial is based.
- A description of the alternative medical procedures or treatments covered by the Policy, if any.
- A description of the process of external review explaining how you or your representative can appeal the denial and participate in the review. An external review will be provided to the Covered Person within 30 calendar days following the receipt of a request for external review. An expedited review may be held within 5 business days at the request of the treating Physician.

Voluntary External Review Program
If we make a final determination to deny Benefits, you may choose to participate in our voluntary external review program. This program only applies if our decision is based on either of the following:

- Clinical reasons.
• The exclusion for Experimental, Investigational or Unproven Services.

The external review program is not available if our coverage determinations are based on Benefit exclusions or defined Benefit limits.

The results of an external review requested for Experimental, Investigational or Unproven Services can be rendered in 7 days if you suffer from a terminal illness and your Physician requests an expedited review.

Contact us at the telephone number shown on your ID card for more information on the voluntary external review program.
Section 7: Coordination of Benefits

This section provides you with information about:
- What you need to know when you have coverage under more than one plan.
- Definitions specific to Coordination of Benefit rules.
- Order of payment rules.

Benefits When You Have Coverage under More than One Plan
This section describes how Benefits under the Policy will be coordinated with those of any other plan that provides benefits to you. The language in this section is from model laws drafted by the National Association of Insurance Commissioners (NAIC) and represents standard industry practice for coordinating benefits.

When Coordination of Benefits Applies
This coordination of benefits (COB) provision applies when a person has health care coverage under more than one benefit plan. The order of benefit determination rules described in this section determine which Coverage Plan will pay as the Primary Coverage Plan. The Primary Coverage Plan that pays first pays without regard to the possibility that another Coverage Plan may cover some expenses. A Secondary Coverage Plan pays after the Primary Coverage Plan and may reduce the benefits it pays. This is to prevent payments from all group Coverage Plans from exceeding 100 percent of the total Allowable Expense.

Definitions
For purposes of this section, terms are defined as follows:

1. "Coverage Plan" is any of the following that provides benefits or services for medical or dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Coverage Plan and there is no COB among those separate contracts.
   a. "Coverage Plan" includes: group, blanket, or franchise insurance, closed panel or other forms of group or group-type coverage (whether insured or uninsured); medical care components of group long-term care contracts, such as skilled nursing care; and Medicare or other governmental benefits, as permitted by law.
   b. "Coverage Plan" does not include: individual or family insurance; closed panel or other individual coverage (except for group-type coverage); school accident type coverage; benefits for non-medical components of group long-term care policies; medical benefits under group or individual automobile contracts; Medicare supplement policies, Medicaid policies and coverage under other governmental plans, unless permitted by law.

Each contract for coverage under a. or b. above is a separate Coverage Plan. If a Coverage Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Coverage Plan.
2. The order of benefit determination rules determine whether this Coverage Plan is a "Primary Coverage Plan" or "Secondary Coverage Plan" when compared to another Coverage Plan covering the person.

When this Coverage Plan is primary, its benefits are determined before those of any other Coverage Plan and without considering any other Coverage Plan’s benefits. When this Coverage Plan is secondary, its benefits are determined after those of another Coverage Plan and may be reduced because of the Primary Coverage Plan’s benefits.

3. "Allowable Expense" means a health care service or expense, including deductibles and copayments, that is covered at least in part by any of the Coverage Plans covering the person. When a Coverage Plan provides benefits in the form of services, (for example an HMO) the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense or service that is not covered by any of the Coverage Plans is not an Allowable Expense. Dental care, routine vision care, outpatient prescription drugs, and hearing aids are examples of expenses or services that are not Allowable Expenses under the Policy. The following are additional examples of expenses or services that are not Allowable Expenses:
   a. If a Covered Person is confined in a private Hospital room, the difference between the cost of a Semi-private Room in the Hospital and the private room, (unless the patient’s stay in a private Hospital room is medically necessary in terms of generally accepted medical practice, or one of the Coverage Plans routinely provides coverage for Hospital private rooms) is not an Allowable Expense.
   b. If a person is covered by two or more Coverage Plans that compute their benefit payments on the basis of usual and customary fees, any amount in excess of the highest of the usual and customary fees for a specific benefit is not an Allowable Expense.
   c. If a person is covered by two or more Coverage Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
   d. If a person is covered by one Coverage Plan that calculates its benefits or services on the basis of usual and customary fees and another Coverage Plan that provides its benefits or services on the basis of negotiated fees, the Primary Coverage Plan’s payment arrangements shall be the Allowable Expense for all Coverage Plans.
   e. The amount a benefit is reduced by the Primary Coverage Plan because a Covered Person does not comply with the Coverage Plan provisions. Examples of these provisions are second surgical opinions, precertification of admissions, and preferred provider arrangements.

4. "Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a person has no coverage under this Coverage Plan, or before the date this COB provision or a similar provision takes effect.

5. "Closed Panel Plan" is a Coverage Plan that provides health benefits to Covered Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Coverage Plan, and that limits or excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

6. "Custodial Parent" means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
Order of Benefit Determination Rules
When two or more Coverage Plans pay benefits, the rules for determining the order of payment are as follows:

A. The Primary Coverage Plan pays or provides its benefits as if the Secondary Coverage Plan or Coverage Plans did not exist.

B. A Coverage Plan that does not contain a coordination of benefits provision that is consistent with this provision is always primary. There is one exception: coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Coverage Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base Coverage Plan hospital and surgical benefits, and insurance type coverages that are written in connection with a closed panel Coverage Plan to provide out-of-network benefits.

C. A Coverage Plan may consider the benefits paid or provided by another Coverage Plan in determining its benefits only when it is secondary to that other Coverage Plan.

D. The first of the following rules that describes which Coverage Plan pays its benefits before another Coverage Plan is the rule to use.

1. Non-Dependent or Dependent. The Coverage Plan that covers the person other than as a dependent, for example as an employee, member, subscriber or retiree is primary and the Coverage Plan that covers the person as a dependent is secondary. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Coverage Plan covering the person as a dependent; and primary to the Coverage Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Coverage Plans is reversed so that the Coverage Plan covering the person as an employee, member, subscriber or retiree is secondary and the other Coverage Plan is primary.

2. Child Covered Under More Than One Coverage Plan. The order of benefits when a child is covered by more than one Coverage Plan is:
   a. The Primary Coverage Plan is the Coverage Plan of the parent whose birthday is earlier in the year if:
      1) The parents are married;
      2) The parents are not separated (whether or not they ever have been married); or
      3) A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.
      If both parents have the same birthday, the Coverage Plan that covered either of the parents longer is primary.
   b. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the Coverage Plan of that parent has actual knowledge of those terms, that Coverage Plan is primary. This rule applies to claim determination periods or plan years commencing after the Coverage Plan is given notice of the court decree.
   c. If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is:
      1) The Coverage Plan of the custodial parent;
      2) The Coverage Plan of the spouse of the custodial parent;
      3) The Coverage Plan of the noncustodial parent; and then

To continue reading, go to right column on this page.

To continue reading, go to left column on next page.
4) The Coverage Plan of the spouse of the noncustodial parent.

3. Active or inactive employee. The Coverage Plan that covers a person as an employee who is neither laid off nor retired is primary. The same would hold true if a person is a dependent of a person covered as a retiree and an employee. If the other Coverage Plan does not have this rule, and if, as a result, the Coverage Plans do not agree on the order of benefits, this rule is ignored. Coverage provided an individual as a retired worker and as a dependent of an actively working spouse will be determined under the rule labeled D(1).

4. Continuation coverage. If a person whose coverage is provided under a right of continuation provided by federal or state law also is covered under another Coverage Plan, the Coverage Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Coverage Plan does not have this rule, and if, as a result, the Coverage Plans do not agree on the order of benefits, this rule is ignored.

5. Longer or shorter length of coverage. The Coverage Plan that covered the person as an employee, member, subscriber or retiree longer is primary.

6. If a husband or wife is covered under this Coverage Plan as a Subscriber and as an Enrolled Dependent, the dependent benefits will be coordinated as if they were provided under another Coverage Plan, this means the Subscriber's benefit will pay first.

7. If the preceding rules do not determine the Primary Coverage Plan, the Allowable Expenses shall be shared equally between the Coverage Plans meeting the definition of Coverage Plan under this provision. In addition, this Coverage Plan will not pay more than it would have paid had it been primary.

Effect on the Benefits of this Plan

A. When this Coverage Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Coverage Plans during a claim determination period are not more than 100 percent of total Allowable Expenses. The difference between the benefit payments that this Coverage Plan would have paid had it been the Primary Coverage Plan, and the benefit payments that it actually paid or provided shall be recorded as a benefit reserve for the Covered Person and used by this Coverage Plan to pay any Allowable Expenses, not otherwise paid during the claim determination period. As each claim is submitted, this Coverage Plan will:

1. Determine its obligation to pay or provide benefits under its contract;
2. Determine whether a benefit reserve has been recorded for the Covered Person; and
3. Determine whether there are any unpaid Allowable Expenses during that claims determination period.

If there is a benefit reserve, the Secondary Coverage Plan will use the Covered Person's benefit reserve to pay up to 100 percent of total Allowable Expenses incurred during the claim determination period. At the end of the claims determination period, the benefit reserve returns to zero. A new benefit reserve must be created for each new claim determination period.

B. If a Covered Person is enrolled in two or more closed panel Coverage Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one closed panel Coverage Plan, COB shall not apply between that Coverage Plan and other closed panel Coverage Plans.
C. This Coverage Plan reduces its benefits as described below for Covered Persons who are eligible for Medicare when Medicare would be the Primary Coverage Plan.

Medicare benefits are determined as if the full amount that would have been payable under Medicare was actually paid under Medicare, even if:

- The person is entitled but not enrolled for Medicare. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.
- The person is enrolled in a Medicare+Choice (Medicare Part C) plan and receives non-covered services because the person did not follow all rules of that plan. Medicare benefits are determined as if the services were covered under Medicare Parts A and B.
- The person receives services from a provider who has elected to opt-out of Medicare. Medicare benefits are determined as if the services were covered under Medicare Parts A and B and the provider had agreed to limit charges to the amount of charges allowed under Medicare rules.
- The services are provided in any facility that is not eligible for Medicare reimbursements, including a Veterans Administration facility, facility of the Uniformed Services, or other facility of the federal government. Medicare benefits are determined as if the services were provided by a facility that is eligible for reimbursement under Medicare.
- The person is enrolled under a plan with a Medicare Medical Savings Account. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Coverage Plan and other Coverage Plans. We may get the facts we need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Coverage Plan and other Coverage Plans covering the person claiming benefits.

We must get the consent of the Covered Person in order to give or get from another insurance company any information needed to implement Coordination of Benefits. Each person claiming benefits under this Coverage Plan must give us any facts we need to apply those rules and determine benefits payable. If you do not provide us the information we need to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Payments Made

A payment made under another Coverage Plan may include an amount that should have been paid under this Coverage Plan. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under this Coverage Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

To continue reading, go to right column on this page.

To continue reading, go to left column on next page.
Right of Recovery
If the amount of the payments we made is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for you. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.
Section 8: When Coverage Ends

This section provides you with information about all of the following:
- Events that cause coverage to end.
- The date your coverage ends.
- Extended coverage.
- Continuation of coverage under federal law (COBRA) and under state law.
- Conversion.

General Information about When Coverage Ends

We may discontinue this Benefit plan and/or all similar benefit plans at any time for the reasons explained in the Policy, as permitted by law.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, we will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, we do not provide Benefits for health services that you receive for medical conditions that occurred before your coverage ended.

Coverage for a Handicapped Child

Coverage for an unmarried Enrolled Dependent child who is not able to be self-supporting because of mental retardation or a physical handicap will not end just because the child has reached a certain age. We will extend the coverage for that child beyond the limiting age if both of the following are true regarding the Enrolled Dependent child:

- Is not able to be self-supporting because of mental retardation or physical handicap.
- Depends mainly on the Subscriber for support.

Coverage will continue as long as the Enrolled Dependent is incapacitated and dependent unless coverage is otherwise terminated in accordance with the terms of the Policy.

We will ask you to furnish us with proof of the child's incapacity and dependency within 31 days of the date coverage would otherwise have ended because the child reached a certain age. Before we agree to this extension of coverage for the child, we may require that a Physician chosen by us examine the child. We will pay for that examination.

We may continue to ask you for proof that the child continues to meet these conditions of incapacity and dependency. Such proof might include medical examinations at our expense. However, we will not ask for this information more than once a year after a two-year period following the child's attainment of the limiting age.

If you do not provide proof of the child's incapacity and dependency within 31 days of our request as described above, coverage for that child will end.

Extended Coverage for Total Disability

Coverage for a Covered Person who is Totally Disabled on the date the entire Policy is terminated will not end automatically. We will temporarily extend the coverage, only for treatment of the condition causing the Total Disability. Benefits will be paid until the earlier of either of the following:

- The Total Disability ends.
- Twelve months from the date coverage would have ended when the entire Policy was terminated.

Continuation of Coverage and Conversion

If your coverage ends under the Policy, you may be entitled to elect continuation coverage (coverage that continues on in some form) in accordance with federal or state law.

Continuation coverage under COBRA (the federal Consolidated Omnibus Budget Reconciliation Act) is available only to Enrolling Groups that are subject to the terms of COBRA. You can contact your plan administrator to determine if your Enrolling Group is subject to the provisions of COBRA.

If you selected continuation coverage under a prior plan which was then replaced by coverage under this Policy, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed below, whichever is earlier.

We are not the Enrolling Group's designated "plan administrator" as that term is used in federal law, and we do not assume any responsibilities of a "plan administrator" according to federal law.

We are not obligated to provide continuation coverage to you if the Enrolling Group or its plan administrator fails to perform its
Responsibilities under federal law. Examples of the responsibilities of the Enrolling Group or its plan administrator are:

- Notifying you in a timely manner of the right to elect continuation coverage.
- Notifying us in a timely manner of your election of continuation coverage.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Enrolling Group's plan administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who was covered under the Policy on the day before a qualifying event:

- A Subscriber.
- A Subscriber's Enrolled Dependent, including with respect to the Subscriber's children, a child born to or placed for adoption with the Subscriber during a period of continuation coverage under federal law.
- A Subscriber's former spouse.

Qualifying Events for Continuation Coverage under Federal Law (COBRA)

If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified

Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

A. Termination of the Subscriber from employment with the Enrolling Group, for any reason other than gross misconduct, or reduction of hours; or
B. Death of the Subscriber; or
C. Divorce or legal separation of the Subscriber; or
D. Loss of eligibility by an Enrolled Dependent who is a child; or
E. Entitlement of the Subscriber to Medicare benefits; or
F. The Enrolling Group filing for bankruptcy, under Title XI, United States Code, on or after July 1, 1986, but only for a retired Subscriber and his or her Enrolled Dependents. This is also a qualifying event for any retired Subscriber and his or her Enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

Notification Requirements and Election Period for Continuation Coverage under Federal Law (COBRA)

The Subscriber or other Qualified Beneficiary must notify the Enrolling Group's designated plan administrator within 60 days of the Subscriber's divorce, legal separation or an Enrolled Dependent's loss of eligibility as an Enrolled Dependent. If the Subscriber or other Qualified Beneficiary fails to notify the designated plan administrator of these events within the 60 day period, the Enrolling Group and its plan administrator are not obligated to provide continued coverage to the affected Qualified Beneficiary. If a Subscriber is continuing coverage under Federal Law, the Subscriber must notify the Enrolling Group's designated plan administrator within 60 days of the birth or adoption of a child.

Continuation must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary
receives notice of the continuation right from the Enrolling Group's designated plan administrator.

If the Qualified Beneficiary's coverage was terminated due to a qualifying event, then the initial Premium due to the Enrolling Group's designated plan administrator must be paid on or before the 45th day after electing continuation.

**Terminating Events for Continuation Coverage under Federal Law (COBRA)**

Continuation under the Policy will end on the earliest of the following dates:

A. Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Subscriber's employment was terminated or hours were reduced (i.e., qualifying event A.).

   If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at anytime within the first 60 days of continuation coverage for qualifying event A, then the Qualified Beneficiary may elect an additional 11 months of continuation coverage (for a total of 29 months of continued coverage) subject to the following condition: (i) notice of such disability must be provided within 60 days after the determination of the disability, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

B. Thirty-six months from the date of the qualifying event for an Enrolled Dependent whose coverage ended because of the death of the Subscriber, divorce or legal separation of the Subscriber, loss of eligibility by an Enrolled Dependent who is a child (i.e. qualifying events B., C., or D.).

C. For the Enrolled Dependents of a Subscriber who was entitled to Medicare prior to a qualifying event that was due to either the termination of employment or work hours being reduced, eighteen months from the date of the qualifying event, or, if later, 36 months from the date of the Subscriber's Medicare entitlement.

D. The date coverage terminates under the Policy for failure to make timely payment of the Premium.

E. The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any preexisting condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the preexisting condition limitation or exclusion.

F. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Enrolling Group filed for bankruptcy, (i.e. qualifying event F.).

G. The date the entire Policy ends.

H. The date coverage would otherwise terminate under the Policy as described in this section under the heading **Events Ending Your Coverage**.
If a Qualified Beneficiary is entitled to 18 months of continuation and a second qualifying event occurs during that time, the Qualified Beneficiary's coverage may be extended up to a maximum of 36 months from the date coverage ended because employment was terminated or hours were reduced. If the Qualified Beneficiary was entitled to continuation because the Enrolling Group filed for bankruptcy, (i.e. qualifying event F) and the retired Subscriber dies during the continuation period, then the other Qualified Beneficiaries shall be entitled to continue coverage for 36 months from the date of the Subscriber's death. Terminating events B through G described in this section will apply during the extended continuation period.

Continuation coverage for Qualified Beneficiaries whose continuation coverage terminates because the Subscriber becomes entitled to Medicare may be extended for an additional period of time. Such Qualified Beneficiaries should contact the Enrolling Group’s designated plan administrator for information regarding the continuation period.

Continuation Coverage under State Laws

As to Former Subscribers Aged 60 and Older - Eligibility

An Enrolling Group subject to COBRA shall offer to former Subscribers and their spouses who are qualified beneficiaries under COBRA the opportunity to continue the Policy’s benefits after COBRA continuation ends, subject to terms and conditions of the Policy.

To be eligible, the former Subscriber must:

- Be 60 years of age or older on the date employment ends.
- Have worked for the Enrolling Group for at least five years prior to the date employment ends.
- Be entitled to elect to continue benefits under COBRA.

Former Subscribers Aged 60 and Older - Notification Requirements and Election Period

The Enrolling Group shall provide the Covered Person with written notification of the right to continuation Coverage prior to the scheduled termination of COBRA continuation and the Covered Person must elect continuation Coverage within 30 days of receiving notification. The Covered Person should obtain an election form from the Enrolling Group and, once election is made, forward all monthly Premiums to us.

Former Subscribers Aged 60 and Older - Terminating Events

Continuation coverage under the Policy will end on the earliest of the following dates:

- The date the individual reaches 65 years of age; or
- The date the former Enrolling Group ceases to maintain any group health plan; or
- The date the individual is covered under any group health plan not maintained by the Enrolling Group, regardless of whether that coverage is less valuable; or
- The date the individual becomes entitled to Medicare; or
- Five years from the date the former Subscriber's employment ended, with respect to the Subscriber's spouse; or
- The date Coverage terminates for failure of the individual to make timely payment of the Premium; or
- The date Coverage terminates because the individual violates a material condition of the Policy.
As to Former Spouses - Eligibility

If a Former Spouse of a Subscriber/former Subscriber was covered as a qualified beneficiary under COBRA, the Former Spouse may further continue benefits of the Policy beyond the date coverage under COBRA ends, subject to terms and conditions of the Policy.

A "Former Spouse" is one of the following:

- An individual divorced from a Subscriber or former Subscriber.
- An individual who was married to a Subscriber/former Subscriber at the time of the death of the Subscriber or former Subscriber.

Former Spouses - Notification Requirements and Election Period

The Enrolling Group shall provide the Covered Person with written notification of the right to continuation coverage prior to the scheduled termination of COBRA continuation and the Covered Person must elect continuation coverage within 30 days of receiving notification. The Covered Person should obtain an election form from the Enrolling Group and, once election is made, forward all monthly Premiums to us.

Former Spouses - Terminating Events

Continuation coverage under the Policy will end on the earliest of the following dates:

- Five years from the date continuation coverage under COBRA was scheduled to end for the Former Spouse; or
- The date the individual reaches 65 years of age; or
- The date the individual is covered under any group health plan not maintained by the Enrolling Group, regardless of whether that coverage is less valuable; or
- The date the individual becomes entitled to Medicare; or
- The date on which the Enrolling Group or former Enrolling Group terminates its group contract with us and ceases to provide coverage for any active subscribers through us, in which case we will notify the Former Spouse of the right to Conversion Coverage; or
- The date Coverage terminates for failure of the individual to make timely payment of the Premium; or
- The date Coverage terminates because the individual violates a material condition of the Policy.

Conversion

If your coverage terminates for any reason other than the reasons shown below, you may make application to us for conversion coverage without furnishing evidence of insurability. You must have been covered under the Policy (or any prior group plan with similar coverage) for at least three months before coverage stopped.

Reasons for termination of coverage under the Policy:

- You failed to make any required contributions toward the coverage; or
- The Policy ends and replacement coverage is provided within 60 days.

Application and payment of the initial Premium must be made within 31 days after coverage ends under the Policy. Conversion coverage will be issued in accordance with the terms and conditions in effect at the time of application. Conversion coverage may be substantially different from coverage provided under the Policy.
Section 9: General Legal Provisions

This section provides you with information about:

- General legal provisions concerning your Policy.

Your Relationship with Us

In order to make choices about your health care coverage and treatment, we believe that it is important for you to understand how we interact with your Enrolling Group’s benefit plan and how it may affect you. We help finance or administer the Enrolling Group’s benefit plan in which you are enrolled. We do not provide medical services or make treatment decisions. This means:

- We communicate to you decisions about whether the Enrolling Group’s benefit plan will cover or pay for the health care that you may receive. The plan pays for certain medical costs, which are more fully described in this Certificate. The plan may not pay for all treatments you or your Physician may believe are necessary. If the plan does not pay, you will be responsible for the cost.
- We do not decide what care you need or will receive. You and your Physician make those decisions.

We may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. We will use individually identifiable information about you as permitted or required by law, including in our operations and in our research. We will use de-identified data for commercial purposes including research.

Our Relationship with Providers and Enrolling Groups

The relationships between us and Network providers and Enrolling Groups are solely contractual relationships between independent contractors. Network providers and Enrolling Groups are not our agents or employees. Neither we nor any of our employees are agents or employees of Network providers or the Enrolling Groups.

We do not provide health care services or supplies, nor do we practice medicine. Instead, we arrange for health care providers to participate in a network and we pay Benefits. Network providers are independent practitioners who run their own offices and facilities. Our credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not our employees nor do we have any other relationship with Network providers such as principal-agent or joint venture. We are not liable for any act or omission of any provider.

We are not considered to be an employer for any purpose with respect to the administration or provision of benefits under the Enrolling Group's benefit plan. We are not responsible for fulfilling any duties or obligations of an employer with respect to the Enrolling Group's benefit plan.

The Enrolling Group is solely responsible for all of the following:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
• The timely payment of the Policy Charge to us.
• Notifying you of the termination of the Policy.

When the Enrolling Group purchases the Policy to provide coverage under a benefit plan governed by the Employee Retirement Income Security Act ("ERISA"), 29 U.S.C. §1001 et seq., we are not the plan administrator or named fiduciary of the benefit plan, as those terms are used in ERISA. If you have questions about your welfare benefit plan, you should contact the Enrolling Group. If you have any questions about this statement or about your rights under ERISA, contact the nearest area office of the Employee Benefits Security Administration, U. S. Department of Labor.

Your Relationship with Providers and Enrolling Groups

The relationship between you and any provider is that of provider and patient.

• You are responsible for choosing your own provider.
• You must decide if any provider treating you is right for you. This includes Network providers you choose and providers to whom you have been referred.
• You must decide with your provider what care you should receive.
• Your provider is solely responsible for the quality of the services provided to you.

The relationship between you and the Enrolling Group is that of employer and employee, Dependent or other classification as defined in the Policy.

Notice

When we provide written notice regarding administration of the Policy to an authorized representative of the Enrolling Group, that notice is deemed notice to all affected Subscribers and their Enrolled Dependents. The Enrolling Group is responsible for giving notice to you.

Statements by Enrolling Group or Subscriber

All statements made by the Enrolling Group or by a Subscriber shall, in the absence of fraud, be deemed representations and not warranties. Except for fraudulent statements, we will not use any statement made by the Enrolling Group to void the Policy after it has been in force for a period of two years.

Incentives to Providers

We pay Network providers through various types of contractual arrangements, some of which may include financial incentives to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

• Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost effectiveness.
• Capitation - a group of Network providers receives a monthly payment from us for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or
arranging to provide the Covered Person's health care is less than or more than the payment.

We use various payment methods to pay specific Network providers. From time to time, the payment method may change. If you have questions about whether your Network provider's contract with us includes any financial incentives, we encourage you to discuss those questions with your provider. You may also contact us at the telephone number on your ID card. We can advise whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed.

Incentives to You
Sometimes we may offer coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but we recommend that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. Contact us if you have any questions.

Interpretation of Benefits
We have sole and exclusive discretion to do all of the following:

- Interpreting Benefits under the Policy.
- Interpreting the other terms, conditions, limitations and exclusions set out in the Policy, including this Certificate of Coverage and any Riders and Amendments.
- Making factual determinations related to the Policy and its Benefits.

We may delegate this discretionary authority to other persons or entities who provide services in regard to the administration of the Policy.

In certain circumstances, for purposes of overall cost savings or efficiency, we may, in our sole discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that we do so in any particular case shall not in any way be deemed to require us to do so in other similar cases.

Administrative Services
We may, in our sole discretion, arrange for various persons or entities to provide administrative services in regard to the Policy, such as claims processing. The identity of the service providers and the nature of the services they provide may be changed from time to time in our sole discretion. We are not required to give you prior notice of any such change, nor are we required to obtain your approval. You must cooperate with those persons or entities in the performance of their responsibilities.

Amendments to the Policy
To the extent permitted by law we reserve the right, in our sole discretion and without your approval, to change, interpret, modify, withdraw or add Benefits or terminate the Policy.

Any provision of the Policy which, on its effective date, is in conflict with the requirements of state or federal statutes or regulations (of the jurisdiction in which the Policy is delivered) is hereby amended to conform to the minimum requirements of such statutes and regulations.
No other change may be made to the Policy unless it is made by an Amendment or Rider which has been signed by one of our officers. All of the following conditions apply:

- Amendments to the Policy are effective 31 days after we send written notice to the Enrolling Group.
- Riders are effective on the date we specify.
- No agent has the authority to change the Policy or to waive any of its provisions.
- No one has authority to make any oral changes or amendments to the Policy.

Clerical Error
If a clerical error or other mistake occurs, that error will not deprive you of Benefits under the Policy, nor will it create a right to Benefits. If the Enrolling Group makes a clerical error (including, but not limited to, sending us inaccurate information regarding your enrollment for coverage or the termination of your coverage under the Policy) we will not make retroactive adjustments beyond a 60-day time period.

Information and Records
At times we may need additional information from you. You agree to furnish us with all information and proofs that we may reasonably require regarding any matters pertaining to the Policy. If you do not provide this information when we request it we may delay or deny payment of your Benefits.

By accepting Benefits under the Policy, you authorize and direct any person or institution that has provided services to you to furnish us with all information or copies of records relating to the services provided to you. We have the right to request this information at any reasonable time. This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Subscriber's enrollment form. We agree that such information and records will be considered confidential.

We have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Policy, for appropriate medical review or quality assessment, or as we are required to do by law or regulation. During and after the term of the Policy, we and our related entities may use and transfer the information gathered under the Policy in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements we recommend that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from us, we also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, we will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. Our designees have the same rights to this information as we have.

Examination of Covered Persons
In the event of a question or dispute regarding your right to Benefits, we may require that a Network Physician of our choice examine you at our expense.
Workers' Compensation not Affected

Benefits provided under the Policy do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Medicare Eligibility

Benefits under the Policy are not intended to supplement any coverage provided by Medicare. Nevertheless, in some circumstances Covered Persons who are eligible for or enrolled in Medicare may also be enrolled under the Policy.

If you are eligible for or enrolled in Medicare, please read the following information carefully.

If you are eligible for Medicare on a primary basis (Medicare pays before Benefits under the Policy), you should enroll for and maintain coverage under both Medicare Part A and Part B. If you don't enroll and maintain that coverage, and if we are the secondary payer as described in (Section 7: Coordination of Benefits), we will pay Benefits under the Policy as if you were covered under both Medicare Part A and Part B. As a result, you will be responsible for the costs that Medicare would have paid and you will incur a larger out-of-pocket cost.

If you are enrolled in a Medicare+Choice (Medicare Part C) plan on a primary basis (Medicare pays before Benefits under the Policy), you should follow all rules of that plan that require you to seek services from that plan's participating providers. When we are the secondary payer, we will pay any Benefits available to you under the Policy as if you had followed all rules of the Medicare+Choice plan. You will be responsible for any additional costs or reduced Benefits that result from your failure to follow these rules, and you will incur a larger out-of-pocket cost.

Refund of Overpayments

If we pay Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to us if either of the following apply:

- All or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.
- All or some of the payment we made exceeded the Benefits under the Policy.

The refund equals the amount we paid in excess of the amount we should have paid under the Policy. If the refund is due from another person or organization, the Covered Person agrees to help us get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, we may reduce the amount of any future Benefits for the Covered Person that are payable under the Policy. We may also reduce future Benefits for the Covered Person under any other group benefits plan that we administer for the Enrolling Group. The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future benefits.

Limitation of Action

You cannot bring any legal action against us to recover reimbursement until 60 days after you have properly submitted a request for reimbursement as described in (Section 5: How to File a Claim). If you want to bring a legal action against us you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against us.
You cannot bring any legal action against us for any other reason unless you first complete all the steps in the complaint process described in (Section 6: Questions, Complaints, Appeals). After completing that process, if you want to bring a legal action against us you must do so within three years of the date we notified you of our final decision on your complaint or you lose any rights to bring such an action against us.

Time Limit on Certain Defenses
No statement made by any Subscriber can be used in defense to a claim under the Policy unless it is contained in a written statement.

No statement, except a fraudulent misstatement, used by a Subscriber to get insurance coverage can be used in defense to a claim for a loss that happened or a disability that started after the insurance coverage has been in force for two years.

Entire Policy
The Policy issued to the Enrolling Group, including this Certificate of Coverage, the Enrolling Group's application, Amendments and Riders, constitutes the entire Policy.
Section 10: Glossary of Defined Terms

This section:
- Defines the terms used throughout this Certificate.
- Is not intended to describe Benefits.

**Alternate Facility** - a health care facility that is not a Hospital, or a facility that is attached to a Hospital and that is designated by the Hospital as an Alternate Facility. This facility provides one or more of the following services on an outpatient basis, as permitted by law:

- Pre-scheduled surgical services.
- Emergency Health Services.
- Pre-scheduled rehabilitative, laboratory or diagnostic services.

An Alternate Facility may also provide Mental Health Services or Substance Abuse Services on an outpatient or inpatient basis.

**Amendment** - any attached written description of additional or alternative provisions to the Policy. Amendments are effective only when signed by us. Amendments are subject to all conditions, limitations and exclusions of the Policy, except for those that are specifically amended.

**Annual Deductible** - the amount you must pay for Covered Health Services in a calendar year before we will begin paying for Benefits in that calendar year.

**Benefits** - your right to payment for Covered Health Services that are available under the Policy. Your right to Benefits is subject to the terms, conditions, limitations and exclusions of the Policy, including this Certificate of Coverage and any attached Riders and Amendments.

**Congenital Anomaly** - a physical developmental defect that is present at birth, and is identified within the first twelve months of birth.

*An acceptable lapse in coverage extends to 180 days under certain conditions. Credit for the time a person is covered under continuous creditable coverage will be given if prior coverage stops for one of the following reasons and the person becomes eligible for coverage under the Policy within 180 days of the date prior coverage ends:

- Employment ends.
- Coverage available through employment or sponsored by an employer terminates.
- An employer's contribution toward health coverage terminates.

**Copayment** - the charge you are required to pay for certain Covered Health Services. A Copayment may be either a set dollar amount or a percentage of Eligible Expenses.

**Cosmetic Procedures** - procedures or services that change or improve appearance without significantly improving physiological function, as determined by us.

**Covered Health Service(s)** - those health services provided for the purpose of preventing, diagnosing or treating a Sickness, Injury, Mental Illness, substance abuse, or their symptoms.
A Covered Health Service is a health care service or supply described in (Section 1: What's Covered--Benefits) as a Covered Health Service, which is not excluded under (Section 2: What's Not Covered--Exclusions).

**Covered Person** - either the Subscriber or an Enrolled Dependent, but this term applies only while the person is enrolled under the Policy. References to "you" and "your" throughout this Certificate are references to a Covered Person.

**Custodial Care** - services that:

- Are non-health related services, such as assistance in activities of daily living (including but not limited to feeding, dressing, bathing, transferring and ambulating); or
- Are health-related services which do not seek to cure, or which are provided during periods when the medical condition of the patient who requires the service is not changing; or
- Do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

**Dependent** - the Subscriber's legal spouse or an unmarried dependent child of the Subscriber or the Subscriber's spouse. All references to the spouse of a Subscriber shall include a Domestic Partner. The term child includes any of the following:

- A natural child.
- A stepchild.
- A legally adopted child.
- A child placed for adoption.
- A child for whom legal guardianship has been awarded to the Subscriber or the Subscriber's spouse.

To be eligible for coverage under the Policy, a Dependent must reside within the United States.

The definition of Dependent is subject to the following conditions and limitations:

- A Dependent includes any unmarried dependent child under 25 years of age.
- A Dependent includes an unmarried dependent child who is 25 years of age or older, but less than 25 years of age only if you furnish evidence upon our request, satisfactory to us, of all the following conditions:
  - The child must not be regularly employed on a full-time basis.
  - The child must be a Full-time Student.
  - The child must be primarily dependent upon the Subscriber for support and maintenance.

Enrollment may not be denied based on any of the following facts:

- The child does not reside with the Subscriber.
- The child is born out of wedlock.
- The child is not claimed as a dependent on the Subscriber's federal or state income tax.
- The child lives outside the service area.

A Dependent also includes a child for whom health care coverage is required through a 'Qualified Medical Child Support Order' or other court or administrative order. The Enrolling Group is responsible for determining if an order meets the criteria of a Qualified Medical Child Support Order.
If the Subcriber is required by a court or administrative order to provide health coverage for the Subscriber's child, the child will be able to be enrolled regardless of any enrollment season restriction. We will enroll the child upon application for enrollment by the custodial parent, the noncustodial parent, the Medi-Cal program, or the local child support agency.

We will not cancel or revoke enrollment of the child, or eliminate coverage, unless one of the following happens:

- The Enrolling Group receives satisfactory written evidence that the order requiring coverage is no longer in effect.
- The Enrolling Group receives confirmation that the child is enrolled in other comparable coverage that will take effect not later than the effective date of disenrollment under this Policy.
- The Enrolling Group has eliminated dependent health coverage for all its Subscribers.
- The Subscriber is no longer eligible for coverage.

We will notify both parents and any other person having custody of a child in writing at any time that health insurance for the child is terminated.

When a child is enrolled in a plan of the noncustodial parent or a parent sharing custody or temporary control of the child, we will:

- Provide the custodial parent with any information necessary to obtain Benefits and services for the child under this Policy.
- Allow the custodial parent or the health care provider with the custodial parent's approval, to submit claims for Benefits, without the approval of the noncustodial parent.
- Make claim payments directly to the person or entity who submitted the claim, that is, the custodial parent, the health care provider, or the Medi-Cal program.

The Subscriber must reimburse us for any Benefits that we pay for a child at a time when the child did not satisfy these conditions.

**Designated Facility** - a Hospital that we name as a Designated Facility. A Designated Facility has entered into an agreement with us, or with an organization contracting on our behalf, to render Covered Health Services for the treatment of specified diseases or conditions. A Designated Facility may or may not be located within our geographic area. The fact that a Hospital is a Network Hospital does not mean that it is a Designated Facility.

**Domestic Partner** - a person of the same sex with whom the Subscriber has established a Domestic Partnership. Persons of the opposite sex may be Domestic Partners when one or both are over age 62.

**Domestic Partnership** - a relationship between a Subscriber and one other person who are Domestic Partners. All of the following requirements apply to both persons:

- They must not be related by blood or a degree of closeness that would prohibit marriage in the law of the state in which they reside.
- They must not be currently married to, or a Domestic Partner of, another person under either statutory or common law.
- They must share the same permanent residence and the common necessities of life.
- They must be at least 18 years of age.
- They must be mentally competent to consent to contract.
They must be financially interdependent and they have furnished documents to support at least two of the following conditions of such financial interdependence:

— They have a single dedicated relationship of at least six months duration.
— They have joint ownership of a residence.
— They have at least two of the following:
  ♦ A joint ownership of an automobile.
  ♦ A joint checking, bank or investment account.
  ♦ A joint credit account.
  ♦ A lease for a residence identifying both partners as tenants.
  ♦ A will and/or life insurance policies which designates the other as primary beneficiary.

The Subscriber and Domestic Partner must file a Declaration of Domestic Partnership with the California Secretary of State and jointly sign an affidavit of Domestic Partnership required by us.

**Durable Medical Equipment** - medical equipment that is all of the following:

- Can withstand repeated use.
- Is not disposable.
- Is used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms.
- Is generally not useful to a person in the absence of a Sickness, Injury or their symptoms.
- Is appropriate for use in the home.

**Eligible Expenses** - the amount we will pay for Covered Health Services, incurred while the Policy is in effect, are determined as stated below:

- For Network Benefits, Eligible Expenses are based on either of the following:
  — When Covered Health Services are received from Network providers, Eligible Expenses are our contracted fee(s) with that provider.
  — When Covered Health Services are received from non-Network providers as a result of an Emergency or as otherwise arranged by us, Eligible Expenses are the fee(s) that we negotiate with the non-Network provider.
- For Non-Network Benefits, Eligible Expenses are based on either of the following:
  — When Covered Health Services are received from non-Network providers, we calculate Eligible Expenses based on available data resources of competitive fees in that geographic area.
  — When Covered Health Services are received from Network providers, Eligible Expenses are our contracted fee(s) with that provider.

Eligible Expenses are determined solely in accordance with our reimbursement policy guidelines. We develop our reimbursement policy guidelines, in our discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

· As reported by generally recognized professionals or publications.
· As used for Medicare.
· As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that we accept.

**Eligible Person** - an employee of the Enrolling Group or other person whose connection with the Enrolling Group meets the eligibility requirements specified in both the application and the Policy. An Eligible Person must reside within the United States.

**Emergency** - a serious medical condition or symptom resulting from Injury, Sickness or Mental Illness which is both of the following:

- Arises suddenly.
- In the judgment of a reasonable person, requires immediate care and treatment, generally received within 24 hours of onset, to avoid jeopardy to life or health.

**Emergency Health Services** - health care services and supplies necessary for the treatment of an Emergency.

**Enrolled Dependent** - a Dependent who is properly enrolled under the Policy.

**Enrolling Group** - the employer, or other defined or otherwise legally established group, to whom the Policy is issued.

**Experimental or Investigational Services** - medical, surgical, diagnostic, psychiatric, substance abuse or other health care services, technologies, supplies, treatments, procedures, drug therapies or devices that, at the time we make a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use; except that coverage is provided for an FDA approved drug prescribed for a use that is different from the use for which the FDA approved it, when needed for treatment of a chronic and seriously debilitating or life-threatening condition. The drug must appear on the Formulary List, if applicable. The drug must be recognized for the specific treatment for which the drug is being prescribed in one of the following established reference compendia: (1) U.S. Pharmacopoeia Dispensing Information; (2) American Medical Association’s Drug Evaluations; or (3) American Hospital Formulary Service Drug Information, or it is recommended by two clinical studies or review articles in major peer reviewed professional journals. However, there is no coverage for any drug that the FDA or a major peer reviewed medical journal has determined to be contraindicated for the specific treatment for which the drug has been prescribed.
- Subject to review and approval by any institutional review board for the proposed use.
- The subject of an ongoing clinical trial that meets the definition of a Phase 1, 2 or 3 clinical trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

With respect to a Covered Person diagnosed with cancer and accepted into a Phase 1, 2, 3, or 4 clinical trial for cancer, coverage is provided for Covered Health Services that are routine patient care costs related to the clinical trial. The Covered Person’s Physician must recommend participation in the clinical trial based on his/her determination that such participation will have a meaningful potential and therapeutic effect to benefit the participant.
If you have a life-threatening Sickness or condition (one which is likely to cause death within one year of the request for treatment) we may, in our discretion, determine that an Experimental or Investigational Service meets the definition of a Covered Health Service for that Sickness or condition. For this to take place, we must determine that the procedure or treatment is promising, but unproven, and that the service uses a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

**Full-time Student** - a person who is enrolled in and attending, full-time, a recognized course of study or training at one of the following:

- An accredited high school.
- An accredited college or university.
- A licensed vocational school, technical school, beautician school automotive school or similar training school.

Full-time Student status is determined in accordance with the standards set forth by the educational institution. You are no longer a Full-time Student at the end of the calendar month during which you graduate or otherwise cease to be enrolled and in attendance at the institution on a full-time basis.

You continue to be a Full-time Student during periods of regular vacation established by the institution. If you do not continue as a Full-time Student immediately following the period of vacation, the Full-time Student designation will end as described above.

**Home Health Agency** - a program or organization authorized by law to provide health care services in the home.

**Hospital** - an institution, operated as required by law, that is both of the following:

- Is primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of injured or sick individuals. Care is provided through medical, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.
- Has 24 hour nursing services.

A Hospital is not primarily a place for rest, custodial care or care of the aged and is not a nursing home, convalescent home or similar institution.

The term "Hospital" when used in connection with Mental Health Services will be deemed to include a facility that may not meet the definition above but which is a psychiatric health facility and fulfills one of the following requirements:

- It is licensed by the California State Department of Health Services.
- It operates under a waiver of licensure granted by the California State Department of Mental Health.

**Initial Enrollment Period** - the initial period of time, as we agree with the Enrolling Group, during which Eligible Persons may enroll themselves and their Dependents under the Policy.

**Injury** - bodily damage other than Sickness, including all related conditions and recurrent symptoms.

**Inpatient Rehabilitation Facility** - a Hospital (or a special unit of a Hospital that is designated as an Inpatient Rehabilitation Facility) that provides rehabilitation health services (physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.
**Inpatient Stay** - an uninterrupted confinement, following formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility.

**Maximum Policy Benefit** - the maximum amount that we will pay for Benefits during the entire period of time that you are enrolled under the Policy issued to the Enrolling Group. The Maximum Policy Benefit includes any amount that we have paid for Benefits under a former Policy issued to the Enrolling Group that is replaced by the current Policy, as well as any amount that we may pay under a later Policy that replaces the Enrolling Group’s current Policy. When the Maximum Policy Benefit applies, it is described in (Section 1: What's Covered--Benefits).

**Medicare** - Parts A, B, and C of the insurance program established by Title XVIII, United States Social Security Act, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

**Mental Health Services** - Covered Health Services for the diagnosis and treatment of Mental Illnesses. The fact that a condition is listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment for the condition is a Covered Health Service.

**Mental Health/Substance Abuse Designee** - the organization or individual, designated by us, that provides or arranges Mental Health Services and Substance Abuse Services for which Benefits are available under the Policy.

**Mental Illness** - those mental health or psychiatric diagnostic categories that are listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association, unless those services are specifically excluded under the Policy.

**Network** - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect with us or with our affiliate (directly or through one or more other organizations) to provide Covered Health Services to Covered Persons.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some of our products. In this case, the provider will be a Network provider for the Health Services and products included in the participation agreement, and a non-Network provider for other Health Services and products. The participation status of providers will change from time to time.

**Network Benefits** - Benefits for Covered Health Services that are provided by (or directed by) a Network Physician or other Network provider in the provider's office or at a Network facility.

**Non-Network Benefits** - Benefits for Covered Health Services that are provided by or directed by a non-Network Physician at a non-Network facility.

**Open Enrollment Period** - a period of time that follows the Initial Enrollment Period during which Eligible Persons may enroll themselves and Dependents under the Policy. We and the Enrolling Group will agree upon the period of time that is the Open Enrollment Period.

**Out-of-Pocket Maximum** - the maximum amount of Copayments you pay every calendar year. If you use both Network Benefits and Non-Network Benefits, two separate Out-of-Pocket Maximums apply. Once you reach the Out-of-Pocket Maximum, Benefits are payable at 100% of Eligible Expenses during the rest of that calendar year.
Copayments for some Covered Health Services will never apply to the Out-of-Pocket Maximum, as specified in (Section 1: What's Covered--Benefits).

The Out-of-Pocket Maximum does not include any of the following:

- Any charges for non-Covered Health Services;
- Copayments for Covered Health Services available by an optional Rider.
- The amount of any reduced Benefits if you don't notify us as described in (Section 1: What's Covered--Benefits) under the Must You Notify Us? column.
- Charges that exceed Eligible Expenses.
- Any Copayments for Covered Health Services in Section 1: What's Covered--Benefits) that do not apply to the Out-of-Pocket Maximum.
- The Annual Deductible.

Physician - any Doctor of Medicine, "M.D.", or Doctor of Osteopathy, "D.O.", who is properly licensed and qualified by law.

Please Note: Any acupuncturist, audiologist, chiropractor, clinical social worker, dentist, dietitian, dispensing optician, marriage, family and child counselor, mental health clinical nurse specialist, nurse midwife, nurse practitioner, occupational therapist, optometrist, pharmacist, physical therapist, podiatrist, psychologist, psychiatric-mental health nurse, respiratory care practitioner, speech-language pathologist, or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that we describe a provider as a Physician does not mean that Benefits for services from that provider are available to you under the Policy.

Policy - the entire agreement issued to the Enrolling Group, that includes all of the following:
- The group Policy.
- This Certificate of Coverage.
- The Enrolling Group's application.
- Amendments.
- Riders.

These documents make up the entire agreement that is issued to the Enrolling Group.

Policy Charge - the sum of the Premiums for all Subscribers and Enrolled Dependents enrolled under the Policy.

Pregnancy - includes all of the following:
- Prenatal care.
- Postnatal care.
- Childbirth.
- Any complications associated with Pregnancy.

Premium - the periodic fee required for each Subscriber and each Enrolled Dependent, in accordance with the terms of the Policy.

Rider - any attached written description of additional Covered Health Services not described in this Certificate. Covered Health Services provided by a Rider may be subject to payment of additional Premiums. Riders are effective only when signed by us and are subject to all conditions, limitations and exclusions of the Policy except for those that are specifically amended in the Rider.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service,
the difference in cost between a Semi-private Room and a private room is a Benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

**Sickness** - physical illness, disease or Pregnancy. The term Sickness as used in this Certificate does not include Mental Illness or substance abuse, regardless of the cause or origin of the Mental Illness or substance abuse.

**Skilled Nursing Facility** - a Hospital or nursing facility that is licensed and operated as required by law.

**Spinal Treatment** - detection or correction (by manual or mechanical means) of subluxation(s) in the body to remove nerve interference or its effects. The interference must be the result of, or related to, distortion, misalignment or subluxation of, or in, the vertebral column.

**Subscriber** - an Eligible Person who is properly enrolled under the Policy. The Subscriber is the person (who is not a Dependent) on whose behalf the Policy is issued to the Enrolling Group.

**Substance Abuse Services** - Covered Health Services for the diagnosis and treatment of alcoholism and substance abuse disorders that are listed in the current Diagnostic and Statistical Manual of the American Psychiatric Association, unless those services are specifically excluded. The fact that a disorder is listed in the Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment of the disorder is a Covered Health Service.

**Total Disability or Totally Disabled** - a Subscriber's inability to perform all of the substantial and material duties of his or her regular employment or occupation; and a Dependent's inability to perform the normal activities of a person of like age and sex.

**Unproven Services** - services that are not consistent with conclusions of prevailing medical research which demonstrate that the health service has a beneficial effect on health outcomes and that are not based on trials that meet either of the following designs.

- Well-conducted randomized controlled trials. (Two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.)

- Well-conducted cohort studies. (Patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.)

Decisions about whether to cover new technologies, procedures and treatments will be consistent with conclusions of prevailing medical research, based on well-conducted randomized trials or cohort studies, as described.

If you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment) we may, in our discretion, determine that an Unproven Service meets the definition of a Covered Health Service for that Sickness or condition. For this to take place, we must determine that the procedure or treatment is promising, but unproven, and that the service uses a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

**Urgent Care Center** - a facility, other than a Hospital, that provides Covered Health Services that are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

Section 1: What's Covered--Benefits

Accessing Benefits

Depending on the geographic area and the service you receive, you may have access through our Shared Savings Program to non-Network providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services from Shared Savings Program providers than from other non-Network providers, because the Eligible Expense may be a lesser amount.

If more than one piece of Durable Medical Equipment can meet your functional needs, Benefits are available only for the most cost-effective piece of equipment.

Examples of Durable Medical Equipment include:

- Equipment to assist mobility, such as a standard wheelchair.
- A standard Hospital-type bed.
- Oxygen and the rental of equipment to administer oxygen (including tubing, connectors and masks).
- Delivery pumps for tube feedings (including tubing and connectors).
- Braces, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an Injured body part.
and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Braces that straighten or change the shape of a body part are orthotic devices, and are excluded from coverage. Dental braces are also excluded from coverage.

- Mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

We provide Benefits only for a single purchase (including repair/replacement) of a type of Durable Medical Equipment once every three calendar years.

We will decide if the equipment should be purchased or rented. To receive Network Benefits, you must purchase or rent the Durable Medical Equipment from the vendor we identify.

Any combination of Network and Non-Network Benefits for Durable Medical Equipment is limited to $2,500 per calendar year. This limit applies to the total amount that we will pay for the Durable Medical Equipment, and does not include any Copayment or Annual Deductible responsibility you may have.

**Notify Us**

Please remember that for Non-Network Benefits you must notify us before obtaining any single item of Durable Medical Equipment that costs more than $1,000 (either purchase price or cumulative rental of a single item). If you don't notify us, you will be responsible for paying all charges and no Benefits will be paid.

**Outpatient Diagnostic Services**

Covered Health Services received on an outpatient basis at a Hospital or Alternate Facility including:

- Lab and radiology/X-ray. Benefits include, but are not limited to, cancer screening tests, including cervical and prostate cancer screening tests.
- Mammography testing. Benefits are provided whether mammography testing is ordered or referred by a Physician, a nurse practitioner, or a certified nurse midwife.
- Covered Health Services provided through participation in the Expanded Alpha Feto Protein (AFP) program, a statewide prenatal testing program administered by the State Department of Health Services.

Benefits under this section include the facility charge, the charge for required services, supplies and equipment, and all related professional fees.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services* below.

This section does not include Benefits for CT scans, Pet scans, MRIs, or nuclear medicine, which are described immediately below.

### Description of Covered Health Service

| Women's Health and Cancer Rights Act of 1998 and state law, or prosthetic devices for voice restoration. |

Any combination of Network and Non-Network Benefits for prosthetic devices is limited to $2,500 per calendar year. This limit applies to the total amount that we will pay for the prosthetics, and does not include any Copayment or Annual Deductible responsibility you may have. This limit does not include items required by the Women's Health and Cancer Rights Act of 1998 and state law, or prosthetic devices for voice restoration.

Once this Benefit limit is reached, no additional Benefits are available except for items required by the Women's Health and Cancer Rights Act of 1998 and state law, and prosthetic devices for voice restoration.
Section 2: What's Not Covered--Exclusions

Section 2 is modified by replacing exclusion #3 under Medical Supplies and Appliances with the following exclusion:

Medical Supplies and Appliances
3. Orthotic appliances that straighten or re-shape a body part (including cranial banding and some types of braces).

Section 2 is modified by replacing exclusion #3 under Mental Health/Substance Abuse with the following exclusion:

Mental Health/Substance Abuse
3. Mental Health Services as treatment for insomnia and other sleep disorders, neurological disorders and other disorders with a known physical basis.
Section 3: Description of Network and Non-Network Benefits

Designated Facilities and Other Providers in (Section 3: Description of Network and Non-Network Benefits) is replaced with the following:

**Designated Facilities and Other Providers**
If you have a medical condition that we believe needs special services, we may direct you to a Designated Facility or other provider chosen by us. If you require certain complex Covered Health Services for which expertise is limited, we may direct you to a non-Network facility or provider.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Facility or other provider chosen by us.

You or your Network Physician must notify us of special service needs (including, but not limited to, transplants or cancer treatment) that might warrant referral to a Designated Facility or non-Network facility or provider. If you do not notify us in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Facility) or other non-Network provider, Network Benefits will not be paid. Non-Network Benefits may be available if the special needs services you receive are Covered Health Services for which Benefits are provided under the Policy.

Non-Network Benefits
Depending on the geographic area and the service you receive, you may have access through our Shared Savings Program to providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, and if your Copayment is expressed as a percentage of Eligible Expenses for Non-Network Benefits, that percentage will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services from Shared Savings Program providers than from other non-Network providers, because the Eligible Expense may be a lesser amount.

Emergency Health Services in (Section 3: Description of Network and Non-Network Benefits) is replaced with the following:

**Emergency Health Services**
We provide Benefits for Emergency Health Services when required for stabilization and initiation of treatment as provided by or under the direction of a Physician.
Network Benefits are paid for Emergency Health Services, even if the services are provided by a non-Network provider.

If you are confined in a non-Network Hospital after you receive Emergency Health Services, we must be notified within one business day or on the same day of admission if reasonably possible. We may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you choose to stay in the non-Network Hospital after the date we decide a transfer is medically appropriate, Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service.
Section 5: How to File a Claim

Payment of Benefits in (Section 5: How to File a Claim) is replaced with the following:

Payment of Benefits
We will pay Benefits within 30 days after we receive your request for payment that includes all required information.

We will reimburse claims or any portion of any claim, whether instate or out-of-state, for Covered Health Services, as soon as possible, no later than 30 working days after receipt of the claim.

However, a claim or portion of a claim may be contested by us. In that case you will be notified in writing that the claim is contested or denied within 30 working days of receipt of the claim. The notice that the claim is being contested will identify the portion of the claim that is contested and the specific reasons for contesting the claim.

If an uncontested claim is not reimbursed by delivery to your address of record within 30 working days after receipt, we will pay interest at the rate of 10% per annum beginning with the first calendar day after the 30-working-day period.

You may not assign your Benefits under the Policy to a non-Network provider without our consent. We may, however, in our discretion, pay a non-Network provider directly for services rendered to you.
Section 8: When Coverage Ends

The following provision describing Continuation of Coverage under State Law (Cal-COBRA) is added to (Section 8: When Coverage Ends):

Continuation Coverage under State Law (Cal-COBRA)
You should call your Enrolling Group’s plan administrator if you have questions about your right to continue coverage under state law.

In order to be eligible for continuation coverage under state law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any individual who was covered under the Policy on the day before a qualifying event.

This provision also applies to an individual who has exhausted continuation coverage under Federal law (COBRA) and who was entitled to less than 36 months of continuation coverage under Federal law.

Qualifying Events for Continuation Coverage under State Law (Cal-COBRA)
If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

A. Termination of the Subscriber from employment with the Enrolling Group, for any reason other than gross misconduct; or
B. Death of the Subscriber; or
C. Divorce or legal separation of the Subscriber; or
D. Loss of eligibility by an Enrolled Dependent who is a child; or
E. Entitlement of the Subscriber to Medicare benefits; or
F. The Enrolling Group filing for bankruptcy, under Title XI, United States Code, on or after July 1, 1986, but only for a retired Subscriber and his or her Enrolled Dependents. This is also a qualifying event for any retired Subscriber and his or her Enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

Notification Requirements and Election Period for Continuation Coverage under State Law (Cal-COBRA)
The Subscriber or other Qualified Beneficiary must notify the Enrolling Group's designated plan administrator within 60 days of the Subscriber's divorce, legal separation or an Enrolled Dependent's loss of eligibility as an Enrolled Dependent. If the Subscriber or other Qualified Beneficiary fails to notify the designated plan administrator of these events within the 60 day period, the Enrolling Group and its plan administrator are not obligated to provide continued coverage to the affected Qualified Beneficiary. If a
Subscriber is continuing coverage under state law, the Subscriber must notify the Enrolling Group's designated plan administrator within 60 days of the birth or adoption of a child.

Continuation must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the Enrolling Group's designated plan administrator.

If the Qualified Beneficiary's coverage was terminated due to a qualifying event, then the initial Premium due to the Enrolling Group's designated plan administrator must be paid on or before the 45th day after electing continuation.

**Terminating Events for Continuation Coverage under State Law (Cal-COBRA)**

Continuation under the Policy will end on the earliest of the following dates:

A. Thirty-six months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Subscriber's employment was terminated (i.e., qualifying event A.).

B. Thirty-six months from the date of the qualifying event for an Enrolled Dependent whose coverage ended because of the death of the Subscriber, divorce or legal separation of the Subscriber, loss of eligibility by an Enrolled Dependent who is a child (i.e. qualifying events B., C., or D).

C. For the Enrolled Dependents of a Subscriber who was entitled to Medicare prior to a qualifying event that was due to either the termination of employment or work hours being reduced, eighteen months from the date of the qualifying event, or, if later, 36 months from the date of the Subscriber's Medicare entitlement.

D. The date coverage terminates under the Policy for failure to make timely payment of the Premium.

E. The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any pre-existing condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.

F. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Enrolling Group filed for bankruptcy, (i.e. qualifying event F.)

G. The date the entire Policy ends.

H. The date coverage would otherwise terminate under the Policy as described in this section under the heading *Events Ending Your Coverage.*
Section 10: Glossary of Defined Terms

The definition of Alternate Facility is replaced with the following:

Alternate Facility - a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- Surgical services.
- Emergency Health Services.
- Rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health Services or Substance Abuse Services on an outpatient or inpatient basis.

The definition of Designated Facility is replaced with the following:

Designated Facility - a facility that has entered into an agreement on behalf of the facility and its affiliated staff with us or with an organization contracting on our behalf, to render Covered Health Services for the treatment of specified diseases or conditions. A Designated Facility may or may not be located within your geographic area. The fact that a Hospital is a Network Hospital does not mean that it is a Designated Facility.

The definition of Eligible Expenses is replaced with the following:

Eligible Expenses - the amount we will pay for Covered Health Services, incurred while the Policy is in effect, are determined as stated below:

For Network Benefits, Eligible Expenses are based on either of the following:

- When Covered Health Services are received from Network providers, Eligible Expenses are our contracted fee(s) with that provider.
- When Covered Health Services are received from non-Network providers as a result of an Emergency or as otherwise arranged by us, Eligible Expenses are billed charges unless a lower amount is negotiated.

For Non-Network Benefits, Eligible Expenses are based on either of the following:

- When Covered Health Services are received from non-Network providers, Eligible Expenses are determined, at our discretion, based on:
  — Fee(s) that are negotiated with the provider.
  — A percentage of the published rates allowed by Medicare for the same or similar service.
  — 50% of the billed charge.
A fee schedule that we develop.

- When Covered Health Services are received from Network providers, Eligible Expenses are our contracted fee(s) with that provider.

Eligible Expenses are determined solely in accordance with our reimbursement policy guidelines. We develop our reimbursement policy guidelines, in our discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that we accept.

The definition of Network is replaced with the following:

**Network** - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with us or with our affiliate to participate in our Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services by way of their participation in the Shared Savings Program. Our affiliates are those entities affiliated with us through common ownership or control with us or with our ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some of our products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

**The definition of Out-of-Pocket Maximum is replaced with the following:**

**Out-of-Pocket Maximum** - the maximum amount of Copayments you pay every calendar year. If you use both Network Benefits and Non-Network Benefits, two separate Out-of-Pocket Maximums apply. Once you reach the Out-of-Pocket Maximum for Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that calendar year. Once you reach the Out-of-Pocket Maximum for Non-Network Benefits, Benefits for those Covered Health Services that apply to the Out-of-Pocket Maximum are payable at 100% of Eligible Expenses during the rest of that calendar year. Copayments for some Covered Health Services will never apply to the Out-of-Pocket Maximum, as specified in (Section 1: What's Covered--Benefits) and those Benefits will never be payable at 100% even when the Out-of-Pocket Maximum is reached.

The following costs will never apply to the Out-of-Pocket Maximum:

- Any charges for non-Covered Health Services.
- Copayments for Covered Health Services available by an optional Rider.

To continue reading, go to left column on next page.
United HealthCare Insurance Company

- The amount of any reduced Benefits if you don't notify us as described in (Section 1: What's Covered--Benefits) under the Must You Notify Us? column.
- Charges that exceed Eligible Expenses.
- Any Copayments for Covered Health Services in (Section 1: What's Covered--Benefits) that do not apply to the Out-of-Pocket Maximum.
- The Annual Deductible.

Even when the Out-of-Pocket Maximum has been reached, you will still be required to pay:

- Any charges for non-Covered Health Services.
- Charges that exceed Eligible Expenses.
- The amount of any reduced Benefits if you don't notify us as described in (Section 1: What's Covered--Benefits) under the Must You Notify Us? column.
- Copayments for Covered Health Services available by an optional Rider.
- Copayments for Covered Health Services in (Section 1: What's Covered--Benefits) that are subject to Copayments that do not apply to the Out-of-Pocket Maximum.

The following definition of Shared Savings Program is added:

**Shared Savings Program** - the Shared Savings Program provides access to discounts from the provider's charges when services are rendered by those non-Network providers that participate in that program. We will use the Shared Savings Program to pay claims when doing so will lower Eligible Expenses. We do not credential the Shared Savings Program providers and the Shared Savings Program providers are not Network providers. Accordingly, Benefits for Covered Health Services provided by Shared Savings Program providers will be paid at the Non-Network Benefit level (except in situations when Benefits for Covered Health Services provided by non-Network providers are payable at Network Benefit levels, as in the case of Emergency Health Services). When we use the Shared Savings Program to pay a claim, patient responsibility is limited to Copayments calculated on the contracted rate paid to the provider, in addition to any required Annual Deductible.

Outpatient Prescription Drug Rider

This Rider to the Policy is issued to the Enrolling Group and provides Benefits for outpatient Prescription Drug Products.

Benefits are provided for outpatient Prescription Drug Products at either a Network Pharmacy or a non-Network Pharmacy.

Because this Rider is part of a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in (Section 10: Glossary of Defined Terms) of the Certificate of Coverage and in (Section 3: Glossary of Defined Terms) of this Rider.

When we use the words "we," "us," and "our" in this document, we are referring to United HealthCare Insurance Company. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in the Certificate of Coverage (Section 10: Glossary of Defined Terms).

NOTE: The Coordination of Benefits provision (Section 7: Coordination of Benefits) in the Certificate of Coverage does not apply to Prescription Drug Products covered through this Rider. Prescription Drug Product Benefits will not be coordinated with those of any other health coverage plan.
Introduction

Benefits for Outpatient Prescription Drug Products

Benefits are available for Outpatient Prescription Drug Products on our Prescription Drug List at either a Network Pharmacy or a non-Network Pharmacy and are subject to Copayments or other payments that vary depending on which of the three tiers of the Prescription Drug List the Outpatient Prescription Drug is listed.

Coverage Policies and Guidelines

Our Prescription Drug List ("PDL") Management Committee is authorized to make tier placement changes on our behalf. The PDL Management Committee makes the final classification of an FDA-approved Prescription Drug Product to a certain tier by considering a number of factors including, but not limited to, clinical and economic factors. Clinical factors may include, but are not limited to, evaluations of the place in therapy, relative safety or relative efficacy of the Prescription Drug Product, as well as whether supply limits or notification requirements should apply. Economic factors may include, but are not limited to, the Prescription Drug Product's acquisition cost including, but not limited to, available rebates, and assessments on the cost effectiveness of the Prescription Drug Product.

We may periodically change the placement of a Prescription Drug Product among the tiers. These changes generally will occur quarterly, but no more than six times per calendar year. These changes may occur without prior notice to you.

When considering a Prescription Drug Product for tier placement, the PDL Management Committee reviews clinical and economic factors regarding Covered Persons as a general population. Whether a particular Prescription Drug Product is appropriate for an individual Covered Person is a determination that is made by the Covered Person and the prescribing Physician.

NOTE: The tier status of a Prescription Drug Product may change periodically based on the process described above. As a result of such changes, you may be required to pay more or less for that Prescription Drug Product. Please access www.myuhc.com through the Internet, or call the Customer Service number on your ID card for the most up-to-date tier status.

Identification Card (ID Card) - Network Pharmacy

You must either show your ID card at the time you obtain your Prescription Drug Product at a Network Pharmacy or you must provide the Network Pharmacy with identifying information that can be verified by us during regular business hours.

If you don’t show your ID card or provide verifiable information at a Network Pharmacy, you will be required to pay the Usual and Customary Charge for the Prescription Drug Product at the pharmacy.

You may seek reimbursement from us as described in the Certificate of Coverage (Section 5: How to File a Claim). When you submit a claim on this basis, you may pay more because you failed to verify your eligibility when the Prescription Drug Product was dispensed. The amount you are reimbursed will be based on the Prescription...
Drug Cost, less the required Copayment and any deductible that applies.

**Designated Pharmacies**
If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an exclusive arrangement to provide those Prescription Drug Products.

In this case, Benefits will only be paid if your Prescription Order or Refill is obtained from the Designated Pharmacy.

**Limitation on Selection of Pharmacies**
If we determine that you may be using Prescription Drug Products in a harmful or abusive manner, or with harmful frequency, your selection of Network Pharmacies may be limited. If this happens, we may require you to select a single Network Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if you use the designated single Network Pharmacy. If you don't make a selection within 31 days of the date we notify you, we will select a single Network Pharmacy for you.

**Rebates and Other Payments to Us**
We may receive rebates for certain drugs included on our Prescription Drug List. We do not consider these rebates in calculating any percentage Copayments. We are not required to pass on to you, and we do not pass on to you, amounts payable to us under rebate programs or other such discounts.

We, and a number of our affiliated entities, conduct business with various pharmaceutical manufacturers separate and apart from this Outpatient Prescription Drug Rider. Such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this Outpatient Prescription Drug Rider. We are not required to pass on to you, and we do not pass on to you, such amounts.

**Coupons, Incentives and Other Communications**
At various times, we may send mailings to you or to your Physician that communicate a variety of messages, including information about Prescription Drug Products. These mailings may contain coupons or offers from pharmaceutical manufacturers that enable you, at your discretion, to purchase the described drug product at a discount or to obtain it at no charge. Pharmaceutical manufacturers may pay for and/or provide the content for these mailings. Only your Physician can determine whether a change in your Prescription Order or Refill is appropriate for your medical condition.
Section 1: What's Covered--Prescription Drug Benefits

We provide Benefits under the Policy for outpatient Prescription Drug Products:

- Designated as covered at the time the Prescription Order or Refill is dispensed when obtained from a Network or non-Network Pharmacy.
- Refer to exclusions in your Certificate of Coverage (Section 2: What's Not Covered--Exclusions) and as listed in Section 2 of this Rider.

Benefits for Outpatient Prescription Drug Products

Benefits for outpatient Prescription Drug Products are available when the outpatient Prescription Drug Product meets the definition of a Covered Health Service or is prescribed to prevent conception.

When a Brand-name Drug Becomes Available as a Generic

When a Generic becomes available for a Brand-name Prescription Drug Product, the tier placement of the Brand-name Prescription Drug Product may change, and therefore your Copayment may change. You will pay the Copayment applicable for the tier to which the Prescription Drug Product is assigned.

Supply Limits

Benefits for Prescription Drug Products are subject to the supply limits that are stated in the "Description of Pharmacy Type and Supply Limits" column of the Benefit Information table. For a single Copayment, you may receive a Prescription Drug Product up to the stated supply limit.

Note: Some products are subject to additional supply limits based on criteria that we have developed, subject to our periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply.

You may determine whether a Prescription Drug Product has been assigned a maximum quantity level for dispensing through the Internet at www.myuhc.com or by calling Customer Service at the telephone number on your ID card.

Notification Requirements

Before certain Prescription Drug Products are dispensed to you, either your Physician, your pharmacist or you are required to notify us or our designee. The reason for notifying us is to determine...
whether the Prescription Drug Product, in accordance with our approved guidelines, is each of the following:

- It meets the definition of a Covered Health Service.
- It is not Experimental, Investigational or Unproven.

**Network Pharmacy Notification**

When Prescription Drug Products are dispensed at a Network Pharmacy, the prescribing provider, the pharmacist, or you are responsible for notifying us.

**Non-Network Pharmacy Notification**

When Prescription Drug Products are dispensed at a non-Network Pharmacy, you or your Physician are responsible for notifying us as required.

If we are not notified before the Prescription Drug Product is dispensed, you may pay more for that Prescription Order or Refill. The Prescription Drug Products requiring notification are subject to our periodic review and modification. You may determine whether a particular Prescription Drug Product requires notification through the Internet at www.myuhc.com or by calling the Customer Service number on your ID card.

If we are not notified before the Prescription Drug Product is dispensed, you can ask us to consider reimbursement after you receive the Prescription Drug Product. You will be required to pay for the Prescription Drug Product at the pharmacy. Our contracted pharmacy reimbursement rates (our Prescription Drug Cost) will not be available to you at a non-Network Pharmacy. You may seek reimbursement from us as described in the Certificate of Coverage (Section 5: How to File a Claim).

When you submit a claim on this basis, you may pay more because you did not notify us before the Prescription Drug Product was dispensed. The amount you are reimbursed will be based on the Prescription Drug Cost (for Prescription Drug Products from a Network Pharmacy) or the Predominant Reimbursement Rate (for Prescription Drug Products from a non-Network Pharmacy), less the required Copayment and any deductible that applies.

Benefits may not be available for the Prescription Drug Product after we review the documentation provided and we determine that the Prescription Drug Product is not a Covered Health Service or it is Experimental, Investigational or Unproven.

**What You Must Pay**

You are responsible for paying the applicable Copayment described in the Benefit Information table when Prescription Drug Products are obtained from a retail or home delivery pharmacy.

The amount you pay for any of the following under this Rider will not be included in calculating any Out-of-Pocket Maximum stated in your Certificate of Coverage:

- Copayments for Prescription Drug Products.
- Any non-covered drug product. You are responsible for paying 100% of the cost (the amount the pharmacy charges you) for any non-covered drug product and our contracted rates (our Prescription Drug Cost) will not be available to you.

Description of Pharmacy Type and Supply Limits

Product. We will not reimburse you for any non-covered drug product.

In most cases, you will pay more if you obtain Prescription Drug Products from a non-Network Pharmacy.

The following supply limits apply:

- As written by the provider, up to a consecutive 31-day supply of a Prescription Drug Product, unless adjusted based on the drug manufacturer’s packaging size, or based on supply limits.
- A one-cycle supply of an oral contraceptive. You may obtain up to three cycles at one time if you pay a Copayment for each cycle supplied.

Your Copayment Amount

$30.00 per Prescription Order or Refill for a Tier-2 Prescription Drug Product.

$50.00 per Prescription Order or Refill for a Tier-3 Prescription Drug Product.

Prescription Drug Products from a Home Delivery Network Pharmacy

Benefits are provided for outpatient Prescription Drug Products dispensed by a home delivery Network Pharmacy. The following supply limits apply:

- As written by the provider, up to a consecutive 90-day supply of a Prescription Drug Product, unless adjusted based on the drug manufacturer’s packaging size, or based on supply limits.

To maximize your Benefit, ask your Physician to write your Prescription Order or Refill for a 90-day supply, with refills when appropriate. You will be charged a home delivery Copayment for any Prescription Orders or Refills sent to the home delivery pharmacy regardless of the number-of-days’ supply written on the Prescription Order or Refill. Be sure your Physician writes your Prescription Order or refill for a 90-day supply, not a 30-day supply with three refills.

Your Copayment is determined by the tier to which the Prescription Drug List Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned to Tier-1, Tier-2 or Tier-3. Please access www.myuhc.com through the Internet, or call the Customer Service number on your ID card to determine tier status.

For up to a 90-day supply, your Copayment is:

- $25.00 per Prescription Order or Refill for a Tier-1 Prescription Drug Product.
- $75.00 per Prescription Order or Refill for a Tier-2 Prescription Drug Product.
- $125.00 per Prescription Order or Refill for a Tier-3 Prescription Drug Product.

Section 2: What's Not Covered--Exclusions

Exclusions from coverage listed in the Certificate apply also to this Rider. In addition, the following exclusions apply:

1. Coverage for Prescription Drug Products for the amount dispensed (days' supply or quantity limit) which exceeds the supply limit.
3. Drugs which are prescribed, dispensed or intended for use while you are an inpatient in a Hospital, Skilled Nursing Facility, or Alternate Facility.
4. Experimental, Investigational or Unproven Services and medications; medications used for experimental indications and/or dosage regimens determined by us to be experimental, investigational or unproven.
5. Prescription Drug Products furnished by the local, state or federal government. Any Prescription Drug Product to the extent payment or benefits are provided or available from the local, state or federal government (for example, Medicare) whether or not payment or benefits are received, except as otherwise provided by law.
6. Prescription Drug Products for any condition, Injury, Sickness or mental illness arising out of, or in the course of, employment for which benefits are available under any workers' compensation law or other similar laws, whether or not a claim for such benefits is made or payment or benefits are received.
7. Any product dispensed for the purpose of appetite suppression and other weight loss products.
8. A specialty medication Prescription Drug Product (including, but not limited to, immunizations and allergy serum) which, due to its characteristics as determined by us, must typically be administered or supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion does not apply to Depo Provera and other injectable drugs used for contraception.
9. Durable Medical Equipment. Prescribed and non-prescribed outpatient supplies, other than the diabetic supplies and inhaler spacers specifically stated as covered.
10. General vitamins, except the following which require a Prescription Order or Refill: prenatal vitamins, vitamins with fluoride, and single entity vitamins.
11. Unit dose packaging of Prescription Drug Products.
12. Medications used for cosmetic purposes.
13. Prescription Drug Products, including New Prescription Drug Products or new dosage forms, that are determined to not be a Covered Health Service.
14. Prescription Drug Products as a replacement for a previously dispensed Prescription Drug Product that was lost, stolen, broken or destroyed.
15. Prescription Drug Products when prescribed to treat infertility.
17. Compounded drugs that do not contain at least one ingredient that requires a Prescription Order or Refill. Compounded drugs that...
contain at least one ingredient that requires a Prescription Order or Refill are assigned to Tier-3.

18. Drugs available over-the-counter that do not require a Prescription Order or Refill by federal or state law before being dispensed. Any Prescription Drug Product that is therapeutically equivalent to an over-the-counter drug. Prescription Drug Products that are comprised of components that are available in over-the-counter form or equivalent.

19. New Prescription Drug Products and/or new dosage forms until the date they are reviewed and assigned to a tier by our Prescription Drug List Management Committee.

20. Growth hormone for children with familial short stature (short stature based upon heredity and not caused by a diagnosed medical condition).
Section 3: Glossary of Defined Terms

This section:
- Defines the terms used throughout this Rider. Other defined terms used throughout this Rider can be found in (Section 10: Glossary of Defined Terms) of your Certificate of Coverage.
- Is not intended to describe Benefits.

**Brand-name** - a Prescription Drug Product: (1) which is manufactured and marketed under a trademark or name by a specific drug manufacturer; or (2) that we identify as a Brand-name product, based on available data resources including, but not limited to, First DataBank, that classify drugs as either brand or generic based on a number of factors. You should know that all products identified as a "brand name" by the manufacturer, pharmacy, or your Physician may not be classified as Brand-name by us.

**Designated Pharmacy** - a pharmacy that has entered into an agreement on behalf of the pharmacy with us or with an organization contracting on our behalf, to provide specific Prescription Drug Products. The fact that a pharmacy is a Network Pharmacy does not mean that it is a Designated Pharmacy.

**Generic** - a Prescription Drug Product: (1) that is chemically equivalent to a Brand-name drug; or (2) that we identify as a Generic product based on available data resources including, but not limited to, First DataBank, that classify drugs as either brand or generic based on a number of factors. You should know that all products identified as a "generic" by the manufacturer, pharmacy or your Physician may not be classified as a Generic by us.

**Network Pharmacy** - a pharmacy that has:
- Entered into an agreement with us or our designee to provide Prescription Drug Products to Covered Persons.
- Agreed to accept specified reimbursement rates for dispensing Prescription Drug Products.
- Been designated by us as a Network Pharmacy.

A Network Pharmacy can be either a retail or a home delivery pharmacy.

**New Prescription Drug Product** - a Prescription Drug Product or new dosage form of a previously approved Prescription Drug Product, for the period of time starting on the date the Prescription Drug Product or new dosage form is approved by the FDA, and ending on the earlier of the following dates:
- The date it is assigned to a tier by our Prescription Drug List Management Committee.
- December 31st of the following calendar year.

**Predominant Reimbursement Rate** - the amount we will pay to reimburse you for a Prescription Drug Product that is dispensed at a non-Network Pharmacy. The Predominant Reimbursement Rate for a particular Prescription Drug Product dispensed at a non-Network Pharmacy includes a dispensing fee and sales tax. We calculate the...
Predominant Reimbursement Rate using our Prescription Drug Cost that applies for that particular Prescription Drug Product at most Network Pharmacies.

**Prescription Drug Cost** - the rate we have agreed to pay our Network Pharmacies, including a dispensing fee and any sales tax, for a Prescription Drug Product dispensed at a Network Pharmacy.

**Prescription Drug List** - a list that identifies those Prescription Drug Products for which Benefits are available under this Rider. This list is subject to our periodic review and modification (generally quarterly, but no more than six times per calendar year). You may determine to which tier a particular Prescription Drug Product has been assigned through the Internet at www.myuhc.com or by calling the Customer Service number on your ID card.

**Prescription Drug List Management Committee** - the committee that we designate for, among other responsibilities, classifying Prescription Drug Products into specific tiers.

**Prescription Drug Product** - a medication, product or device that has been approved by the Food and Drug Administration and that can, under federal or state law, be dispensed only pursuant to a Prescription Order or Refill.

"Prescription Drug Product" includes an FDA-approved drug prescribed for a use that is different from the use for which the FDA approved it, when needed for treatment of a chronic and seriously debilitating or life-threatening condition. The drug must be recognized for the specific treatment for which the drug is being prescribed in one of the following established reference compendia: (1) U.S. Pharmacopoeia Dispensing Information; (2) American Medical Association's Drug Evaluations; or (3) American Hospital Formulary Service Drug Information, or it is recommended by two clinical studies or review articles in major peer reviewed professional journals. However, there is no coverage for any drug that the FDA or a major peer reviewed medical journal has determined to be contraindicated for the specific treatment for which the drug has been prescribed.

"Prescription Drug Product" includes FDA-approved drugs prescribed to treat cancer during certain clinical trials as described in the Certificate of Coverage.

A Prescription Drug Product includes a medication that, due to its characteristics, is appropriate for self-administration or administration by a non-skilled caregiver. For the purpose of Benefits under the Policy, this definition includes:

- Inhalers (with spacers).
- Insulin.
- The following diabetic supplies:
  - standard insulin syringes with needles;
  - blood-testing strips - glucose;
  - urine-testing strips - glucose;
  - ketone-testing strips and tablets;
  - lancets and lancet devices;
  - glucose monitors.

**Prescription Order or Refill** - the directive to dispense a Prescription Drug Product issued by a duly licensed health care provider whose scope of practice permits issuing such a directive.

**Usual and Customary Charge** - the usual fee that a pharmacy charges individuals for a Prescription Drug Product without reference to reimbursement to the pharmacy by third parties.

UNITED HEALTHCARE INSURANCE COMPANY

Allen J. Sorbo, President
Women's Health and Cancer Rights Act of 1998

As required by the Women's Health and Cancer Rights Act of 1998, Benefits under the Policy are provided for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Health Services (including Copayments and any Annual Deductible) are the same as are required for any other Covered Health Service. Limitations on Benefits are the same as for any other Covered Health Service.
Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
Claims and Appeal Notice

This Notice is provided to you as a result of changes in federal law regarding our responsibilities for making benefit determinations and your right to appeal adverse benefit determinations. To the extent that state law provides you with more generous timelines or opportunities for appeal, those rights also apply to you. Please refer to your benefit documents for information about your rights under state law.

Benefit Determinations

Post-service Claims
Post-service claims are those claims that are filed for payment of Benefits after medical care has been received. If your post-service claim is denied, you will receive a written notice from us within 30 days of receipt of the claim, as long as all needed information was provided with the claim. We will notify you within this 30 day period if additional information is needed to process the claim, and may request a one time extension not longer than 15 days and pend your claim until all information is received.

Once notified of the extension, you then have 45 days to provide this information. If all of the needed information is received within the 45-day time frame, and the claim is denied, we will notify you of the denial within 15 days after the information is received. If you don't provide the needed information within the 45-day period, your claim will be denied.

A denial notice will explain the reason for denial, refer to the part of the plan on which the denial is based, and provide the claim appeal procedures.

If you have prescription drug benefits and are asked to pay the full cost of a prescription when you fill it at a retail or mail-order pharmacy, and if you believe that it should have been paid under the policy, you may submit a claim for reimbursement in accordance with the applicable claim filing procedures. If you pay a copayment and believe that the amount of the copayment was incorrect, you also may submit a claim for reimbursement in accordance with the applicable claim filing procedures. When you have filed a claim, your claim will be treated under the same procedures for post-service group health plan claims as described in this section.

Pre-service Requests for Benefits
Pre-service requests for Benefits are those requests that require notification or approval prior to receiving medical care. If you have a pre-service request for Benefits, and it was submitted properly with all needed information, you will receive written notice of the decision from us within 15 days of receipt of the request. If you filed a pre-service request for Benefits improperly, we will notify you of the improper filing and how to correct it within 5 days after the pre-service request for Benefits was received. If additional information is needed to process the pre-service request, we will notify you of the information needed within 15 days after it was received, and may request a one time extension not longer than 15 days and pend your request until all information is received. Once notified of the extension you then have 45 days to provide this information. If all of the needed information is received within the 45-day time frame, we will notify you of the determination within 15 days after the
information is received. If you don't provide the needed information within the 45-day period, your request for Benefits will be denied. A denial notice will explain the reason for denial, refer to the part of the plan on which the denial is based, and provide the appeal procedures.

If you have prescription drug benefits and a retail or mail order pharmacy fails to fill a prescription that you have presented, you may file a pre-service health request for Benefits in accordance with the applicable claim filing procedure. When you have filed a request for Benefits, your request will be treated under the same procedures for pre-service group health plan requests for Benefits as described in this section.

Urgent Requests for Benefits that Require Immediate Attention

Urgent requests for Benefits are those that require notification or a benefit determination prior to receiving medical care, where a delay in treatment could seriously jeopardize your life or health, or the ability to regain maximum function or, in the opinion of a Physician with knowledge of your medical condition, could cause severe pain. In these situations:

- You will receive notice of the benefit determination in writing or electronically within 72 hours after we receive all necessary information, taking into account the seriousness of your condition.
- Notice of denial may be oral with a written or electronic confirmation to follow within three days.

If you filed an urgent request for Benefits improperly, we will notify you of the improper filing and how to correct it within 24 hours after the urgent request was received. If additional information is needed to process the request, we will notify you of the information needed within 24 hours after the request was received. You then have 48 hours to provide the requested information.

You will be notified of a benefit determination no later than 48 hours after:

- Our receipt of the requested information; or
- The end of the 48-hour period within which you were to provide the additional information, if the information is not received within that time.

A denial notice will explain the reason for denial, refer to the part of the plan on which the denial is based, and provide the claim appeal procedures.

Concurrent Care Claims

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an urgent request for Benefits as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment. We will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an urgent request for Benefits and decided according to the timeframes described above. If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new request and decided according to post-service or pre-service timeframes, whichever applies.
Questions or Concerns about Benefit Determinations

If you have a question or concern about a benefit determination, you may informally contact our customer service department before requesting a formal appeal. If the customer service representative cannot resolve the issue to your satisfaction over the phone, you may submit your question in writing. However, if you are not satisfied with a benefit determination as described above, you may appeal it as described below, without first informally contacting a customer service representative. If you first informally contact our customer service department and later wish to request a formal appeal in writing, you should again contact customer service and request an appeal. If you request a formal appeal, a customer service representative will provide you with the appropriate address.

If you are appealing an urgent claim denial, please refer to Urgent Appeals that Require Immediate Action below and contact our customer service department immediately.

How to Appeal a Claim Decision

If you disagree with a pre-service request for Benefits determination or post-service claim determination after following the above steps, you can contact us in writing to formally request an appeal.

Your request should include:

- The patient's name and the identification number from the ID card.
- The date(s) of medical service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your first appeal request must be submitted to us within 180 days after you receive the claim denial.

Appeal Process

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field, who was not involved in the prior determination. We may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent medical claim information. Upon request and free of charge, you have the right to reasonable access to and copies of all documents, records, and other information relevant to your claim for Benefits.

Appeals Determinations

Pre-service Requests for Benefits and Post-service Claim Appeals

You will be provided written or electronic notification of the decision on your appeal as follows:

- For appeals of pre-service requests for Benefits as identified above, the first level appeal will be conducted and you will be notified of the decision within 15 days from receipt of a request for appeal of a denied request for Benefits. The second level appeal will be conducted and you will be notified of the decision within 15 days from receipt of a request for review of the first level appeal decision.
For appeals of **post-service claims** as identified above, the first level appeal will be conducted and you will be notified of the decision within 30 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified of the decision within 30 days from receipt of a request for review of the first level appeal decision.

For procedures associated with urgent requests for Benefits, see **Urgent Appeals That Require Immediate Action** below.

If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal. Your second level appeal request must be submitted to us within 60 days from receipt of the first level appeal decision.

Please note that our decision is based only on whether or not benefits are available under the policy for the proposed treatment or procedure. We don't determine whether the pending health service is necessary or appropriate. That decision is between you and your physician.

**Urgent Appeals that Require Immediate Action**

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your physician should call us as soon as possible.
- We will provide you with a written or electronic determination within 72 hours following receipt of your request for review of the determination, taking into account the seriousness of your condition.

Changes Required By Final HIPAA Regulations
Changes required by the final HIPAA Portability Regulations are effective July 1, 2005. Those changes include clarification of the requirements for a Special Enrollment Period and Continuous Creditable Coverage as described below.

Special Enrollment Period
An Eligible Person and/or Dependent may also be able to enroll during a special enrollment period. A special enrollment period is not available to an Eligible Person and his or her Dependents if coverage under the prior plan was terminated for cause, or because premiums were not paid on a timely basis.

A special enrollment period applies to an Eligible Person and any Dependents when one of the following events occurs:

- Birth.
- Legal adoption.
- Placement for adoption.
- Marriage.

A special enrollment period applies for an Eligible Person and/or Dependent who did not enroll during the Initial Enrollment Period or any applicable Open Enrollment Period if the following are true:

- The Eligible Person and/or Dependent had existing health coverage under another plan at the time they had an opportunity to enroll during the Initial Enrollment Period or any applicable Open Enrollment Period; and
- Coverage under the prior plan ended because of any of the following:
  - Loss of eligibility (including, without limitation, legal separation, divorce or death).
  - The employer stopped paying the contributions. This is true even if the Eligible Person and/or Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer.
  - In the case of COBRA continuation coverage, the coverage ended.
  - The Eligible Person and/or Dependent no longer lives or works in an HMO service area if no other benefit option is available.
  - The plan no longer offers benefits to a class of individuals that include the Eligible Person and/or Dependent.
  - An Eligible Person and/or Dependent incurs a claim that would exceed a lifetime limit on all benefits.

Continuous Creditable Coverage

To continue reading, go to right column on this page.

To continue reading, go to left column on next page.
Continuous Creditable Coverage is defined as health care coverage under any of the types of plans listed below, during which there was no break in coverage of 63 consecutive days or more:

- A group health plan.
- Health insurance coverage.
- Medicare.
- Medicaid.
- Medical and dental care for members and certain former members of the uniformed services, and for their dependents.
- A medical care program of the Indian Health Services Program or a tribal organization.
- A state health benefits risk pool.
- The Federal Employees Health Benefits Program.
- The State Children's Health Insurance Program (S-CHIP).
- Health plans established and maintained by foreign governments or political subdivisions and by the U.S. government.
- Any public health benefit program provided by a state, county, or other political subdivision of a state.
- A health benefit plan under the Peace Corps Act.

A waiting period for health care coverage will be included in the period of time counted as Continuous Creditable Coverage.

**Maximum Policy Benefit**

The terms of your Certificate of Coverage may define and establish terms relating to a Maximum Policy Benefit. This maximum policy benefit may impose a preexisting condition limitation under the updated HIPAA Portability regulations.
Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Enrolling Group's plan administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary." A Qualified Beneficiary is any of the following persons who was covered under the Policy on the day before a qualifying event:

- A Subscriber.
- A Subscriber's Enrolled Dependent, including with respect to the Subscriber's children, a child born to or placed for adoption with the Subscriber during a period of continuation coverage under federal law.
- A Subscriber's former spouse.

Qualifying Events for Continuation Coverage under Federal Law (COBRA)

If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

The qualifying events with respect to an employee who is a Qualified Beneficiary are:

A. Termination of the Subscriber from employment with the Enrolling Group, for any reason other than gross misconduct.
B. Reduction in the Subscriber's hours of employment.

With respect to a Subscriber's spouse or dependent child who is a Qualified Beneficiary, the qualifying events are:

A. Termination of the Subscriber from employment with the Enrolling Group, for any reason other than the Subscriber's gross misconduct.
B. Reduction in the Subscriber's hours of employment.
C. Death of the Subscriber.
D. Divorce or legal separation of the Subscriber.
E. Loss of eligibility by an Enrolled Dependent who is a child.
F. Entitlement of the Subscriber to Medicare benefits.
G. The Enrolling Group filing for bankruptcy, under Title 11, United States Code. This is also a qualifying event for any retired Subscriber and his or her Enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

Notification Requirements and Election Period for Continuation Coverage under Federal Law (COBRA)
Notification Requirements for Qualifying Event
The Subscriber or other Qualified Beneficiary must notify the Enrolling Group's plan administrator within 60 days of the latest of the date of the following events:

- The Subscriber's divorce or legal separation, or an Enrolled Dependent's loss of eligibility as an Enrolled Dependent.
- The date the Qualified Beneficiary would lose coverage under the Policy.
- The date on which the Qualified Beneficiary is informed of his or her obligation to provide notice and the procedures for providing such notice.

The Subscriber or other Qualified Beneficiary must also notify the Enrolling Group's plan administrator when a second qualifying event occurs, which may extend continuation coverage.

If the Subscriber or other Qualified Beneficiary fails to notify the Enrolling Group's plan administrator of these events within the 60 day period, the plan administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If a Subscriber is continuing coverage under federal law, the Subscriber must notify the Enrolling Group's plan administrator within 60 days of the birth or adoption of a child.

Notification Requirements for Disability Determination or Change in Disability Status
The Subscriber or other Qualified Beneficiary must notify the Enrolling Group's plan administrator as described under "Terminating Events for Continuation Coverage under Federal Law (COBRA)," subsection A. below.

The notice requirements will be satisfied by providing written notice to the Enrolling Group's plan administrator. The contents of the notice must be such that the plan administrator is able to determine the covered employee and Qualified Beneficiary or Beneficiaries, the qualifying event or disability, and the date on which the qualifying event occurred.

None of the above notice requirements will be enforced if the Subscriber or other Qualified Beneficiary is not informed of his or her obligations to provide such notice.

After providing notice to the Enrolling Group's plan administrator, the Qualified Beneficiary shall receive the continuation coverage and election notice. Continuation coverage must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the plan administrator.

The Qualified Beneficiary's initial premium due to the plan administrator must be paid on or before the 45th day after electing continuation.

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain employees who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These employees are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.
If you qualify or may qualify for assistance under the Trade Act of 1974, contact the Enrolling Group for additional information. You must contact the Enrolling Group promptly after qualifying for assistance under the Trade Act of 1974 or you will lose your special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that plan coverage was lost but begins on the first day of the special second election period.

**Terminating Events for Continuation Coverage under Federal Law (COBRA)**

Continuation under the Policy will end on the earliest of the following dates:

A. Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Subscriber's employment was terminated or hours were reduced (i.e., qualifying events A and B).

If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at any time within the first 60 days of continuation coverage for qualifying event A or B then the Qualified Beneficiary may elect an additional eleven months of continuation coverage (for a total of twenty-nine months of continued coverage) subject to the following conditions:

- Notice of such disability must be provided within the latest of 60 days after:
  - the determination of the disability; or
  - the date of the qualifying event; or
  - the date the Qualified Beneficiary would lose coverage under the Policy; and
  - in no event later than the end of the first eighteen months.

- The Qualified Beneficiary must agree to pay any increase in the required Premium for the additional eleven months.

- If the Qualified Beneficiary who is entitled to the eleven months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional eleven months of continuation coverage.

Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

B. Thirty-six months from the date of the qualifying event for an Enrolled Dependent whose coverage ended because of the death of the Subscriber, divorce or legal separation of the Subscriber, or loss of eligibility by an Enrolled Dependent who is a child (i.e. qualifying events C, D, or E).

C. With respect to Qualified Beneficiaries, and to the extent that the Subscriber was entitled to Medicare prior to the qualifying event:

- Eighteen months from the date of the Subscriber's Medicare entitlement; or
- Thirty-six months from the date of the Subscriber's Medicare entitlement, if a second qualifying event (that was due to either the Subscriber's termination of employment or the Subscriber's work hours being reduced) occurs prior to the expiration of the eighteen months.

D. With respect to Qualified Beneficiaries, and to the extent that the Subscriber became entitled to Medicare subsequent to the qualifying event:

To continue reading, go to right column on this page.

To continue reading, go to left column on next page.
— Thirty-six months from the date of the Subscriber's termination from employment or work hours being reduced (first qualifying event) if:

♦ The Subscriber's Medicare entitlement occurs within the eighteen month continuation period; and

♦ if, absent the first qualifying event, the Medicare entitlement would have resulted in a loss of coverage for the Qualified Beneficiary under the group health plan.

E. The date coverage terminates under the Policy for failure to make timely payment of the Premium.

F. The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any pre-existing condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.

G. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Enrolling Group filed for bankruptcy, (i.e. qualifying event G). If the Qualified Beneficiary was entitled to continuation because the Enrolling Group filed for bankruptcy, (i.e. qualifying event G) and the retired Subscriber dies during the continuation period, then the other Qualified Beneficiaries shall be entitled to continue coverage for thirty-six months from the date of the Subscriber's death.

H. The date the entire Policy ends.

I. The date coverage would otherwise terminate under the Policy as described in the Certificate of Coverage (Section 8: When Coverage Ends) under the heading Events Ending Your Coverage.

Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

We* are required by law to protect the privacy of your health information. We are also required to send you this notice, which explains how we may use information about you and when we can give out or "disclose" that information to others. You also have rights regarding your health information that are described in this notice.

The terms "information" or "health information" in this notice include any personal information that is created or received by a health care provider or health plan that relates to your physical or mental health or condition, the provision of health care to you, or the payment for such health care.

We have the right to change our privacy practices. If we do, we will provide the revised notice to you within 60 days by direct mail or post it on our website, www.myuhc.com.

How We Use or Disclose Information

We must use and disclose your health information to provide information:

- To you or someone who has the legal right to act for you (your personal representative);
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected; and
- Where required by law.

We have the right to use and disclose health information to pay for your health care and operate our business. For example, we may use your health information:

- **For Payment** of premiums due us and to process claims for health care services you receive.
- **For Treatment.** We may disclose health information to your physicians or hospitals to help them provide medical care to you.
- **For Health Care Operations.** We may use or disclose health information as necessary to operate and manage our business and to help manage your health care coverage. For example, we might talk to your physician to suggest a disease management or wellness program that could help improve your health.
- **To Provide Information on Health Related Programs or Products** such as alternative medical treatments and programs or about health related products and services.
- **To Plan Sponsors.** If your coverage is through an employer group health plan, we may share summary health information and enrollment and disenrollment information with the plan sponsor. In addition, we may share other health information with the plan sponsor for plan administration if the plan sponsor agrees to special restriction on its use and disclosure of the information.
- **For Appointment Reminders.** We may use health information to contact you for appointment reminders with providers who provide medical care to you.

We may use or disclose your health information for the following purposes under limited circumstances:

- **To Persons Involved With Your Care.** We may use or disclose your health information to a person involved in your care, such as a family member, when you are incapacitated or in an emergency, or when permitted by law.
- **For Public Health Activities** such as reporting disease outbreaks.
- **For Reporting Victims of Abuse, Neglect or Domestic Violence** to government authorities, including a social service or protective service agency.
- **For Health Oversight Activities** such as governmental audits and fraud and abuse investigations.
- **For Judicial or Administrative Proceedings** such as in response to a court order, search warrant or subpoena.
- **For Law Enforcement Purposes** such as providing limited information to locate a missing person.
- **To Avoid a Serious Threat to Health or Safety** by, for example, disclosing information to public health agencies.
- **For Specialized Government Functions** such as military and veteran activities, national security and intelligence activities, and the protective services for the President and others.
- **For Workers Compensation** including disclosures required by state workers compensation laws of job-related injuries.

• **For Research Purposes** such as research related to the prevention of disease or disability, if the research study meets all privacy law requirements.

• **To Provide Information Regarding Decedents.** We may disclose information to a coroner or medical examiner to identify a deceased person, determine a cause of death, or as authorized by law. We may also disclose information to funeral directors as necessary to carry out their duties.

• **For Organ Procurement Purposes.** We may use or disclose information for procurement, banking or transplantation of organs, eyes or tissue.

If none of the above reasons applies, **then we must get your written authorization to use or disclose your health information.** If a use or disclosure of health information is prohibited or materially limited by other applicable law, it is our intent to meet the requirements of the more stringent law. In some states, your authorization may also be required for disclosure of your health information. In many states, your authorization may be required in order for us to disclose your highly confidential health information, as described below. Once you give us authorization to release your health information, we cannot guarantee that the person to whom the information is provided will not disclose the information. You may take back or "revoke" your written authorization, except if we have already acted based on your authorization. To revoke an authorization, contact the phone number listed on your ID card.

### Highly Confidential Information

Federal and applicable state laws may require special privacy protections for highly confidential information about you. "Highly confidential information" may include confidential information under Federal law governing alcohol and drug abuse information as well as state laws that often protect the following types of information:

- HIV/AIDS;
- Mental health;
- Genetic tests;
- Alcohol and drug abuse;
- Sexually transmitted diseases and reproductive health information; and
- Child or adult abuse or neglect, including sexual assault.

Attached to this notice is a Summary of State Laws on Use and Disclosure of Certain Types of Medical Information.

### What Are Your Rights

The following are your rights with respect to your health information.

- **You have the right to ask to restrict** uses or disclosures of your information for treatment, payment, or health care operations. You also have the right to ask to restrict disclosures to family members or to others who are involved in your health care or payment for your health care. We may also have policies on dependent access that may authorize certain restrictions. **Please note that while we will try to honor your request and will permit requests consistent with its policies, we are not required to agree to any restriction.**

- **You have the right to ask to receive confidential communications** of information in a different manner or at a different place (for example, by sending information to a P.O. box instead of your home address).
• **You have the right to see and obtain a copy** of health information that may be used to make decisions about you such as claims and case or medical management records. You also may receive a summary of this health information. You must make a written request to inspect and copy your health information. In certain limited circumstances, we may deny your request to inspect and copy your health information.

• **You have the right to ask to amend** information we maintain about you if you believe the health information about you is wrong or incomplete. If we deny your request, you may have a statement of your disagreement added to your health information.

• **You have the right to receive an accounting** of disclosures of your information made by us during the six years prior to your request. This accounting will not include disclosures of information: (i) made prior to April 14, 2003; (ii) for treatment, payment, and health care operations purposes; (iii) to you or pursuant to your authorization; and (iv) to correctional institutions or law enforcement officials; and (v) other disclosures that federal law does not require us to provide an accounting.

• **You have the right to a paper copy of this notice.** You may ask for a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. You may obtain a copy of this notice at our website, www.myuhc.com.

**Exercising Your Rights**

• **Contacting your Health Plan.** If you have any questions about this notice or want to exercise any of your rights, please call the phone number on your ID card.

• **Filing a Complaint.** If you believe your privacy rights have been violated, you may file a complaint with us at the following address:

  United Healthcare  
  Customer Service - Privacy Unit  
  PO Box 740815  
  Atlanta, GA 30374-0815

You may also notify the Secretary of the U.S. Department of Health and Human Services of your complaint. **We will not take any action against you for filing a complaint.**
