## Port Master Plan Update Open House

The Port of San Diego invites the public to attend an Open House on the Port Master Plan Update. The Port has been conducting an Integrated Planning initiative that spans 6,000 acres of land and water with the goal of setting a blueprint for future baywide planning and development.

This Open House will provide an opportunity for the public and stakeholders to learn more about the Port Master Plan Update process, comprehensive ideas, and draft goals presented to date. Attendees will have an opportunity to speak one-on-one with the Port's planning team to ask questions and provide feedback to inform this process.
