

Preferred Concept Design

Port Park in Barrio Logan

Preferred Concept Design

Arrival Experience

1. Gateway to the Bay

2. Quetzalcoatl Walk

3. Splashpad

4. Proposed use of existing concession building for water feature mechanicals.

Preferred Concept Design

Community Yard

1. Lawn

2. The Kiosko

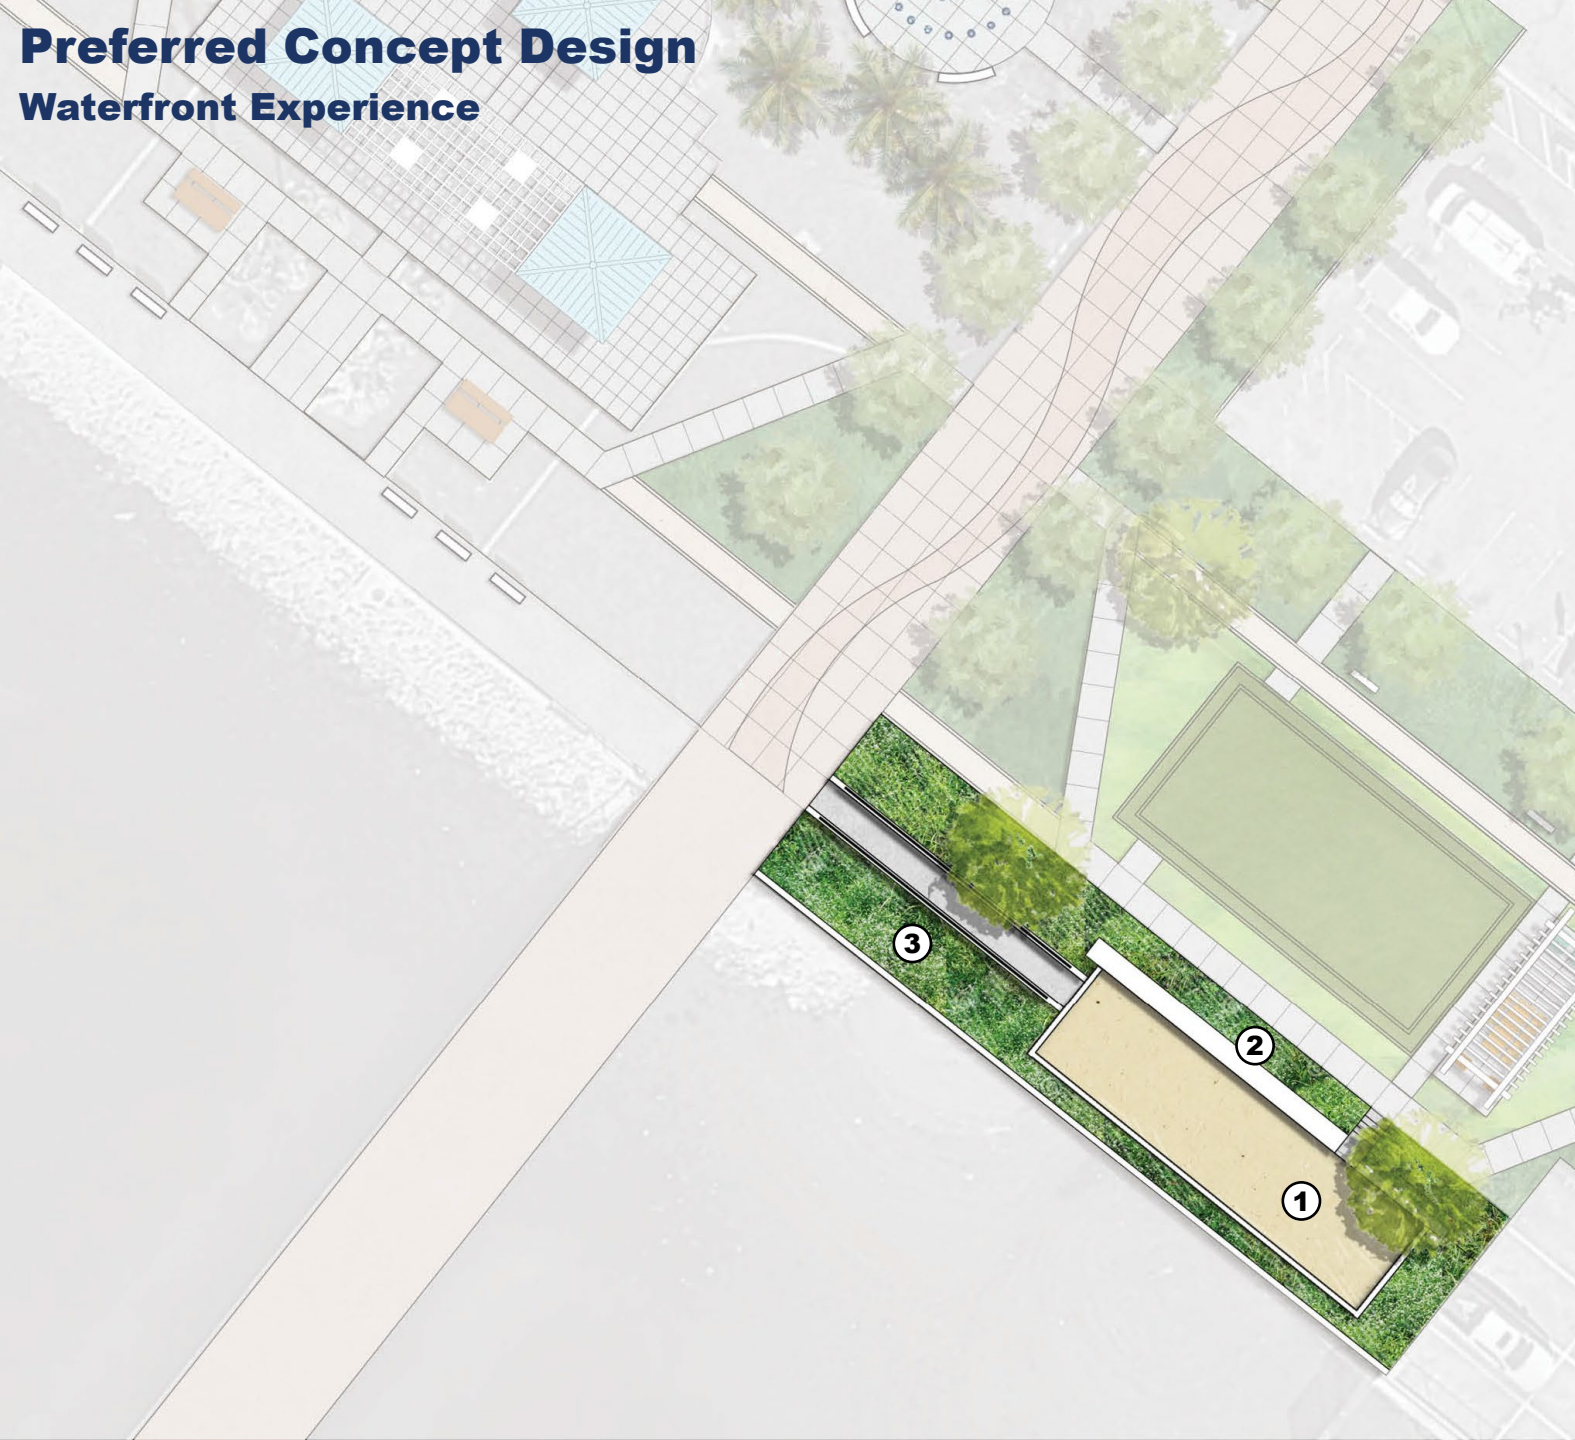

3. The Ollin Garden Room

Preferred Concept Design

Waterfront Experience

1. Waterside Perch*

***The final material for the proposed perch will be further explored during detailed design. Potential materials that will be studied include but are not limited to beach sand, buff colored aggregate, tactified aggregate, poured-in-place rubber, sand-finish concrete or similar. Each will need to be considered for their applicability, long-term durability, and operations and maintenance impacts.**

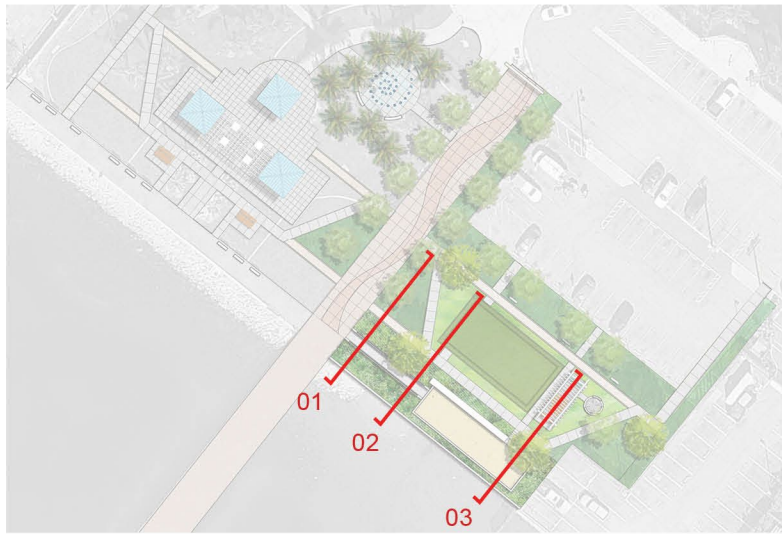

2. Perch Lounge

3. Resilient Shoreline
